- 1) Purchase your USAV/RMR membership [HERE](#)  
(To sign into an existing account, login [HERE](#))
- 2) Once you've signed your agreements and paid your fees, you'll have a "profile home page" at SportsEngine
- 3) From your SportsEngine profile, click the "Household" tab on the left
- 4) A "tile" (window) with your name in it should be presented (more tiles if others in your family are also members)
- 5) Click on your tile, to open it
- 6) Verify that your contact information is correct, then in the "Overview" window below that, click "Memberships"
- 7) There you should be able to see all your memberships, past and future
- 8) Click on the current "**24-25 RMR...**" membership
- 9) There, you should be presented with the **elements** of your current membership ...
- 10) Each will be marked as "**ineligible/incomplete**" or "**pending**" or "**eligible/complete**"
- 11) Any element that is as yet incomplete will have a hyperlink to the right that allows you to complete that task  
For all members: Your various agreements and waivers should be complete!  
For Coaches and Officials:
  - > "Initiate Background Screen" should be your first priority (you will be charged \$14)
  - > Take your SafeSport Course
  - > First-Time Coaches may need to complete the "IMPACT" course
- 12) With those tasks managed, you can return to your "Home" page
- 13) Access to the **USA Volleyball Academy** is provided there.
- 14) In the Academy, click "**Enrollments**" to find mandatory courses assigned to you:
  - > Players will find "**for credit**" courses about scorekeeping and refereeing
  - > Coaches will find their IMPACT training course as well as referee or scorekeeping courses
  - > Officials will find specific scorekeeping and referee modules assigned to them, based on their level of certification
- 15) Click "**Content Library**" to find lots of learning material provided for you, **as optional reading**
  - > Coaches will find clinics, courses, and interesting educational articles provided here
  - > For Officials, over a hundred referee and scorekeeping modules can be reviewed here, any time, under "**Officials Academy\* Optional**"
