Record running score at top. Individual scoring for players is not as important although you should do your best to record that as well.
 Record fouls for each player individually as well as for the team. A player fouls out if they have a flagrant foul, two technicals, or 5 personal fouls (including technical fouls). The opposing team is in the "bonus" once a team reaches 7 team fouls in a quarter.
 Record Time-outs, and warn a coach when they have used their last one.
