

FMMS Boys Soccer 2021 Tryouts

-Due to SCHSL restrictions, there will be no soccer workouts prior to tryouts for the 2021 season. The tentative schedule is as follows:

-Tryouts will be Monday 2/1 and Wednesday 2/3, 3:30-5:15. A skills session may be added for Tuesday 2/2.

-Supplemental tryouts for athletes still involved in basketball playoffs will be held the day after basketball ends.

-Team roster will be posted either Thursday 2/4 or Friday 2/5

-Practice will begin on Monday 2/8 and will run M-F until 5:30

Please carefully read all items below to ensure day 1 starts as smoothly as possible!

-All sessions will be outdoors, so please make sure to dress appropriately for the weather. All sessions will end at 5:15, so please make sure that all rides are at the school no later than 5:30 PM.

-Tryouts will consist primarily of small sided and full field scrimmages, so proper soccer footwear and attire will be required (tennis shoes are *highly* discouraged).

-Goalkeepers will need to bring their own gloves, as they *will not* be provided, and sharing equipment will not be permitted.

On the first day, we will meet in the gym to verify physicals.

You must have a current physical (dated on or after April 1, 2020) uploaded to planeths.com in order to participate in workouts – There will be no exceptions! Please note that both parent *and* student must create an account. Physical forms and PlanetHS Instructions can be found on the FMMS athletic website.

-If interested in trying out, please email Coach Shockley with student's name, grade, preferred position, and current club or team (optional). Having this information will help the first day of tryouts go as smoothly as possible! You can email the coach from the soccer page at the athletic link above.
