

Pinnacle Pioneer Football Financial Planning Sheet 2025 Season

Cost

March

7v7/Spring Gear Store

\$80

All players are required to purchase a gear set that typically includes one compression shirt, one short, and one T-shirt. Budget cost for one set of **required items** is \$80

April

Player Gear and Nike Store

\$20+

Nike Cleat and accessory store typically opens the second week in April after Nike's product launch - item pricing is discounted from retail due to Pinnacle being a Nike branded school. All items included are completely optional. Coach Zupke requests predominantly white cleats for Varsity players. Cleat prices start at \$80, gloves at \$30, mouthguards at approximately \$20 each. While mouthguards are not required to be purchased through team sales, they are required to be worn at every practice and game. Athletes are required to wear a 5 or 7 pad girdle during the fall tackle season - girdle pricing starts at \$40.

May

Frosh and JV/Varsity Team Phon-a-Thon

This event is required for the players to attend and is handled by an outside entity. The audience is geared toward supporters who are not immediate family of the player. The next door neighbor, the great aunt in Texas who loves to watch the games on YouTube, or the piano teacher who brags about her star piano student playing football are the target audience. Our football program contracts with a third party vendor of these two fundraisers so the football program receives the proceeds minus a percentage charged by the vendor. No investment is asked of the players' guardians from this event.

Sports Physical

\$15+

Banner Sports Medicine holds a group physical event to assist with the **mandatory physical required** by the Aktivite/Register My Athlete system used by PVUSD for all athletes. Cost for the physical is \$15 at the event or approximately \$25 at any valley wide NextCare/Urgent Care location. Personal physician physicals are price dependent on insurance and office charges.

Mandatory Parent Meeting and Membership Night

\$250+

The Pinnacle Football Booster club holds membership night to explain the current season schedule, events and for Coach Zupke to bring everyone up to speed on expectations and changes. Membership Night is also where families join the booster club, pay for the **\$400 JV/Varsity camp attendance** and the **estimated \$150 player fund**. The Pinnacle Football booster club is comprised mainly of parent and guardians of football players and 100% of the membership donations are delivered to Pioneer Football Inc, a 501(c)(3) charitable organization, and in most cases are tax deductible. **Memberships range from \$100-\$1000.** That organization buys gear, pays training and travel fees and supports our athletes' season. Ways to reach a higher family membership level with player sponsors can be found on our membership webpage.

Strength and Agility Training

\$200

All players are required to participate in **summer strength training** unless excused by Coach Zupke. Registration is handled through Community Education as a district led camp and typically runs end of May through July.

June

Varsity San Diego State University 7v7 passing tournament

The SDSU tournament will be open to Varsity 7v7 players. Parents will be responsible for transportation to and from San Diego and housing during the tournament. One team meal will be provided.

Fan Gear Store

Pinnacle football fan gear stores open and items are completely optional. Delivery dates vary by product.

JV/Varsity Football Camp

For JV/Varsity. Remaining balance due from membership night for the JV/Varsity football camp must be paid by July 30th.

July

Buddy's Fall Player Gear and Fan Gear Store

Buddys will offer Nike branded Pinnacle football player gear and fan gear. Delivery dates vary by product.

August

	Team Photo Day	All Pinnacle Players are required to attend for media guide and roster photos. Packages typically range from \$8 - \$60 however, no purchase is necessary unless personal copies of the photos are desired.
\$200	PVUSD Athletic Fee	PVUSD requires that each Pinnacle athlete pay a \$200 athletic fee to be cleared to play. This amount can be offset with the Arizona tax credit and has a maximum family investment of \$400 per year. For example, I have two kids in two sports but after I pay the athletic fees for football (\$400 for the two kids) when the season for track starts I send an email to the Athletic Director's office noting my previous payments and the additional \$400 for the two kids to participate in track and field is waived.
	Savings Card Sales	All Pinnacle Players are required to sell digital savings cards (number to be determined). The target audience is less well known neighbors and community residents. Door to door sales and social media sales are encouraged. Our football program contracts with a third party vendor of these two fundraisers so the football program receives the proceeds minus a percentage charged by the vendor. No investment is asked of the players' guardians from this event.
	Game Gate Admission	All event admission is via GoFan and collected and retained by PVUSD. Ticket prices vary from \$5-\$15 depending on game and location. All rostered Pinnacle football players (regardless of level) and same-day volunteers receive complimentary admission to home games. Pioneer level booster club members receive complimentary admission for two to all regular season home games.
September		
	Game Gate Admission	All event admission is via GoFan and collected and retained by PVUSD. Ticket prices vary from \$5-\$15 depending on game and location. All rostered Pinnacle football players (regardless of level) and same-day volunteers receive complimentary admission to home games. Pioneer level booster club members receive complimentary admission for two to all regular season home games.
October		
	Game Gate Admission	All event admission is via GoFan and collected and retained by PVUSD. Ticket prices vary from \$5-\$15 depending on game and location. All rostered Pinnacle football players (regardless of level) and same-day volunteers receive complimentary admission to home games. Pioneer level booster club members receive complimentary admission for two to all regular season home games.
	Pre-Order Story of the Season - Season Review	Story of the Season is a weekly published digital media guide with photos, interviews and rosters for all the three teams with a focus on Varsity team. At the end of the season, hard copy books are available for pre-order.
November		
	Game Gate Admission	All event admission is via GoFan and collected and retained by PVUSD. Ticket prices vary from \$5-\$15 depending on game and location. All rostered Pinnacle football players (regardless of level) and same-day volunteers receive complimentary admission to home games. Pioneer level booster club members receive complimentary admission for two to all regular season home games.
	Frosh and JV Team Banquets	Frosh and JV team banquets typically occur at the end of November with ticket prices usually around \$25 per guest. All athlete tickets are complimentary. Volunteers with five or more volunteer hours throughout the season receive a banquet ticket code for free admission.
	Senior Parent / Athlete Photo	Female guardians of Senior player(s) are invited to attend a media event with their athlete in early November. Cost is typically \$30 and player/guardian photos are included.
December		
	Varsity Team Banquet	Varsity team banquet ticket prices are typically around \$50-60 per guest. All athlete tickets are complimentary. Volunteers with five or more volunteer hours throughout the season receive a banquet ticket code for a half price ticket.
