

Jeanie L. Danielak- MMAYHA President 2018-2019 Season

Annual Recap:

It has been my distinct honor to fulfill the role of President this past season. I would like to sincerely thank all the board members, appointed positions, coaches and volunteers for giving of your time, talents and treasure to our hockey family. Serving our players is our greatest calling in this Association. And, this season, we have done it amazingly well! We worked together, and for that, I am both proud and grateful!

This year, our final season in our long time home at the Civic Center Dome and our beginning at our new REC Center home, was one filled with excitement and hard work. This season our PeeWee, Bantam and High School teams worked tirelessly on home tournaments, our Cross Ice Team held a home jamboree and our U12 Girls hosted WAHA State- all of which were extremely successful. Additionally we were able to host Girls Kohlman Cup and a 3x3 Tournament. We were also able to provide volunteers in the concession stand for the McDonald Tournament. These fun weekends were so successful due to the hard work and dedication of so many in our organization- adults and players alike.

We hosted 1 Try Hockey for Free in partnership with USA Hockey. Growing the love of the game in our youngest skaters and families is the key to the long term success for our Association and the game we all love. I am excited to see the passion of so many at this age level and look forward to their energy and volunteerism helping us to be the best we can be.

This season of transition was the most exciting, and frankly exhausting, one in my time as a Thunder parent. We all have the blessing of carrying with us the bitter sweet memories of this season as we said good bye to The Bubble and quickly felt right at home at the REC Center. This beautiful new facility gives us unlimited opportunities to expand and grow this Association in ways that before we could only dream of. The future is ours for the taking. I invite every member of our Association to give of their time to further our growth. I can honestly tell you, seeing the product of all of our hard work coming to fruition will always be one of the great joys in my life.

Thank you for the opportunity to give of myself to our Thunder Hockey Family this past season. I look forward to watching our story unfold.

Go Thunder!

John D. Danielak- MMAYHA Treasurer 2018-2019 Season

Annual Recap:

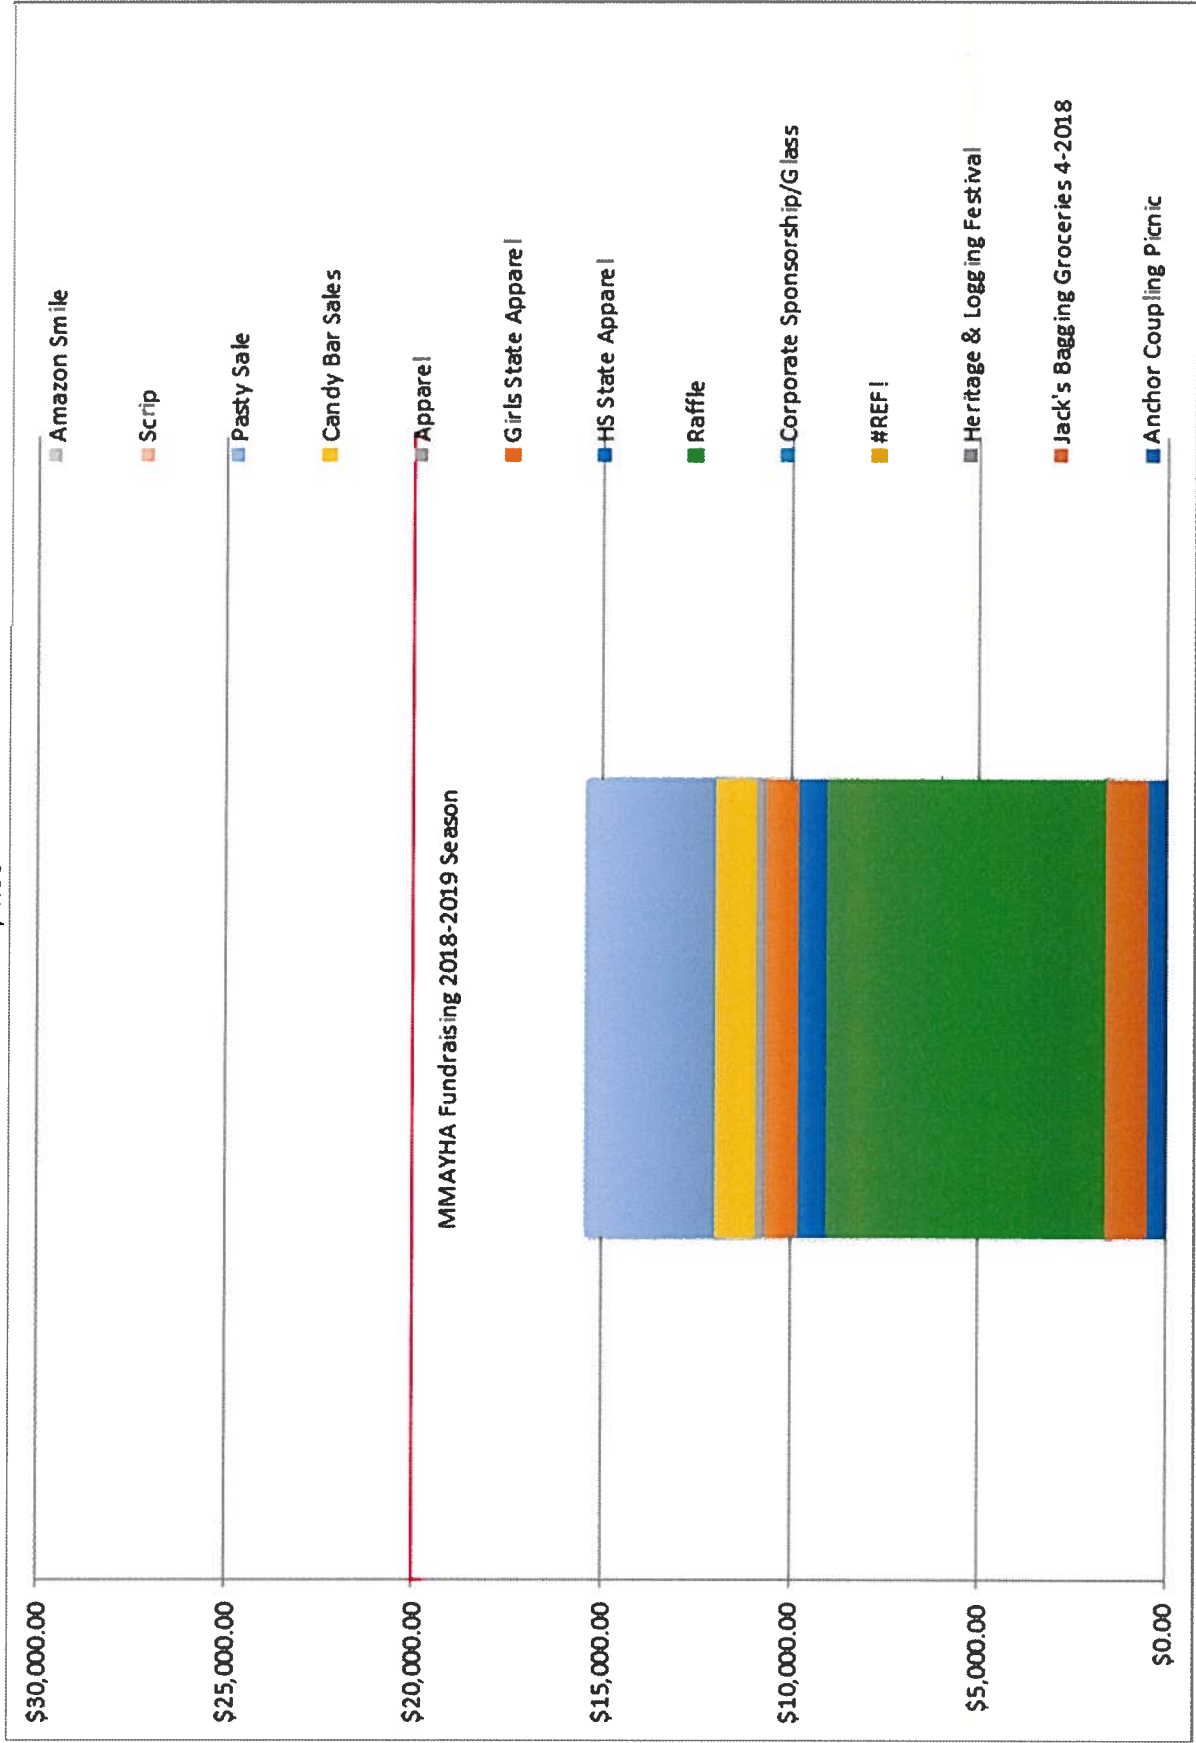

- Fundraising went very well this year. We raised a total of \$15,423.89. This number is down from last year as we did not have Glass Sponsorships due to the facility transition. Look for a big difference in this category this next season! Major Events included: Pasty Sale, Spring Raffle, Bagging Groceries and Candy Bar Sales. Additionally this year we worked the Anchor Coupling picnic, and participated in fundraising partnerships with Amazon Smile and Scrip.
- Our Concession stand sales were amazing this year. Out Net Profit was \$16,563.22 which beat last year's record by \$919.19! High School, Bantam, and PeeWee weekends, Cross Ice Jamboree, Girls State, Kohlman Cup, 3x3 and the McDonald Tourney weekends we huge money makers for us. There was continued variety in the concession booth and the new facility allows us to sell to an even wider audience. Additionally, we paid \$5,818.20 to the City of Marinette as their 20% sales share for our use of the concession stand.
- Our Hours Chairperson did a nice job of keeping the spreadsheet up to date and on the website for quick reference.
- The strong push for our organization to become self-sustaining was the primary focus for the year as evidenced in the mandatory fundraising obligation and/or buyout. As our ice costs again increased this year, so too did our commitment to spend wisely. This increased expense was buffered by a slight rise in our registration fees, which was met by the Association members without complaint as they recognize the necessity of the decision. Even with the increase in ice fees, we were able to have money left in our checking account at the end of the season and did not need to transfer any money from our CD's to cover season costs again this year.

- In the off season, there are several items that will need attention. First, we will NEED a dedicated Fundraising Chairperson again this season and a Fundraising Committee that meets regularly to support that person. I also believe that as we now occupy our new facility, every team should host a profitable home tournament. Additionally, we need to implement a solution to the lack of concession stand volunteers during the McDonald Tournament and others. The new concession stand offers year round opportunities for us. We need to brainstorm how to best take advantage of that.
- Overall, I learned a lot and very much enjoyed the opportunity to serve our Association and our wonderful children as Thunder Treasurer over the past season. Our Association as a whole is on board and aware of our financial situation as we move forward. We have made huge progress over the past several years, and that work will need to continue as we work towards fulfilling our pledge towards the new facility. I look forward to another strong year for the Thunder!

**MMAYHA Fundraising 2018-2019 Season**

Anchor Coupling Picnic	\$500.00	
Jack's Bagging Groceries 4-2018	\$1,126.41

\$4.00

2018-2019 M&M Thunder Facilities  
Year End Report

Accomplishments

1. Successful transition from Civic Center to the REC Center.
2. Glass and netting installed at the Civic Center.
3. Installation of new player boxers and minor official/penalty boxes at Civic Center.
4. Dividers hung in locker rooms for Bantam Tournament at the Civic Center.
5. US Flag (donated from hockey family) installed in REC Center.
6. Senior banners hung in the REC Center.
7. Home/Away signage installed on player benches.
8. Office chairs donated by local business for minor officials.
9. Heater installed for minor officials.
10. Dry Erase boards mounted in the locker rooms and behind home bench.
11. Depository Safe (donated from hockey family) installed in concession stand.
12. Coat rack installed in the concession stand.
13. Mouse traps installed in the concession stand.
14. Menu boards installed in concession stand.
15. Varsity locker room installed in REC Center.
16. 2 - Game nets strung
17. 6 – Cross Ice nets strung
18. Sound System relocated from Civic Center to REC Center.
19. Secured new refrigerator from BAMC for referee's room at the REC Center.
20. Freezer setup for game pucks behind scorer's table.
21. Acquired lockers for coach's locker room – waiting for installation.
22. Green Box and mailboxes relocated from Civic Center to the REC Center.
23. Scoreboard training and manuals updated.
24. Received and implemented cross ice dividers.
25. LiveBarn installed in the REC Center.
26. Skate sharpener assembled and setup for the City of Marinette.

Un finished projects

1. Civic Center rink glass removed from the dome.
2. Concession stand shed removed from the dome.
3. Equipment trailers emptied and removed from the dome.
4. Player's boxes, minor official boxes/penalty boxes removed from the civic center.
5. Clean out civic center of any leftover M&M Thunder belongings.
6. Coach's locker room lockers installed at the REC Center.
7. Equipment room setup at the REC Center.
8. Improvement in the skate sharpening room – countertops, tools, helmet and skate parts, etc.
9. Trophy cases to be built and installed.
10. Shades/blinds for windows by concession stand

Special thank you to the following for donating time and talent this past year as we made the move from the Civic Center to the REC Center.

1. The Brett Boivin Family
2. Brock and Blake Jersey
3. Pam Bowers and family
4. Tim Carvenough and Brian Freeman
5. Dewitt Family
6. Eric Burg, Kirby and Tyler Oleson – City of Marinette
7. Mike Maas and Scott Wahl
8. Mike McClaren and his crew of helpers
9. High School Hockey Team players
10. Chuck Bird and his crew of helpers
11. Don Park
12. Hunter Mans and Alex McDonald
13. Rachel and Luke Dura

## 2018-2019 YEAR END X-ICE REPORT

*I would like to start by saying thank you to our volunteer coaches and our student coaches for helping make this a successful season. Also a BIG Thank You to the moms who volunteered there time and patience. This year we broke up our learn to skate program from the cross ice program; which was a success. The younger players learned basics of skating before moving up to cross ice. The players who moved up from learn to skate then started working on basic hockey fundamentals.*

*The returning cross ice players participated in a number of tournaments. Our blue level players took 2nd place in Chaos at Cornerstone. Our red level players took 6th at there first tournament in Manitowac; took 2nd place in Fox Valley, and ended the season with a big 1st place win in Antigo.*

*We followed the ADM for recommended games played for the cross ice level.*

*Our Jamboree was successful raising over \$800.00; which was the last jamboree played at the dome.*

*We have a handful of red level players moving to squirts next season; which they are ready and have the skills to succeed. We will also have a good number of players returning next season for cross ice. With hopes of new players joining our association.*

*With that said we look forward to seeing everyone next season.*

**GO THUNDER!!!**

*Thank You Again,*

*Mike McClarren*

*IP Director*
