

The first round of registration invoices will be emailed this week. We are doing this so that families know their registration totals minus earned player money balances prior to registration and can check their registration orders for errors. ***Nothing needs to be paid until registration.*** If you have any questions or see any error with your invoices, please reach out to Jenny Ross by phone at 507-461-5010 or by email jenny@djaccountingwaseca.com.

At the “Kick Off” Registration Event you will be able to pay by cash, check, debit/credit card or payment plan. All cash and check payments will receive a CASH DISCOUNT on the processing fees (processing fees will be removed from the invoice). This year we will have a card reader at registration if you prefer to pay this way or you will be able to pay through the emailed invoice at any time between now and registration. A processing fee of 2.9% has been added to the invoice total for all debit and credit card payments. If you would like to make a payment plan, please contact Jenny right away for us to set up a suitable schedule prior to the registration event. We will process payment plan through auto debit or ACH on an agreed upon schedule this season. I will still have the ability to alter a payment if needed with a few days’ notice. I hope this will help with payments being processed in a timely manner.
