SMV Gold 10s/11s/12s Teams: 4th, 5th & 6th Grades

- Gold teams are geared towards players that are new to team volleyball experience, however we recommend some prior experience in a Volley-Tots, Mini-Ball program or some other similar intro to volleyball. Players must be in 4th, 5th or 6th Grade. Players will be introduced to basic volleyball skills and team play.
- Registration will open on October 1st and “tryouts” will take place on October 7th at the same time as the 12 Silver team tryouts. Players can pre-register online but must attend tryouts on the 7th.
- SMV will have two or three teams in the Gold Program, with 9-11 players per team.
- The registration form will be on our web site under SMV 12 Tryouts. There are no actual “tryouts” for this program. We will take 20 players for the Gold program and if we have enough players sign up, we will try to find coaches for an additional team.
- The season runs from Dec 4, 2018, to Mar. 30, 2019, 3 1/2 months.
- Teams practice two nights per week, T-Th, 6-7:30pm, starting Tue., Dec 4 through Thurs., Mar. 28.
- Teams will play in six one-day events (tournament or play days) on a Saturday or Sunday, against other area teams, all at the National Volleyball Center (NVC), in Rochester.
- Uniforms, insurance, gym rental, USAV membership, coaches’ fees and tournament entry fees are all included in the participation fee.
- The base fee for the season is \$400. A deposit of \$200 is required at the time of registration. The deposit and other payments may be made by cash or credit card. Payments for the remaining balance may be paid-in-full at the time of registration or by Sunday, Jan.15, 2019, or by a monthly payment plan during the season as noted on the posted payment options schedule at additional cost.

SMV Silver 11/12s Teams:

How to reduce your SMV fees:

- Pay for the season in full by cash or check by January 15, 2018. Additional fees are applied for payment plans where RYVA will invoice monthly and track payment progress throughout the season.
- Sell RYVA/SMV advertising space at NVC, on team uniforms or on our web site, 80% of net add sales go to reduce the player's participant fees.
- Sign up "sponsors" for RYVA/SMV programs, 33% of sponsorship money collected will go to reduce the player's participant fees.
- Work at tournaments RYVA/RASC host at NVC and RCTC, (selling Side Out merchandise, admission tickets, t-shirts, court management help, set up and take down help, clean up help), receive \$45 credit toward participation fees for 2.5-3.0 hours of work. Each event will have 25-60 work slots. Black team parents will have the first opportunity to sign up three weeks prior to the event. Silver parents can sign up two weeks prior to the events and Silver and Black parents can sign up for additional remaining work slots during the last week prior to the event. Gold team parents are NOT allowed to participate in this work/credit program.
- If you have had past experience as a Court Manager, apply to be a Site Manager at our events. \$90 for a 5-7 hour shift, 2-4 shifts per day at each of our eight tournaments.
- Note, each year we have several parents that reduce their participation fees by 75% or more, even for some that participate with the Black team programs. More typical is \$300-\$600 fee reduction achieved by a variety of the plans noted above.
- Money raised to reduce player fees will be credited to the players account. If the account is paid-in-full, a refund check will be sent out monthly. If the account is being paid monthly, credits will be applied to the last monthly payment first. If money's raised exceed the total participants fee, the excess amount will be credited to the RYVA General Fund used to support RYVA programs.

WHY SMV

- Operated by an all volunteer board of experienced volleyball leaders and coaches from the SE Minnesota community.
- Non-profit, only coach's fees are paid out of the players fees. All administration fees, equipment fees, insurance fees are paid from RYVA event revenues. Players only pay for the cost to participate.
- **AGAIN THIS YEAR**
 - **All late practice sessions will end at 9:30pm**
 - **All 13s and older teams will participate in the SMV Clinic on Dec 15, Clinician TBD**
- SMV is open to ALL volleyball players from any community, wanting to compete at the highest level in SE Minnesota, and who are willing to work hard and train with other players that have similar goals. Because we have players from all areas of SE MN, IA and WI, players have the opportunity to establish new friendships that go well beyond competition.
- RYVA offers parents a variety of ways to be involved with the volleyball program and reduce your daughter's participation fees. However, there is no mandatory requirement to sell products, work or assist in any way.
- For SMV Black program teams, a volleyball specific conditioning, physical training and core development program is part of every practice. This is provided in a separate session before or after the scheduled court practice time and lead by a Certified Personal Trainer.
