### Minutes

- Agendas and meeting minutes from 3/27/22 were distributed and reviewed. A motion was made by Schrimpf, second by Feltz, to approve the minutes as presented. Motion passed, 6-0.

### Financial Update

- Schrimpf provided financial update. Revenue looks favorable after tournament revenues and expenses. Tracking ahead of budget, partially due to conservative budgeting and forecasting. Roughly 6-7K in expenses remaining, should be in range of 5K profit at EOY due to those factors.

### OYBL

- Younggren provided brief early survey feedback, will provide full results at next meeting. Group discussed positive season. Group discussed possibility of hiring someone to serve as ½ grade site coordinator if ½ grade program is moved to FES location. Will discuss further.

### Travel

- Younggren shared parent email question about 3<sup>rd</sup> grade travel. Group discussed pros and cons, reasons why we do not offer. Group agreed numbers do not typically work, it varies greatly from year to year, particularly for coaches and competition opportunities. Group consensus seems to be not in favor, but will decide next meeting.
- Younggren shared parent email about “crying” language in parent presentation. Discussed the reasoning and logic behind wording, it is explained in greater detail at Parent Meetings. Group agreed to remove the language from presentation for clarity. Will continue to discuss verbally at Parent meetings.

### Sponsorship

- Group discussed sponsorship “thank-you” process, Schrimpf has contact list. Will share list with Board so “thank-you” can be issued to sponsors during reach out process for 2022-23 season.

### Scholarship Committee

- Younggren shared applicant information with Schrimpf and Heitz for review, deadline is 4/29. Group agreed very strong group of candidates, great representation of the program.
- Group discussed possibly increasing amount of scholarship. Will discuss further.

### EOY Surveys

- Younggren shared current response totals to date compared to 2019-2020, tracking nicely, should see similar response totals. Detailed summaries will be discussed at next meeting.
