Who will the children be interacting with each day?

Students are split into groups based on their age in order to participate in developmentally appropriate activities. Groups are split by grade level. Occasionally groups will intermingle for mentoring opportunities and various activities. At the end of the day students will come together as pick-up time approaches.

Please note that group structure is fluid and might change as registration varies from week to week. Counselors are staffed based on ratios for age groups: Ages 5-8 1:10, Ages 9-14 1:10.

How do you handle disruptive or negative behavior? At the heart of our Youth Program is a system of positive behavior supports, which is also utilized in Guilford County Schools. All counselors have been trained in classroom management and positive behavior supports. We have five expectations that students abide by in our Summer Camp program:

1. **RESPECT your coaches and other campers.**
2. **Keep your hands and feet to yourself,**
3. **Use kind words.**
4. **Follow your coach's directions and listen.**
5. **NO BULLYING, taunting, or teasing. Children that meet expectations throughout the week earn a specialty activity.**

The Youth Program Director and Assistant Director are excellent at corresponding with parents about their child's behavior when needed.

There is a **THREE-STRIKE POLICY** for students that cannot meet expectations.

1st Strike is a write up with an action plan developed by the director, student, and parent.

2nd Strike is a one-day suspension from the program.

3rd Strike is a week suspension from the program.

If behavior does not improve within a 2wks period after the 3rd strike, the student will be asked to leave the program. Parents **WILL NOT** be reimbursed their money if a student is terminated from the program for poor behavior. Parents are also asked to treat the Director and Assistant Director professionally and with respect. We are all on the same team and want what is best for your child.

Is there a cut off for cancelling a week, and what money would a parent get back for cancelling?

Should you need to cancel please let the Youth Director know the week before the week they planned on coming. We will credit your account and use that money toward another week.

What if they are in a basketball training, can they go into Summer Camp afterwards?

How does that work?

What is the cost and how do you register? Yes, they can! All they need to do is register for both Summer Camp and Training . Costs vary by trainer.
