Violation of the aforementioned regulations may result in the disqualification of your team and/or player(s).

The Rocky Mountain Lacrosse Jamboree is part of the US Lacrosse Event Sanctioning Program. The US Lacrosse Sanctioning Program provides best practices for tournament operators in order to create a more safe and consistent event. Through the adoption of the sanctioned tournament standards, tournaments commit to providing the best possible lacrosse experience. All participants must be current US Lacrosse Members in order to participate. US Lacrosse membership numbers will be collected and verified when completing tournament waivers. If you are not currently a member, or your membership is set to expire during the event, please visit [US LACROSSE](#) to register.

2. RMLJ CODE OF CONDUCT

By choosing to register for and/or attend the Rocky Mountain Lacrosse Jamboree, you agree to abide by the RMLJ Code of Conduct which can be found by **[CLICKING HERE](#)**.

If it comes to the attention of SLV that any player, parent, coach, or related attendee of an SLV Event is arrested or detained by law enforcement, they will be immediately dismissed from the event, with the likelihood of not being allowed to return, and the potential for their team spot to be jeopardized. Further, SLV reserves the right to remove any attendee who does not behave in accordance with the Summit Lacrosse Society, and applicable laws.

To the discretion of officials and/or tournament directors, any participant (player, coach, team official, or spectator) who is ejected during tournament play, on or off the playing field, may be subject to a one or more game suspension, up to automatic disqualification, removal from the tournament, and a future ban on participating. Ejection & expulsion may warrant removal from the tournament venue if deemed appropriate by tournament officials & directors.

If all available spots are filled, teams will be placed on a waitlist and accepted into the tournament if spots become available. Payment terms are as follows:

- All cancelled entries, at any time following initial registration, will result in the forfeit of the \$200 deposit, unless a replacement team can be found, in which case your deposit may be refunded.
- On April 1, 2021, your team(s) balance will be charged to the credit card with which you registered.
 - After April 1, 2021, all registration payments will be non-refundable.
- Failure to meet any payment due dates will constitute a forfeiture of the tournament spot, which will be offered to another team.
- Should the event be cancelled due to circumstances beyond the reasonable control of SLV, such as an act of God, natural disaster, or national/local/public state of emergency, team deposits, along with the application fee, may be retained by Summit Lacrosse Ventures, with all other paid fees refunded in full. Should SLV voluntarily decide to cancel the event, all tournament payments, less the \$100 application fee, will be refunded in full.
- Should a team be unable to attend the event due to it being postponed for any of the aforementioned circumstances beyond SLV control, the team's deposit, along with the application fee, may be retained, with all other paid fees refunded in full, unless a replacement team can be found, in which case the team's deposit may be refunded.
- SLV reserves the right to charge any registered team a late cancellation penalty fee of \$500, in addition to already collected fees, for any team entry cancelled after June 1, 2021, which will also jeopardize future attendance.

SLV, LLC, its officers, employees and staff will not be responsible for expenses incurred by any team, club or organization if the tournament is canceled in whole or in part. The event, along with local/venue officials reserves the right to decide on all matters pertaining to the operation of the tournament and its judgment is final.

4. COMPETITION OVERVIEW, HAZARDOUS WEATHER, AND REAL-TIME DECISION-MAKING

RMLJ will use its best efforts to ensure that each registered team plays the number of games established in the tournament schedule. In the best interests of participant safety and the tournament facilities, RMLJ reserves the right to postpone or cancel games due to hazardous conditions. In the event that a team does not appear for a scheduled game, tournament staff will assist in trying to arrange a replacement game, but cannot reasonably guarantee that a replacement game will be provided. Teams that do not show up for scheduled games will be subject to disqualification from current and/or future tournaments.

In the interest of ensuring participant safety and the appropriate use of the fields and facilities, the Rocky Mountain Lacrosse Jamboree, Lacrosse Outreach Foundation, and Summit Lacrosse Ventures reserve the right to postpone, cancel, or shorten games due to hazardous conditions. Rules governing play are consistent with NCAA rules with regard to lightning and extreme weather. The call for game delays will come from event management staff. If a staff member or referee sees a hazard, it is to be reported over the radio; game delay decisions are not the responsibility of staff or referees. If lightning or hazardous weather is detected, the following mandatory procedures will be implemented. Should any participant choose not to comply with SLV's weather protocol, they do so at their own risk.

- *Once hazardous conditions are imminent, an air horn will sound multiple times, indicating that the field area must be evacuated. All staff and tournament participants (players, spectators,*

staff, vendors) are to evacuate the playing field and related areas and go to their vehicles for safety for approximately 30 minutes from when the last hazardous condition is detected. All tournament activities, to include vendors are to cease operation. No participants should return to the fields until a second series of horn blasts is heard, or upon notification by a Director. No one is allowed back into the playing field area until officials have determined that it is safe to resume play.

- *Participants are to remain in their cars, and, in the event of weather, are not to leave the venue until tournament directors have confirmed that play will not resume.*
- *Secured tents and equipment can be left at the fields until the storm delay is over;*
- *Once the hazard clears, a horn blast will denote when it is safe to resume play;*
- *If a weather-related evacuation occurs during the 1st half, teams will return to play the 2nd half of the game, weather permitting. If the evacuation occurs during the second half, the game MAY pick-up where it left off (weather permitting), OR the game MAY be terminated, and the score recorded as is. If the score differential is equal to or greater than 6, regardless of time remaining, the game may be terminated.*
- *Tournament officials will make every effort to “make-up” time, but the schedule may be delayed up to the duration of the suspension of play;*
- ***Please be advised that for all issues effecting game play (e.g.- field/goal conditions, schedules, seeding/reseeding, playoffs, weather-related play halts/restarts, etc.), official information and decisions can only be obtained from tournament Directors, who are located at the tournament headquarters. Please do not request or expect formal information from score keepers, referees, grounds keepers, parking staff, or security personnel.***
- *In addition to being available at the tournament headquarters, tournament Directors will first and foremost utilize the tournament social media, website, and email/mobile phones in an emergency, to communicate information pertinent to game play.*
- *It is ultimately the team's on-site representative's responsibility to seek out and obtain correct and timely information that affects their team's play from the tournament Directors. This above signifies the need for teams to COMPLETELY fill out registration material, including contact information for on-site team representatives.*

Hazardous conditions are out of the control of tournament directors. Every effort will be made to facilitate fair and maximum play, with safety as the principal factor. RMLJ is not responsible for venue conditions related to weather, force majeure, or other events beyond its control.

5. FACILITY RULES

All attendees (coaches, players, and spectators) are required to abide by the RMLJ Facility Rules at each venue, as posted to the RMLJ website, and/or as indicated on site by tournament staff, officials, or representatives. There will be zero tolerance of behavior that is inconsistent with the RMLJ Terms and Conditions, Code of Conduct, or tournament facility rules. RMLJ reserves the right to expel any violating parties from the event and its sites. Any and all personal property

Any personal property found at the facility will be held at tournament headquarters for the duration of the event. Your signature represents your voluntary agreement to the terms below. Parents/Guardians must read and agree to the statement below before signing for the minor child participant and yourself.

I am choosing to participate in the Rocky Mountain Lacrosse Jamboree (RMLJ) a Lacrosse Outreach Foundation (LOF) & Summit Lacrosse Ventures LLC (SLV) Event. I understand that lacrosse is a strenuous, fast-paced game involving physical contact with inherent dangers, and when played within the bounds of the rules, can result in serious injury, paralysis and even death. I assume all the risks of such injury and even death, inherent in the game of lacrosse. I will inspect the fields that I will play, coach, work, and/or spectate on, and confirm them to be in such a condition that there are no dangers visible to me; if I do see dangerous conditions on the field, I will notify Event organizers immediately.

I acknowledge and recognize that LOF & SLV, the entities that sponsors the Event, do not and cannot control the conduct of players and that their conduct is controlled to the extent of the rules of the game by the discretionary calls of lacrosse officials. I also acknowledge that there are dangers inherent in spectating and being present at the Event site. Lacrosse balls can travel at speeds in excess of 100 mph and cannot be confined to the fields. I assume the risk of injury from being struck by lacrosse balls. I also understand that players do not and sometimes cannot stop running or avoid being pushed outside of the lines of the field of play. I have been told and I recognize that it is dangerous to sit or stand within five (5) yards of the sideline of any field and in areas designated and marked as off limits. I agree not to sit or stand within five (5) yards of the sideline of any field or in any areas designated and marked as off limits except when I am playing or preparing to play. While spectating, I agree not to sit or stand within five (5) yards of the sideline of any field or area designated or marked as off limits.

I represent that I am outfitted with equipment that meets NCAA and/or USL specifications relevant to play, i.e., helmet, gloves, arm pads, goggles. I am aware that there are greater dangers if I do not use such equipment, and I assume all associated risk. LOF & SLV make every effort, both in preparation and on-site, to consider the general safety of Event venues and its attendees. There are inherent risks associated with attending a sporting event; attendees (to include spectators) agree to be present and spectate at their own risk. Should the Event offer transport shuttles, or other amenities, attendees understand that shuttles are an optional courtesy convenience; utilization is at-will, and to be exercised at passengers' own risk.

I agree to advise any family member or guest who accompanies me to the Event about the dangers of spectating or being present on the grounds and that it is important that they be extra vigilant about the above dangers and take precaution. I recognize that the Event organizers will rely upon my agreement to do so.

I further understand that it is recommended that I consult with a physician prior to participating in physical activity such as lacrosse. I do hereby declare myself to be physically sound and suffering from no condition, impairment, disease, infirmity, or other illness that would prevent or impair my participation in any of the activities of the RMLJ. I do hereby acknowledge that I have been informed that a physician's approval prior to my voluntary participation in the Event is recommended. I acknowledge that I have either had a physical examination and have been given my physician's permission to participate, or that I have decided to participate without the approval of my physician, and do hereby assume all responsibility for my actions and physical conditions arising from any participation in the RMLJ. I acknowledge that LOF & SLV reserve the right to deny participation if it is deemed by the medical staff that my participation could cause further harm to myself, or to others.

LOF & SLV make every effort to facilitate and promote fair and safe competition. Burden is on the player, guardian, and coach to be aware of and in compliance with published terms and conditions, and eligibility guidelines/restrictions. LOF & SLV are not responsible for, but reserves the right to disqualify any team and/or player who is determined ineligible.

I assume all risks and on behalf of myself and my heirs and assigns waive, release and forever discharge Lacrosse Outreach Foundation, and Summit Lacrosse Ventures LLC and its officers, shareholders, agents, employees, contractors, affiliates, sponsors, volunteers, representatives,

I agree to indemnify and defend the releasees and hold them harmless from any and all claims, suits, causes of action and damages of any kind caused by, or resulting or arising from, my participation in or attendance at the Event, including, but not limited to, damages to the property of, or injury or death to, the releasees, the undersigned or anyone else.

I hereby give my consent to Lacrosse Outreach Foundation & Summit Lacrosse Ventures LLC to provide, through a medical staff of its choice, customary athletic training attention, as well as arranging for transportation to medical facilities/hospitals and/or emergency medical services as the medical staff deems warranted during my participation in the RMLJ.
