

Subscribing to the SJPrep Hockey Calendar

The Main event calendar can be found on the Calendar page at:

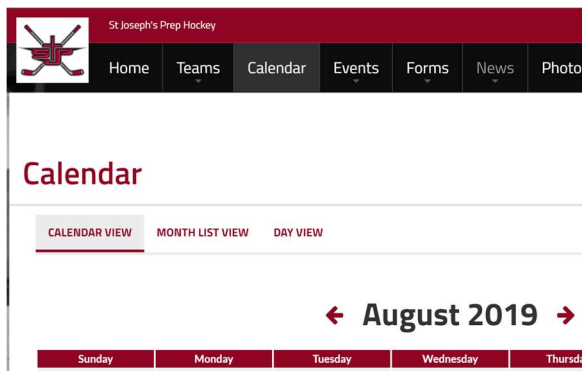

www.sjprephockey.org

By default this calendar will show all events across the Hockey club including all teams.

To subscribe to the calendar and have the events appear on your personal calendar on your mobile device follow the directions below.

- 1.) Navigate to the calendar page on the main Prep hockey site:
www.sjprephockey.org

Scroll to the bottom of the page

-----NOTE about "Tags"-----

The link you copy in step 3 below will be sensitive to the events Tags you have chosen.

On the main calendar on the website click on the "Show Tag Menu" option at the bottom of the page.

Tags will allow you to filter in/out event categories that you don't want to see. For an

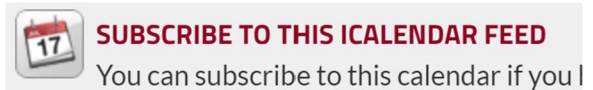

example you may want to see all of the Social and Service events and the events related to the team your son is playing on this year but you may not want to see the events specific to another team.

Be sure to deselect the events that you do not want to see before clicking the link in step 2 below.

- 2.) At the bottom of the calendar click on the link that says Subscribe to iCal feed.

- 3.) Directions will appear. The link that you need is at the bottom of the directions popup. Copy that link to your clipboard.

- 4.) Go to your preferred calendar app on your mobile and through the settings add an internet calendar. You will need the link you copied in the previous step. Eg: on most iPhones you would navigate to Settings->Calendar->Accounts->Add->Other->Subscribed Calendar
- 5.) The events from the SJPrep Hockey calendar will begin appearing on your personal calendar.
