Arena Manager Report: Rink Teck will be here tomorrow. They should have a final answer as to when we will be ready. Hoping to be fixed tomorrow, refill the system with Glycol and turn on by end of the week. Plan for games and tournaments would be to staff two employees at a time so they will not help with Chuck-a-puck. He would like this event to be association driven. Nikki suggested this be part of chuck a puck volunteer duties. City would like to move the trophy cases so there is more room by office. Cory is willing to help if we need any advertising boards down or help putting any up. Dryland room supervision – will someone be in there? Will provide new backboard. Video board to be taken down. Jason Bush will work on getting Livebarn up and running.

Finance Report: TABLED.

Pull Tab Report: TABLED

ACE Coordinator Report: Registration is working on solidifying rosters. Mouthguards must be tethered and goalies must have neck guards.

Committee Reports: Jason Bush is working on advertisers. Working on selling the penalty box doors.

OLD BUSINESS

- A. Game Jerseys Update: Nikki is waiting on next steps – all jerseys have to have the stop sign on them.
- B. Vision 2025: No update.
- C. Dryland Improvement: Started on cleaning
- D. Coaches Room: Working on it.
- E. DIBS Training: Nikki will check on this.
- F. Parade's: Worked well with just the side by side and kids rollerblading. Do not trailer Zamboni in the future. Could we swap out tires and drive it to Turkey day parade?
- G. Driveway Art: Josh will check with Bedford's about making a stencil. Nikki will get him the information.

NEW BUSINESS

- A. Annual Schedule
 - i. Schedule Team Meetings – To Coincide to Project Hockey can attend?
 - ii. Picture Night
 - iii. Hockey Supplies – Pucks etc. – moving over hockey stuff from office to concessions?
 - iv. Finalize all referees and coaches have had proper training and certification.
- B. Updates from District 4 Meeting
 - a. Will be required to have locker room monitor at all times. Mites can have as many cross ice games as they want. Full ice must be approved. Max amount of full ice games is 6 per mite team but must be 8 years old. Looking to redistrict and potentially move Marshall and Redwood to D5 everyone else would be District 9 but split into East and West. All districts

must approve this and then would need to be approved by MN hockey. Mite summit is October 28th in Mankato. No district or region tournaments were offered to Worthington.

There are not enough of these for each town to have one every year.

- C. Warriors vs. Wombats: Trying to make it a big event of it! Will be November 18 at 7:00.
- D. MN Wild Fundraiser: WHA has been awarded November 4th game to sell programs. Need 20 kids and 10 adults. Free ticket to game but will likely standing room only. Be up there by 5:15. Half hour to train and WHA gets all proceeds. Recommend ages 6-13. Sell through end of 1st period.
- E. Rambo: Tracy sent art to art team. Should have samples later this week.

The next meeting will be Monday, November 6, 2023 at 7:00 p.m.

A motion was made by Jason Bush to adjourn the meeting at 8:44 p.m., seconded by Matt Kennedy and unanimously supported. Motion carried.

Respectfully Submitted; Jason M. Johnson - Secretary
