## **Old Business**

### **Blaine Invite**

Admissions-we don't need wristband helpers next year, large signs that say what teams are on each side

Concessions-NO kids on money, signs hanging from the ceiling for lines to the different food, no wild rice soup next year, school can make just about any type of roll ups or food we want, maybe chili next year if we want a soup and then we can do chili dogs as well

Retail-went well, put vendors down one side probably the same side as the food, if we go with the soft shirts order 20 extra 10 small 10 medium

## **New Business**

**State** yard signs have been ordered. The coaches and captains are working on shirts. We will be looking into other hype gifts after we figure things out with the school and know what we have in our budget. We don't budget hype for state the funds from winter have been spent.

**Financial Update** still waiting for expenses to come in to pay out so we don't have a final number from the invite yet. The money for the flights from Outback has been returned to the booster club. Heather will be writing those checks as soon as she gets more checks from the bank.
