We'll use the photos in our newsletter, website, social media and other forms of SYC communication.

Student or interested person should be mature, have transportation, their own high quality camera with a zoom, and a smart phone to take videos. Compensation is \$20 per hour plus \$10 to help with gas, so for every two-hour block of time we will pay \$50.

- camera equipment details
- availability

Thanks for your interest!

Fall Road Cleanup

What a turn out! Over 30 families and individuals came out yesterday to SYC's bi-annual road cleanup through VDOT's Adopt-a-Highway program. The weather was perfect and pounds of trash are now going to its proper resting place away from our roads. Thanks to everyone for coming out and volunteering for this critical and rewarding "dirty job"! See you in the spring!

FAMILY AND COMMUNITY

Acorn and Nut Collection

Acorn and Nut Collection - Virginia Department of Forestry

Acorn and nut collection is a great activity for both children and adults and provides an opportunity to learn more about Virginia trees. So, when the kiddos are not out on a sport's field, take a walk in a natural field and start collecting! See info links below.
