Board: Jenny Lewis, Jenny Sherer, Bill Fischer, Chantel Scherman, Sonja Hanggi,

Absent: Jim Berger, Mandy DelMedico, Marcus Goerlitz, Jere Ives, Sara Fenstermacher, Meg Sawyer

Call to Order: 7:16

Approval of June 2020 Minutes: Sonja motioned to approve June meeting minutes, Jenny L. 2nd, motion approved.

Treasurer's report:

- CYLA checking account balance is low after we refunded all registrations for 2020 season, but this is to be expected. There is still money in the money market account that we can draw on, if needed.
- Bill will explore what expenses will be for the rest of 2020 calendar year and potential start-up costs for the 2021 season.

Coaches:

- In order to ensure coverage for the summer clinics, we need more coaches. Some board members can help cover, will reach out to parents, and will see if any high schoolers could help.

Fall League:

- GNLL sent emails wondering if CYLA would participate in a fall league. CYLA to contact families to assess interest.

Around the Horn Director Updates:

- President: Need to begin considering how to more actively recruit board members. Chantel will create flyers that can be distributed to players, inviting parents to attend a question and answer session (that will be done via Zoom) and also send information via social media.

- Communications:
 - In considering long-term plans for lacrosse, consider the possibility of reaching out to Blaine and Spring Lake Park associations to discuss mergers. This is not an immediate concern, but is raised as a suggestion for future planning.
 - Need to consider identifying indoor turf time for winter. For example, we could hold some clinics or attempt to do another Trylax event. Chantel will reach out to NSC to see if they have updates about when they might open scheduling. We also have a credit at Acceleration North, which might provide an option as well.

Meeting adjourned at 8:11.
