

Good Morning,

I wanted to let you know how excited the Andover HS Volleyball program is to have the opportunity to work with your daughter this fall. We were so happy to be able to work with the AAA to make certain the AAA could offer volleyball this fall when other associations canceled their seasons. We plan to implement individual skills and have the players apply them in competitive drills and scrimmages. It will be a lot of fun and the players should feel more confident with their volleyball skills at the end of the season!

COVID reminders: Please have your daughter wear her face mask in and out of the building. We ask each player to bring the following items to create their own "home base": a towel, a face mask, a water bottle, and any hand sanitizer or wipes for their individual use. Your daughter will be well supervised and all COVID protocol will be in place.

The AAA Girls Volleyball Director, Heidi Fondurulia, asked me to let you know that the calendar is now live on the AAA website. Scroll to the bottom of the page. Here is the link:

A couple other reminders: RRE = Rum River Elementary; OVMS = Oak View Middle School; G2 = grade 2; G3 = Grade 3; G2/3 = Grades 2 & 3 together , etc...

Volleyball starts tomorrow, Wed., Sept. 9! We can't wait to spend some time coaching and playing volleyball with your daughters!

Sincerely,
Connie Huberty, AndHS Volleyball Coach
