

# ROSEMOUNT IRISH HOCKEY

It's a great day for Rosemount High School BOYS Hockey!

You're receiving this letter because of your history with Rosemount High School Boys Hockey either as a former player, parent or coach. We need your help as we continue to work to make hockey safer for players & ensure families that we are doing everything we can to provide the best and safest equipment. The safety of all players is important yet the cost to provide these helmets is challenging.

Coach Ricky Saintey has set a clear vision to upgrade our helmets and design of our hockey helmets to mirror the RHS Football helmets and build a unified Rosemount Irish look to support our programs. We are set to purchase 40 new Bauer RE-AKT helmets with this brand new design...

This is where you come in. The cost of upgrading our helmets is significant and will cost north of \$10,000 or around \$250 per helmet. We're asking for your help by purchasing a helmet for a program. If you can't purchase a helmet, please consider purchasing a half helmet or making a donation. If you would like to purchase more than one we would certainly welcome that too. All support is greatly appreciated!

Please simply fill out the HELMET DONATION form and mail it back to us with your check or go the [rosemonthockey.com](http://rosemonthockey.com) for link to donate. All donations received by October 30 will be recognized in our 2018 RHS hockey program & website. We are counting on you to help us keep these young men playing hockey and keeping hockey safe for these athletes.

Thank you & #GO IRISH,

Ricky Saintey

RHS Hockey Head Coach
