Feedback from Past Camps...

"As a coach there is no better camp that I would want my players to attend. Great teaching, drills are superb, 2 games a day and a situation game, 3 on 3 - there is no better basketball environment in New England."

"The confidence and energy level my son gained in such a short time at RISING STAR is remarkable. Your program really builds this and his play has really picked up."

"By the end of the week I was exhausted, but it was worth it. I have a better understanding of how to work on my game."

"Any high school coach would be wise to send players from all levels of his program to RISING STAR. I can't say enough about the instruction."

WHY OUR BASKETBALL SCHOOL?

The RISING STAR Basketball School was founded with the desire to create an atmosphere to teach the game properly. Unlike many camps that emphasize "just playing" or "casual instruction", RISING STAR continually seeks to improve the ability level of our players by providing them with a superb coaching staff who oversee thorough teaching and proper repetitions. The atmosphere at our camp encourages players to improve their work ethic and skills while always fostering the importance of sportsmanship and team play.

The deterioration of skill development in the United States has been attributed to the lack of fundamentals. Players are not being taught properly, if at all. Across the country shooting, ball handling, passing and overall team concepts have suffered over the last several years.

RISING STAR values improving these very necessary skills that every aspiring player must have, regardless of level.

Teaching that reflects mastering of the fundamentals!

- Fast paced drills that reflect what you would see in a game
- 2 games per day and 8 for the week
- 3 on 3 games with your team everyday

Fundamentals...Skillwork...Confidence...Improvement

STAFF

The Rising Star Basketball School is directed by Kevin O'Brien. He brings a wealth of experience in coaching at the college level and has operated Rising Star for over 20 years.

The staff is recruited based on their ability to teach the game of basketball in an enthusiastic and professional manner. The theme of the camp is to create an atmosphere in which learning and hard work goes hand-in-hand. This is when improvement occurs.

Our Staff consists of college and high school coaches as well as college players. Many of our staff return each year with a dedicated approach to teach and encourage development in the game of basketball.

Our goal of promoting **Fundamentals...Skillwork...Confidence...Improvement** in each and every player is taken seriously! Our goal is to be the best basketball camp in New England.
