Our Sixth Annual Blanket Drive Has Begun

THIS IS A GREAT OPPORTUNITY FOR

SERVICE HOURS AND MAKING A PATIENT SMILE

PLEASE help us bring **care, comfort and compassion** to cancer patients that are undergoing chemotherapy treatments at various facilities by providing them with fleece blankets that are soft, warm and handmade.

To date, we have delivered over 1200 BLANKETS

Make a blanket, spread the word, or collect donations from others

Donations can be **Completed Fleece Blankets, Fleece Material** (two 1 $\frac{3}{4}$ yard pieces for each blanket), or **JoAnn Fabric Gift Cards** that can be purchased through Amazon or JoAnn.com and sent electronically to c3forcancer@gmail.com.

Blankets, fleece or plastic gift cards can be dropped off at our homes OR we would be happy to pick them up at your home.

Deliveries begin Thanksgiving week and we ask for donations to be **received by 12/18**

Just remember, Covid has stopped a lot of things but it has NOT stopped cancer.

Not only have patients' difficult journeys continued - they've become yet more stressful, lonely and even isolating.

Let's help them remember that we're all with them in thought and spirit.
