

Thank you for taking the time to consider sponsoring our synchronized skating team! We compete in the Midwest division and represent the Starlights Synchronized Skating Club, a member of the Skokie Valley Skating Club within U.S. Figure Skating. Our teams compete in local, regional, national, and international synchronized skating competitions. Last season one of our teams competed in both Berlin and Paris as a representative of Team USA.

Funds received from our sponsors help offset the many costs associated with our amazing sport, including: travel expenses, competition costs, and use of ice rinks. These funds augment those provided by the parents and raised from other fundraising efforts. Your support is greatly appreciated by the skaters and the many volunteers who make this organization succeed in providing a healthy and constructive activity for our youth!

Five sponsorship options are available (details are on the next page):

Starburst	\$1,500
Shooting Star	\$750
Twizzling Star	\$500
Twinkling Star	\$250
Star	\$150

We appreciate your generosity and continued support of our skating athletes. By making a tax-deductible donation to the Starlights Synchronized Skating Club, you become an important part of our community and help make all of the teams within the Starlights Synchronized Skating Club a success. The Starlights is an Internal Revenue Code section 501(c)(3) non-profit organization; our tax ID# is 36-4450264.
