ANNOUNCEMENT

Bebe Liang & Brianna Weissmann, Co-Directors would like to invite you to be a part of our Holiday Show Production, "Under the Big Top." Let the magic of the holidays fill your hearts as our favorite carnival acts come to life on the ice!

There is a place for everyone in the show, no matter the level. This semi-professional show is a big hit each year and a great experience in performing for the cast member. **The application fee will secure your skaters spot in one of our group production numbers. Once you have submitted the skaters online applications for their group number, they will have the opportunity to reserve an audition spot for a featured role. Audition sign-ups for featured step-outs in the show are optional and open to skaters that have completed Gamma class and are ages 6 and above. Skaters are not required to audition for a featured role. Auditions will require each individual skater to have a fully choreographed program with music and costume. If your skater receives a featured role there will be a separate solo fee of \$58.00 and/or step out, duet or trio \$37.00 fee.** Costume fees will apply if required. Their audition program should showcase their skating as well as acting and performance skills. All audition music must be on a key-tag. Cast members should be fully committed to this production. The deadline for getting your application in is Tuesday, October 8th. This show attracts some great skating talent and is sure to put you in the Holiday spirit, so join one of TSPC's best annual traditions!
