Please read below for pertinent league information from the desk of
EJEPL Commissioner, Henry Lazar

To All:

Hope all is well with all of you. The two annual Zoom meetings were very successful and were well received. Attached to this newsletter will be the Manager's / Coaches Guide and the slide presentation. Please feel free to call me with any questions. As of today, there has been a lot of government progress toward opening up various states and we look forward to all being back on the ice very soon.

TEAM DECLARATION AND ORGANIZATION INFORMATION SHEETS

These two documents are **due by July 15th**. If an organization has any issues, the organization will discuss with Jon, Larry or me when we make our calls. As I stated on the ZOOM call, the EJEPL will work with every organization's unique circumstances to ensure a great season.

Calls will be made during the period of July 6-12.

The League secretary, Nicole Dipaolo will create the 20-21 League directory as soon as possible after receipt of the organization information sheets. The USPHL and Girls will also be included in this year's directory.
