6. VP Report (Brian)

- No report this month

7. Presidents Report (Crissy)

- Update on volunteer coordinators and important upcoming dates
 - Coordinators - only in need of a sandwich coordinator and team photographers. We are sitting in a really good spot this year.
 - The freshman parents are doing an amazing job of signing up ahead of time this year and we already have many concession spots filled and a few chain spots filled.
 - July 14 - 17th is Team Camp
 - July 17th will be the watermelon feed after the scrimmages. Kim Roberto, Emily Moravec, and the cheer team will be working on that. We need to have tables set out along the side of the school and garbage cans out for all the trash. If you are coming to watch that day and can bring a cutting board and knife that would be great.
 - July 23- 25 Southwest State Camp
 - Do we want to make an option for electronic payment for the bus, or just stick to checks only?
 - Registration Meeting July 31st 6pm
 - If anyone wants to help with our QB club slides for that night let me know. They have nearly been the same for the past many years, so if anyone has new ideas Crissy will take them.
 - I will bring all volunteer sign up sheets, pens, and tape
 - The day before I will make the G sheet uneditable so we do not end up with duplicate sign ups and I will make it editable again after the 1st of August
 - Jeff will talk about the new volunteer policy?
 - Parents/guardians will have to sign up for two volunteer spots and then after that date we will assign them.
 - Martina - talk about fundraising
 - Crissy would love any board members that can be at the meeting early to be there to help with sign ups and questions
 - Please let everyone know that we would like everyone to sign up for QB club and if they are not because of financial reasons that we can help them and they should find me
 - Crissy will have QR codes at the registration meeting for players/parents to be able to order sandwiches for Two a days. Families will have one week to sign up for sandwiches, orders will be due Thursday, Aug 7th

- Tracy- will create a payment option on square for practice day sandwiches
- Seniors will also get a hand out with a QR code to fill out a google form for the program
