Preface:

This book is written for fencers, coaches and parents to help them gain an understanding of the competitive and developmental programs of USA Fencing. It contains information that will allow fencers to progress in the sport of fencing to as high a level as they are capable. Lack of familiarity with the information contained herein is not justification for an appeal. When there are modifications to any of the programs described herein, such changes will be posted to the USA Fencing website at www.usafencing.org/manuals. The posted Athlete Handbook will be updated and an e-blast (USA Fencing E-Newsletter) will be sent to the membership notifying them of the changes to the Handbook. All National Team changes must have the explicit approval of the national coach or coaches and the Director of Sports Performance.
Details on the operations of the organization are described in the latest edition of the USA Fencing Operations Manual available on the USA Fencing website at www.usafencing.org/manuals. The Operations Manual explains the competitive opportunities for all members and the manner in which competitions should operate within the tenets of the organization and the sport.

The Athlete Handbook and Operations Manual provide fencers, coaches, administrators, and parents the information pertinent to all aspects of USA Fencing programs.

Periodically, USA Fencing and the National Weapon Coaches will communicate by email special notices to the membership and/or fencers on the National Point Standings. Fencers must keep the USA Fencing National Office informed of their current email address as this is the primary communication path to fencers and coaches associated with weapon squad programs, team notifications, and updates to the Handbook. It is just as important that fencers keep the National Office updated with respect to one’s current mailing address to ensure receipt of information mailed by USA Fencing and the National Weapons Coaches. USA Fencing will post the latest information on the USA Fencing website. You can contact USA Fencing by email: information@usafencing.org

The current Athlete Handbook is the source book for details on elite athlete programs: National Point Standings, team selection and international competitions. Nothing in this Handbook overrides the rules of fencing unless specifically noted. Changes in selection procedures will only be valid if communicated in writing by direct communication to athletes in the top 24 in Senior, top 16 in Junior, top 12 in Cadet and/or top 8 in Youth 14 rolling point standings and posted on the USA Fencing website as well as modified in the Athlete Handbook.

Fencers who have questions regarding their opportunity to compete that are not answered by USA Fencing may contact the Office of the Athlete Ombuds. The Office of the Athlete Ombuds offers independent, confidential advice to elite athletes regarding their rights and responsibilities in the Olympic and Paralympic Movement, and assists athletes with a broad range of questions, disputes, complaints and concerns.

Chapter 1 - USA Fencing Membership/International Competitive License

1.0 How to Become a USA Fencing Member

You must have a current USA Fencing Competitive level membership to participate in USA Fencing sanctioned events. Starting in 2021-22, an Access Membership will permit unlimited competition at all sanctioned local tournaments including division qualifiers. A Competitive Membership is required to compete at regional or national sanctioned tournaments. To become a USA Fencing member, visit the USA Fencing website, usafencing.org, where you can use the online registration system HERE. Please note that there will be a $10 fee for all paper applications. Please be aware that USA Fencing cannot consider you a member in good standing or provide proof of membership until the application and dues have been processed by the USA Fencing National Office (“National Office”). If one registers at a local event, or submits a paper form, it is the individual's responsibility to ensure that the application is received by the National Office.

1.1 Age/Citizenship

Competitive, Collegiate Competitive members and International Competitive License holders are encouraged to have their birth date and citizenship or permanent resident status verified by USA Fencing. Please email a photocopy (scanned or picture from camera/phone) of your birth certificate, passport, green card, driver’s license and/or other legal document clearly showing date of birth and citizenship. Email documents to Member Services at information@usafencing.org. Once your birth date has been verified, you do not need to do this again.

Birth year verification is reflected on your membership card. To print a copy of your card, log in to your USA Fencing member profile at member.usafencing.org and select “View Membership Card” and then print. You can also purchase a plastic member card through your USA Fencing membership profile.

1.2 Division Affiliation

A member can declare a division affiliation based on his or her residence, location of the school that member is attending or location of the primary club that the member will represent in USA Fencing competitions. Each fencing season, a member must declare the division affiliation for that membership year. That division is the one from which the fencer must qualify to the USA Fencing National Championships. The member may request a change in division if he or she moves to a new geographic location (permanent residence or school) or selects a primary club which is located in a different division, and notifies the National Office in writing of the new address and division change request. Members who are living or working for an extended period of time outside of the United States or on active military duty can request “national” division affiliation; supporting documentation must be submitted to information@usafencing.org.

Foreign fencers living in the United States shall declare division affiliation designations at event registration for seeding conflict resolution purposes.

1.3 International Competitive License
Fencers who are not US citizens – or are not eligible to represent the USA here must have a current USA Fencing International Competitive License to participate in regional or national sanctioned tournaments. An Access membership is permitted for non-USA citizens to compete in sanctioned local tournaments.

National tournaments. To obtain an International License, visit the USA Fencing website at usafencing.org, or you can use the online registration system HERE. Please note that there will be a $10 fee for all paper license applications. Please be aware that USA Fencing cannot consider your International Competitive License valid until the application and dues have been processed by the USA Fencing National Office (“National Office”). If one registers at a local or regional event, or submits a paper form, it is the individual’s responsibility to ensure that the application is received by the National Office.

1.3.1 Age/Citizenship

Athletes with an International Competitive License must have their birth date, citizenship, representation status and residence address verified by USA Fencing. Please email a photocopy (scanned or picture from camera/phone) of your birth certificate, passport, driver’s license and/or other legal document clearly showing date of birth and citizenship. Email documents to Member Services at information@usafencing.org. Once your birth date has been verified, you do not need to do this again.

Birth year verification is reflected on your International Competitive License. To print a copy of your license, log into your USA Fencing profile at member.usafencing.org and select Print International Competitive License. You can also purchase a plastic member card through your USA Fencing membership profile.

1.5 Club Representation and Affiliation

The term “club” as used in this chapter, includes any organized fencing group of individual members with a current USA Fencing Affiliate or Premium Club status. A recognized club is one that is in full compliance with all USA Fencing Safe Sport policies related to coaches, staff, board members and anyone authorized, appointed or approved to have regular contact with minor athletes, has a stable organizational structure and membership, a location for regular fencing activity and a USA Fencing Coach Member providing lessons and training. The division affiliation of a club shall be the primary location where its regular fencing activity is conducted. A club may only be a member of one division.

A distinction is made between club “affiliation” and “representation.” A fencer may be affiliated with more than one club, but can only represent one of them (except as noted below) in USA Fencing competitions at one time. An athlete’s club representation is based on current Premium or Affiliate clubs. Athletes, who represent a non-USA Fencing clubs will be considered “unattached.” This includes clubs who are not current at the time of the competition, regardless of the club’s history of membership. All clubs must be 100% complaint with Safe Sport policy for an individual to represent the club at a sanctioned competition.

All fencers should notify the National Office of all club affiliations at the start of the fencing season and, as such, club affiliation changes during the fencing season. All fencers will have the ability to update their club affiliation in their membership profile twice per season. They should also notify competition organizers of such affiliations, even if representing another club (or school) or fencing unattached for reasons given below. Competition organizers should apply the same criteria for separating fencers with the same club affiliations as they do for fencers with same club representation. Only current USA Fencing clubs will be listed in the membership database. You cannot affiliate with a non-member club. Only the club listed in the athlete’s membership profile will be considered
valid. Club affiliations are dependent on the date tournament organizers download the entrants for a tournament. Please note this could be up to 2 weeks prior to the start of competition.

A collegiate fencer, who is also a member of another recognized club, may represent his or her school in dual meets and other intercollegiate competitions, and also represent the other club in USA Fencing competitions. If the rules of his or her school conference require it, he or she may represent his or her school or fence unattached at all USA Fencing individual competitions held during the school’s fencing season or, in the case of collegiate fencers, during the period in which NCAA rules regarding playing dates have jurisdiction. Such fencers may represent their other club during the other portions of the fencing season. Athletes should inform the National Office of their collegiate representation; this information will be used in accordance with fencing rule o.13.

Any request for club change beyond the parameters noted above requires special permission from the USA Fencing Board of Directors or its designee.

The fencer/club representation relationship may be terminated at any time by either party (fencer or club) by written notice provided to the National Office. [BOD, July 2007] USA Fencing reserves the right to cancel a club’s membership at any time and thus, remove that club affiliation with individual fencers.

1.6 USA Fencing Club Information

**Premium Club:** Premium clubs receive insurance coverage through USA Fencing policy. All members of USA Fencing Member Clubs must be individual members of USA Fencing, and all coaches must be Coach Members of USA Fencing. In addition, all staff members who interact with members on a regular basis are required to carry a +CheckEd add-on to their base USA Fencing membership.

**Affiliate Club:** Affiliate clubs are allowed to enter teams to Championship Team Competition (at JOs, Div I National Championships and USA Fencing National Championships), but they do not participate in the USA Fencing insurance program and have no liability coverage through USA Fencing. Even so all coaches must be Coach Members of USA Fencing. In addition, all staff members who interact with members on a regular basis are required to carry a +CheckEd add-on to their base USA Fencing membership.

**Insurance:** Insurance Information

**Collegiate Club:** Colleges and/or universities that sponsor a fencing club can join USA Fencing as Collegiate Clubs. Members of the team are eligible for the discounted Collegiate Competitive membership registered as individual Collegiate Competitive members and can earn USA Fencing recognized ratings at sanctioned USA Fencing tournaments. Collegiate Competitive members can fence in USA Fencing sanctioned tournaments as long as they meet the age, classification and citizenship criteria for the particular events.
Chapter 2 - Domestic Competitions

2.0 General Definitions

An event (or competition) is the aggregate of the bouts (in individual competitions) or of the matches (in team competitions) that determine the winner of the event. Competitions are categorized by weapons, by gender, by age, by classification and by individual competition vs. team competition.

A tournament consists of several events held at the same venue in the same period of time.

All USA Fencing sanctioned events must have at least one rated referee. Click here for a current list of rated referees. All tournament officials must be compliant with the USA Fencing Safe Sport Policy, including maintaining a current background check. In addition, all officials must complete the free, online Safe Sport Training Course and have a completed, and returned with a green light, background check.

For more information on the latest edition and/or any relevant updates of the USA Fencing Rules for Competition, refer to the USA Fencing website under About Us/Manuals. Please refer to the Referees’ Commission website or email RCRulesandExams@refereescommission.org for any questions regarding the rules of competition.

For information on black cards, medical withdrawal, and no shows, see the Appendices.

2.1 Classifications

2.1.1 What are Classifications?

Fencers are classified into the following letter classifications: A (highest), B, C, D, E and U (unclassified, lowest) as well as by national ranking, for those who achieved points at national events. These provide an objective scale for the seeding of competitions. Classifications are written A18, B17, C19, etc. with the letter indicating the most recent year in which the classification was earned or re-earned. Classifications provide a measuring standard for fencers as they progress through the sport.

Classifications are available on the USA Fencing Member List and are searchable by last name, first name, membership number, division or representing country and are updated automatically on the membership listing. Classifications may also be viewed in the member’s profile at member.usafencing.org.

2.1.2 How is a Classification Earned?

Classifications are earned in each weapon at USA Fencing rated competitions at local, divisional, regional or national levels. The rating of a competition is based on number of competitors and classification of the fencers and determines the type and number of classifications awarded or revised. Please see the Appendices.

2.1.3 How are Classification Changes Made Official?

Classification changes from local tournaments must be certified and submitted by the division to classifications@usafencing.org using the Fencing Time results file, which includes the event officials and classification changes. Event officials must have a valid USA Fencing background screen and
completed SafeSport training. Classification Change Form available on the USA Fencing website by clicking here.

Complete Event Officials Forms, including valid USA Fencing background screens and SafeSport certifications must be submitted with the Classification Change Report (available here).

Classification changes from regional tournaments and division qualifiers must be certified by submission of complete results (upload) in the online tournament system by the organizer of the regional tournament or division qualifier at which the classification was earned. The results report is available as an export from Fencing Time v3.02 or later by using the Results Reporting Form (available on the USA Fencing website at usafencing.org/reporting). Division qualifiers must be submitted to the National Office with the classification change report and the referee usage report or with the Fencing Time results file. Classification changes will be processed and posted once results and referee reports are verified and applicable program fees are received by the National Office.

Regional organizers are required to upload classification changes within 72 hours (3 days) from the competition or tournament end date. Failure to report classification changes may affect an individual fencer's seeding and/or the rating of the competition the fencer is participating in. In addition, it will affect an organizer's status in future bidding.

Only classifications appearing on the membership listings available on the USA Fencing website are official. Only these listings should be used when seeding tournaments. Results and classification changes, posted on non-USA Fencing tournament registration sites, must be verified by USA Fencing. If a classification has not been updated on the USA Fencing website, the fencer should first contact the tournament organizer or the appropriate division officer to determine if the change form has been submitted.

Once a report is submitted to the National Office, and any associated fees have been collected, the classification change will be updated within five business days, except in the following situations:

1. Classifications will not be awarded to fencers who compete in competitions in which they are considered age and/or classification ineligible. In addition, such ineligible fencers may not be used to calculate the new classifications earned by others in those events.

2. For events in which any fencers are not current USA Fencing Competitive members, the award of any new classifications, points or qualification for that competition may be delayed or withheld until such memberships are properly paid and processed.

3. Organizers submitting classification changes from RYC, SYC, ROC or RJCC tournaments have not yet submitted the required program support fees and/or results/referee reports to the National Office.

Should an athlete representing the USA earn a classification based on the classification chart, he/she must contact the National Office to update classification.

2.1.4 How long is a classification valid?

Classifications are valid for four seasons after they are earned. If, after four seasons, the classification has not been renewed, it then reverts to the next lowest letter and the then current year. Such change will be effective at the beginning of the new fencing season – August 1. For example, if you earned a B in 2010 (B10) and did not re-earn your B for four more years, your B became a C14 on August 1, 2014. If you then did not renew your C14 for four more years, it becomes a D18 on August 1, 2018.
2.1.5 How to Determine Classifications for Foreign Fencers

Classifications for foreign fencers will be determined by placement at an FIE World Championships, Grand Prix or World Cup in the current season and/or previous three seasons in the weapon in which the athlete requests entry, based on the chart below:

<table>
<thead>
<tr>
<th></th>
<th>A</th>
<th>B</th>
<th>C</th>
</tr>
</thead>
<tbody>
<tr>
<td>Senior</td>
<td>1st – 64th</td>
<td>65th – 96th</td>
<td>National Team member</td>
</tr>
<tr>
<td>Junior</td>
<td>1st – 32nd</td>
<td>33rd – 64th</td>
<td>National Team member</td>
</tr>
<tr>
<td>Cadet</td>
<td>1st – 16th at Cadet World Championships</td>
<td>17th – 32nd at Cadet World Championships</td>
<td>National Team member</td>
</tr>
<tr>
<td>Veteran 50 – 59</td>
<td>1st – 3rd at Veteran World Championships</td>
<td>5th – 8th at Veteran World Championships</td>

<td></td>
</tr>
<tr>

</tr>
</tbody>
</table>

In all cases, the classification year suffix is the year in which the result was earned. If nothing is known about the fencer, the National Events Department will consult with the National Weapon Coach or Senior Director of Sports Performance regarding which classification should be used.

National Team member is defined as a fencer that has represented another nation in international competition and/or has been entered by another nation into a USA Fencing competition.

2.2 Types of Domestic Competitions

2.2.1 Local Competitions

A wide variety of competitions can be found at the local level in clubs or sponsored by local organizations. Schedules for these competitions can be found by contacting your division. Division contact information is available on the USA Fencing website (Division Information) or by emailing information@usafencing.org.
2.2.2 Division Competitions

Divisions hold many different competitions, including qualifying competitions for the Junior Olympic Fencing Championships (JOs) and the USA Fencing National Championships (Divisions II and III, Y14, Veteran). Schedules for these competitions can be found by contacting the member’s division, or by visiting the appropriate website. Division contact information is available on the USA Fencing website (Division Information) or by emailing information@usafencing.org.

2.2.3 Regional Competitions

The USA Fencing Region Map is located at https://www.usafencing.org/regional-info and in the Appendices. A calendar of regional events can be found on the USA Fencing website (usafencing.org/regional-calendar).

Regional Open Circuit (ROC): The ROCs serve as one of the qualification paths for certain events at the USA National Fencing Championships and July Challenge. There are no national points awarded at ROC competitions; please refer to Chapter 3 for more information on the regional point structure. For a schedule of ROCs, please visit www.usafencing.org/regional-calendar.

Regional Junior/Cadet Circuit (RJCC): The RJCCs serve as one of the qualification paths for Junior Olympic Fencing Championships and the July Challenge. There are no national points awarded at RJCC competitions; please refer to Chapter 3 for more information on the Regional Point structure. For a schedule of RJCCs, please visit www.usafencing.org/regional-calendar.

Super Junior/Cadet Circuit (SJCC): There will be 1-2 SJCC tournaments during the 2021-2022 season. Junior and cadet age fencers may participate in the Super Junior/Cadet Circuit; however, only the single best result is counted in the revised National Point Standings.

Super Youth Circuit (SYC): There are numerous SYC tournaments throughout the country for Y10, Y12 and Y14 athletes. Youth fencers may participate in one or more Super Youth tournaments; however, only the single best result is included in the revised National Point Standings published after each SYC.

International Regional Circuit (IRC): There are no IRC competitions scheduled during the 2021-2022 season.

Information for future seasons:
There may be two or more International Regional Circuit tournaments held outside the United States. Athletes that place in the top 32 of the combined IRC list for Junior and Cadet, are eligible to compete in these events at the July Challenge. In addition, youth athletes that fencing in an IRC in Y10, Y12 and/or Y14 will meet the prerequisite for fencing in the March Youth NAC.

National points are awarded to the top 40 percent at an SYC competition according to the point table in the Appendix. These competitions are one of the qualification paths for Y10 and Y12 events at the March NAC and the USA National Fencing Championships. Please refer to Chapter 3 for more information on the Youth Point structure. For a schedule of SYCs, visit www.usafencing.org/regional-calendar.
Regional Youth Circuit (RYC): The RYC tournaments are held throughout the season for Y10, Y12 and Y14 athletes. These competitions are one of the qualification paths for Y10 and Y12 events at the March NAC and the USA Fencing National Championships. Please refer to Chapter 3 for more information on the Regional Point structure. For a schedule of RYCs, please visit www.usafencing.org/regional-calendar.

High School Fencing: High school fencing tournaments are held throughout the season for athletes in 9th – 12th grade. The goal of this program is to continue to motivate developing high school athletes to participate in high school tournaments/leagues throughout the competitive season.

There are no national or regional points awarded at recognized high school competitions. However, those athletes with a current USA Fencing High School or Competitive membership may earn classifications based on the total number that fence and the current classification of those fencers in the high school individual event. The athlete would have to be a current member as of, or during the particular tournament to receive a classification change. Those that do not have a current USA Fencing High School or Competitive membership will not receive classification changes. High school recognized tournaments are not required to meet the C1 tournament requirement to award classifications. These competitions are not a qualification path for the USA Fencing National Championships.

During the 2021-22 season, local and regional tournaments may be capped due to COVID 19 and the local/state/CDC restrictions around sport gatherings. For more information on capping, click HERE.

2.2.4 National Tournaments and Championships

A schedule of all events and deadlines can be found online at www.usafencing.org/national-events-calendar.

North American Cup (NAC): The North American Cup Tournaments are a series of tournaments organized by USA Fencing (Y10, Y12, Y14, Cadet, Junior, Div I, Div II, Div III, Vet Open, Vet Age, Para, and Cadet/Y14/Junior/Senior Team). For Div I NACs, athletes must meet the criteria for a “C” or better classification at the time of their entry*. For Div II NACs, athletes must meet the age and classification criteria (“C” or lower classification) at the time of their entry. For Div III NACs, athletes must meet the age and classification criteria for a (“D” or lower classification) at the time of their entry.

Junior Olympic Fencing Championship (JOs): The Junior Olympic Fencing Championships are held each year in February. JOs is the National Championships for Cadet, Junior and Junior Team in each of the six weapons. Fencers must be a U.S. citizen or Permanent Resident, meet age criteria and qualify to compete in this tournament. Athletes that have represented another country in the last three years at FIE level competitions (Veteran/Senior/Junior and those athletes that represented another country in the Cadet World Championships) are not eligible to compete in a National Championship.

Division I National Championships: The Div I National Championships, held in conjunction with the April NAC, are championships for fencers on the National Senior Rolling Point Standings for Seniors, Juniors and the top Cadets on their respective Point Standings. Competitors must be U.S. citizens or Permanent Residents. Fencers qualify for these Championships via the National Rolling Point Standings, top placements from the last Div IA and Div II National Championships and via modern pentathlon.
Athletes that have represented another country in the least three years at FIE level competitions (Veteran/Senior/Junior and those athletes that represented another country in the Cadet World Championships) are not eligible to compete in a National Championship, unless the athlete has been officially approved by the FIE to represent the USA.

**Parafencing National Championship:** The Para National Championship is held in conjunction with either the March or April NAC tournaments. Competitors must be U.S. citizens or Permanent Residents.

**USA Fencing National Championships (Nationals):** The USA Fencing National Championships are held in June/July. Fencers must be U.S. citizens or Permanent Residents and qualify to compete in this tournament. Events in these Championships include (in all six weapons): Y10, Y12, Y14, Veteran 40-49, Veteran 50-59, Veteran 60-69, Veteran 70+, Veteran 80, Div I A, Div II and Div III. For classification restricted championship events (Div II/ Div III), the classification of the fencer at the time of qualification determines eligibility to compete.

Athletes that have represented another country in the least three years at FIE level competitions (Veteran/Senior/Junior and those athletes that represented another country in the Cadet World Championships) are not eligible to compete in a National Championship, unless the athlete has been officially approved by the FIE to represent the USA.

**July Challenge:** This competition occurs in conjunction with the USA Fencing National Championships and is a restricted competition based upon eligibility criteria listed in paragraphs 2.11.5.3 & 2.12.5.8. The Div I and Senior Team (composite team) events held at the July Challenge mark the beginning of the domestic cycle for the Div I season. Those athletes in the National Division must meet the event criteria for the July Challenge.

### 2.3 Entering Competitions/Tournaments

#### 2.3.1 Local/Divisional Competitions

Entry procedures for these competitions vary from competition to competition. Contact the organizers of the competitions to determine their procedures. You must register following the organizer’s procedures. Registrations for these tournaments are not currently processed through the National Office.

#### 2.3.2 Regional Tournaments (RYC, SYC, RJCC, ROC, SJCC, IRC)

Links to online entry forms for these competitions are available on the USA Fencing website ([usafencing.org/regional-events](http://usafencing.org/regional-events)). Only tournaments posted on the USA Fencing Regional Event Calendar are recognized as regional tournaments. Registrations for these competitions will be processed through the National Office. **There are no IRC competitions scheduled during the 2021-2022 season.**

#### 2.3.3 Cancellation, Delay, or Rescheduling of Events due to Extreme Weather or Catastrophe

In extreme circumstances, regional tournaments may be cancelled, delayed or rescheduled by the majority decision of a group composed of the Tournament Organizer, the USA Fencing Director of Operations, the relevant Regional Manager and/or the Executive Director. USA Fencing has the right to require any Regional Tournament Organizer to cancel, delay or reschedule a regional tournament in the best interest of the membership due to unforeseen extreme weather occurrences or other
catastrophic circumstances. Organizers must include in their public tournament information page their refund policy in the case that a catastrophic event causes the cancellation, delay or rescheduling of their tournament.

Regional tournaments which are cancelled due to no fault of the organizer will be rescheduled, if possible, within the season for which the tournament was awarded.

Organizers may NOT cancel, delay or reschedule a regional tournament without the approval of the aforementioned group. Tournament organizers cancelling an ROC, SYC, RJCC, RYC or IRC without approval shall refund all monies paid by registered tournament entrants, including fees associated with non-ROC, non-RJCC, non-RYC or non–SYC events. If such cancellation is made unreasonably and/or on short notice, the tournament organizer may additionally be held responsible for reimbursement of expenses incurred by tournament entrants, and organizers are strongly encouraged to maintain general business liability insurance to provide for such an eventuality. In no event will USA Fencing be held responsible for the refund or reimbursement of any such fees or expenses, and by bidding, tournament organizers agree to hold USA Fencing harmless and to indemnify USA Fencing against any claims made by tournament entrants as a result of the cancellation of a tournament or as a result of the withdrawal of sanction by USA Fencing.

2.4 USA Fencing National Tournaments

For registration accuracy, speed and environmental reasons, USA Fencing uses an online registration system. The online registration system generates a receipt of payment upon processing of a valid payment. Paper entry forms are also available to be emailed, mailed or faxed to the National Office. For faster processing of paper entries, email your form to nationalevents@usafencing.org. There will be a $20 fee assessed to all paper entry forms. All entries, regardless of method, must be received at the National Office by the published deadline for that tournament. Qualification is required for any Championship tournament.

For National Championships, entries remain pending until qualification is determined. Once the event has been confirmed for the athlete, an email will be sent via the database system and it will state that the athlete has been approved for that particular event. If the National Office is unclear how the athlete qualified, or if the athlete did not qualify or the path with which they qualified is undetermined, the system will generate an ineligible email in an effort to get more information.

**Deadlines for entry are strictly enforced.** Deadlines are published on the USA Fencing website, on the online registration system and on the paper entry forms. Postmarks are not considered; entries must arrive at the National Office by the posted deadline. Online entries must be submitted by 11:59:59 p.m. Pacific Time of the posted deadline date.

If late entries are accepted online only for a specified time frame, with payment of triple the total amount due for regular entries up to the posted late entry deadline date by 11:59:59 p.m. Pacific Time. For a refund of 50% of the event fee(s), all withdrawals must be received by the National Office by the posted withdrawal deadline. Registration and processing fees are nonrefundable and nontransferable. To withdraw from a tournament, email withdrawals@usafencing.org with the athlete/team name, member number, and events from which you are withdrawing. No event fee refunds will be given for withdrawals after the posted withdrawal deadline. **Event fee refunds (50% refunded for the event fee(s) only) are processed 4-6 weeks after the tournament.**

A link to the **entrants list** is posted on the specific tournament web page located on the USA Fencing website under Events – usafencing.org. It is the fencer’s responsibility to verify that the events
registered for, classification for each weapon and division information is accurate before the seeding
deadline for the tournament. Any discrepancies must be reported to the National Office
(information@usafencing.org) no later than 48 hours after the seeding for that event is posted on the
USA Fencing website. Club affiliation changes may be considered until the end of check-in for that event.

The National Coach and/or the Director of Sports Performance may make modifications to seeding
classification and ranking no later than 48 hours after the seeding for that event is posted on the USA
Fencing website.

For Championship tournaments, the online system generates separate emails for each event once
entry is approved. It is the fencer’s responsibility to verify that the Championship events registered for
have been officially approved by the National Office. Championship eligibility confirmation from clubs,
divisions, regional tournament organizers are not considered official until verified by USA Fencing.
Event fee refunds (50% of the event fee is eligible for a refund) will be processed by the National Office
for any events where an athlete fails to qualify.

Event fee refunds are processed 4-6 weeks after the tournament. There are no event fee refunds after
the posted deadline for the tournament.

2.5 Eligibility to Compete

Fencers must be current Competitive USA Fencing members in good standing or hold a current
International Competitive License to compete in specified USA Fencing sanctioned national competitions.
International Fencers, competing in sanctioned local or regional tournaments, can purchase an
International Competitive License prior to registering for these tournament types. Supporting members
are not eligible to fence in any USA Fencing sanctioned competition. Non-Competitive membership
categories are eligible to compete in one local USA Fencing sanctioned competition, per season. The
High School membership category is specifically for High School competitions and this membership
type is not eligible to compete in any USA Fencing sanctioned competitions.

Fencers must meet age and/or eligibility requirements found in the chart on the next page. For locally
sanctioned classification restricted tournaments, eligibility is determined based on the classification
at the time of a fully completed and paid registration. For division qualifiers, eligibility is determined
as of the tournament start date.

Eligibility for national classification restricted tournament requiring qualification is determined at the start
of the tournament at which the qualification was earned. For example, a D rated fencer may potentially
earn a C rating at a division qualifier, but National Championship eligibility will be determined based on
the D rating with which the fencer began the qualification tournament.

2.6 General Qualifying Information

2.6.1 Division Qualifiers

Division qualifiers are competitions in which a specified number of fencers, based on their results, qualify to the USA Fencing National Championships and the Junior Olympic Championships.

Division qualifiers are restricted to members of the division for the following events: Div II and Div III (USA Fencing National Championships) and Cadet and Junior (JOs). Veteran fencers can qualify for USA Fencing National Championships via Division II or Division III division qualifiers. Division qualifying tournaments cannot be mixed gender competitions. **Fencers who have earned national points are the only athletes who will be skipped over. Athletes who have already qualified via a regional path will not be skipped over at any division qualifier.**

Fencers must be U.S. citizens or Permanent Residents. Any fencer who is a U.S. citizen who has also represented another country in the last three years, in any FIE and/or Union International de Pentathlon Mondernne (UIPM) event, and who has not yet been granted permission to represent the USA by USA Fencing and the FIE, is not eligible for any USA Fencing National Championship competition, individual or team, including division qualifying competitions. A foreign fencer who is in the United States on a visa is NOT eligible to fence in any National Championships, individual or team, or associated division qualifying competitions. Divisions allowing ineligible athletes to compete in qualifying competitions may be fined by USA Fencing – a $500 fine, which may be invoiced or withheld from the division’s membership rebate.

Athletes that have represented another country in the last three years at FIE level competitions (Senior/Junior and those athletes that represented another country at the Cadet World Championships) are not eligible to compete in a National Championship.

For information regarding your division qualifier schedule, check your division’s website or contact your division officers. To obtain names, emails and phone numbers for any of the division’s officers, contact the National Office by phone (719-866-4511) or email (information@usafencing.org).

Policy on ineligible fencers in division qualifiers:
1. For division qualifying events in which any ineligible fencers are discovered (i.e., age, classification, membership, citizenship or representing country), the division and athlete(s) in question will be notified and instructed of the information needed to resolve the situation. Any missing membership forms, fees or paperwork needed to resolve the issue must be received by the National Office within 10 business days from the time of notification of the problem by the National Office. Late submission may result in the division qualifiers being recalculated based on the eligible fencers in the competitive field.
2. No qualification or classifications will be awarded to fencers who compete in division qualifiers where ineligible athletes (i.e., age, classification, membership, citizenship or representing country) are allowed to compete until the situation is resolved.
3. All entries for the given Championship will remain “registered” until the issues regarding the division qualifier in question are resolved.
4. Petitions or protests will be reviewed after the situation is resolved.
2.6.2 Regional Qualifying Paths

In addition to division qualifiers, multiple qualification paths exist on a regional level for qualification to the USA Fencing National Championships, Junior Olympic Fencing Championships and the July Challenge. These include:

- **Regional Open Circuit Tournaments (ROC)**: Division IA, Division II, Veteran for USA Fencing National Championships
- **Regional Junior Cadet Circuit (RJCC)**: Junior and Cadet for Junior Olympic Fencing Championships and the July Challenge, if age eligible
- **Super Junior/Cadet Circuit Tournament (SJCC)**: Junior and Cadet for the Junior Olympics and the July Challenge
- **Super Youth Circuit Tournaments (SYC)**: Youth 10, Youth 12 for March North American Cup and USA Fencing National Championships; Youth 14 for USA Fencing National Championships
- **Regional Youth Circuit Tournaments (RYC)**: Youth 10, Youth 12 for March North American Cup and USA Fencing National Championships; Youth 14 for USA Fencing National Championships

ROC, RJCC, SYC, SJCC and division qualifying tournaments cannot be mixed (mixed gender or mixed age) competitions. RYC qualifying tournaments with less than five entrants in a given gender may mix by gender, but may not mix ages.

**Regional Open Circuit (ROC)**: Open to current USA Fencing members, with a competitive type membership are eligible to fence in open/senior competitions and to foreign fencers with a current ICL (International Competitive License). Foreign fencers are not eligible to compete in USA Fencing National Championship events.

**Regional Junior/Cadet Circuit (RJCC)**: Open to current USA Fencing members with a competitive type membership are eligible to fence in Cadet and/or Junior competitions and to age-eligible foreign fencers with a current ICL (International Competitive License). Foreign fencers are not eligible to compete in USA Fencing National Championship events. Foreign fencers may qualify for the July Challenge via the SJCC/RJCC system as it is not a National Championship but will need an International Competitive License to fence in this national tournament. National point holders will not be skipped on the Regional Ranking List when determining the number of qualifiers.

**Super Youth Circuit and Regional Youth Circuit (SYC/RYC)**: Open to current USA Fencing members with a competitive type membership are eligible to fence in youth age competitions and to age-eligible foreign fencers with a current ICL (International Competitive License). Foreign fencers are not eligible to compete in USA Fencing National Championship events. National point holders will not be skipped on the Regional Ranking List when determining the number of qualifiers.

2.6.3 Determination of Divisional Qualifiers

Division qualifiers are determined by the qualifying information for various event types. For more information, see Table 2.6.3.1.

When determining who has qualified for a Championship, only fencers who qualify through National Points are skipped over to the next eligible fencer. Fencers that qualify for championships via regional points are not skipped over. Those who qualify through the division should not be skipped. For example, if a fencer competes and qualifies in a Junior division qualifier and is age eligible for Cadet, he/she will not get skipped over if they choose to also fence in the Cadet division qualifier.
Those who qualify for Div IA, Div II, or Div III by earning regional ROC points are not considered automatic qualifiers at divisional qualifiers and should not be skipped over.

**There is no retroactive path to qualification.** Therefore, fencers who fail to qualify to enter a national tournament through a RYC, RJCC, ROC, SYC, SJCC or divisional qualifying competition do not qualify simply by virtue of a qualifying fencer at the event qualifying at a later qualifying competition as well.

Qualifying forms and instructions are sent to regional (ROC, RJCC, RYC, SYC & SJCC) tournament organizers and division officers via email; information is also posted on the USA Fencing website under the Championship Tournament page and Regional Resources page ([Tournament Resources](#)). It is the regional tournament organizer’s and/or division officer’s responsibility to adhere to the qualifying information; failure to do so may result in qualifying field adjustments and/or nullification of the results from the qualifying tournament. Complete results from these qualifying tournaments must be submitted in the proper excel format; the qualifying report is available as an export in Fencing Time v3.02 or later.

Complete results must be submitted to the National Office via the USA Fencing registration database no later than **72 hours** after the completion of the tournament. Results and reports will be accepted in any other format. These forms must reflect complete results and are the only acceptable notice from the regional tournaments and divisions regarding their qualifying fencers.

Regional tournament organizers and/or divisions who do not submit results by the deadlines described above may be charged a late fee by USA Fencing for late processing; results will not be able to be uploaded until the late fee is paid in full.

**2.6.4 Combined Division II/Division III Divisional Qualifier Example**

Below is an example of how to determine qualifiers for Division III when the division holds only one competition to determine qualifiers for both Division II and Division III.

A Division II/III qualifying competition has the following entries:

- Number of C fencers = 8
- Number of D fencers = 12
- Number of E fencers = 11
- Number of U fencers = 15
- Total number of Fencers = 46
- Total number of Division II qualifiers = 12 (based on 46 total C, D, E, and U fencers)
- Total number of Division III qualifiers = 10 (based on 38 total D, E, and U fencers)

**How to Determine Qualifiers:**

- List the fencers in order of their finish.
• The first 12 qualify for Division II and Division III if classification eligible at the start of the event.
• Then count the number of D, E and U fencers. In this example, there are 38 such fencers. The 25 percent of that group equals 10, the number of fencers who can qualify for Division III Nationals only.
• Starting with the first fencer after those qualified for Division II (in this example, 13th place); count off the next 10 D, E or U fencers who have not already qualified by other paths. These (10) D, E, or U fencers are qualified for Division III. Any C fencers in this range are skipped, but not counted against the 10, because they are not eligible to fence Division III.

2.6.5 Petition Process

In exceptional cases, subject to approval by the USA Fencing Board of Directors or National Office, a member of USA Fencing in good standing may be permitted to qualify to the Division I Championships, Junior Olympic Fencing Championships, the July Challenge or the USA Fencing National Championships by petition. No petition may contravene the results of a qualifying competition – a fencer who has fenced in the qualifying competition without withdrawing due to a disabling injury or illness cannot then petition to disregard or override those results. Petitions will be denied for fencers who chose to fence in a regional qualifier (RYC, SYC, RJCC, and ROC) over their division qualifier. U.S. citizens and Permanent Residents are eligible to petition.

The following criteria and procedures are applicable to filling a petition:

A petition may be filed by a fencer who qualified (by means of competition or petition) to that same competition in the prior season or whose recent competitive record indicates a strong possibility that the athlete would have qualified had they been able to compete in the qualifying competition but:

• Was unable to compete in the various qualifying competitions this season due to injury, illness, military deployment, study abroad, compulsory school requirements OR
• Did compete and had to withdraw because of a disabling injury or illness OR
• The number of qualifying athletes at a division qualifying tournament changed due to the inclusion of ineligible fencer(s) in the tournament

(Note: Athletes who attend a school or university in the United States, outside of their division, shall not constitute inability to compete)

All petitions must be made through an online system to USA Fencing National Events; the petition link is available through the specific tournament page on www.usafencing.org. Under no circumstances will petitions be accepted if received after the late fee entry deadline for the Championships.

The petition must be accompanied by:
1. A non-refundable petition fee of $100.00 will be charged at the conclusion of the online petition process.
2. A written statement that gives specific details of the dates, reason for absence or withdrawal, and other pertinent facts. Written notice from the independent attending physician and/or statement from the Bout Committee must substantiate any medical reason required withdrawal from the qualifying competition.
3. A summary of the fencer’s significant recent competitive results. In particular, results in previous National Championships and recent North American Cup (NAC) competitions should be noted.
4. If the petition is not approved and the athlete is already registered for the Championship, only the event fee will be refunded.

5. Responses to the petition will be made via email. Petitions that do not meet these requirements will not be considered.

6. Decisions on petitions will be based upon the validity of reasons given for absence or withdrawal and the probability that the fencer would have qualified had they competed in the qualifying competition to its conclusion, based on results achieved in other recent competitions.

7. If a fencer is permitted to enter the Junior Olympic Fencing Championships, Division I National Championships, July Challenge or USA Fencing National Championship competition by this petition procedure, the fencers’ entry will in no way affect the number of qualifiers from the division involved.

2.7 Qualifying Competition Protest Process

If the qualifying competition was not run in accordance with the USA Fencing rules, a protest may be submitted via email to nationalevents@usafencing.org specifying the rule infraction(s). This must be done immediately to the Bout Committee at the qualifying competition and within three business days after the qualifying competition to the National Office; otherwise, no action will be taken by USA Fencing. Even if a timely protest is submitted, there is no guarantee that the protest will be upheld.

For more detailed information regarding the protest process, see below from the USA Fencing Operations Manual.

2.8 Youth Fencing (Y14, Y12, Y10)

2.8.1 What is a Youth Tournament?

Div I Team event at National Championship:
The Div I Team event is a Championship event. All championship team events, held at the national level, will have a club requirement. Any three or four fencers that meet the age and gender for the event may enter a team if they have represented the club during the current season. They must be competitive USA Fencing members and US Citizens or Permanent Residents. All registered members of a team must be present on site.

Junior Olympic Fencing Championships:
The JO Team event is a Championship event. All championship team events, held at the national level, will have a club requirement. Any three or four fencers that meet the age and gender for the event may enter a team if they have represented the club during the current season. They must be competitive USA Fencing members and US Citizens or Permanent Residents. All registered members of a team must be present on site.

A. Registration:
Teams are required to register 3-4 team member names and captain name with the team entry – this will streamline the verification of the membership, national rolling point standings (NRPS) and classification prior to the tournament. Those fencers who are NCAA fencers will need to self-monitor club affiliation and NCAA eligibility.
• Team events will follow posted entry deadline.
• Seeding information will be based on the same deadlines used for individual events.
• Preliminary team seeding and table will be posted on the USA Fencing website. Any discrepancies should be emailed to nationalevents@usafencing.org.

B. The Team Captain will check in the team during the one hour check in on the day of the event. Teams may periodically be given an opportunity to check in the night before the team event. Please check the tournament Athlete Packet for this information at usafencing.org

1. ALL Team Captains or their representatives must check-in with the Team Events Bout Committee during the designated time to verify their team. Captains or representatives will need to remain present in the venue for fencer order determination. Once the roster has been verified at check-in, no other changes will be allowed.
2. ALL Team Captains should verify the information used for seeding as posted. If discrepancies are not reported to the Bout Committee by the close of check-in, the information stands as presented.
3. Table will be constituted and Team Captains or Representatives will then determine fencer order.
4. Depending on the size of the event, a coin flip or equivalent may be used or the higher seeded team will automatically be designated as the “winner of the coin flip” and assigned the 1-2-3 side. The bout committee may also conduct a coin flip or equivalent with or without the captains present. (Match order: 3-6, 1-5, 2-4, 1-6, 3-4, 2-5, 1-4, 2-6, 3-5).
5. If a team has an alternate, all members of the team must present at the strip when called, for every match.
6. Direct elimination from beginning of competition. Relay format, 9 bouts to a maximum score of 45 – increments of 5 touches or maximum time of 3 minutes for each bout. Fence off for 3rd.
E. Seeding Teams

Seeding for team NAC Competitions is in accordance with the rules established for all USA Fencing National Team Championship tournaments.

For the Senior and Division I team event, seeding is based on the participating Fencers’ Senior national rolling points as of 10 days prior to the start of the tournament and classifications earned by the appropriate posted tournament deadline.

For the Junior team event, seeding is based on the participating fencers’ Junior national rolling points as of 10 days prior to the start of the tournament and classifications earned by the appropriate posted tournament deadline.

For the Veteran team event, seeding is based on the participating fencers’ Veteran Open national rolling points as of 10 days prior to the start of the tournament and classifications earned by the appropriate posted tournament deadline.

For the Youth 14 team event, seeding is based on the participating fencers’ Youth 14 national rolling points as of 10 days prior to the start of the tournament and classifications earned by the appropriate posted tournament deadline.

Teams with the same seed value are randomized by computer for seeding rank.

Teams: To seed teams for competitions, a seed value is calculated for each team based on the national rolling points standing (NRPS): Senior point standings for the Senior teams, Junior point standings for the Junior teams, Veteran open point standings for the Veteran teams, Youth 14 point standings for the Youth 14 teams, and/or the classification of each member of the team. The National Rolling Point standings and the classification of each member of the team are those as of 10 days prior to the start of the tournament.

National Rolling Point Standings (NRPS): The first set of team points for each member of the team is based on the fencer’s national rolling point standings (NRPS). A fencer who is first on the national rolling point standings (NRPS) receives 132 points, second received 131 points and so on, down to 32nd (32nd = 101 points). Fencers who are ranked 33rd or lower on the national rolling point standings (NRPS) are allocated 50 points. Fencers who are not on the national rolling point standings (NRPS) are not given any points. (See appendices 1 - 2 for complete point tables.)

Classification: Each member of the team receives points based on their classification and the year classification was last earned.

- As are given a value between 670 and 630
- Bs are given a value between 570 and 530
- Cs are given a value between 470 and 430
- Ds are given a value between 370 and 330
- Es are given a value between 270 and 230
- Us are given a value of 100 points

For example, for a competition on September 1, 2021, within each classification the year is reflected in 10 point increments, with an A21 worth 670 points, an A20 worth 660 points, A19 given 650 points and A18 worth 640 points. The same process is used for the other letter classifications (B, C, D, and E). Those fencers who have yet to earn a classification (U) are given 100 points.
The individual seed value is calculated by adding the calculated NRPS and classification points for each team member. The three highest total point values are then added. This sum becomes the team’s total points. Teams are then ranked by highest team total points (number 1 seed) to lowest team total points (last seeded team).

### 2.15 Competition Seeding

#### 2.15.1 Seeding Principles

Seeding is the method of ordering the fencers at the beginning of the competition by their relative strength, strongest to weakest.

In USA Fencing competitions, fencers from the same division and/or club or school are separated if possible based on FIE rules for separating fencers of the same nationality. If foreign fencers are in attendance, the separation for nationality shall take precedence over separation for division and/or club/school representation/affiliation.

The National Rolling Point Standings (NRPS) and classifications as of ten days prior to the tournament will be used for seeding a domestic point tournament.

Details on each event’s format can be found in Table 2.16.1.1.

Within any random group, the seeding order is re-randomized whenever changes are made to an entry list, so the relative positions of fencers within such groups may change.

- Within the same classification values, the order is random.
- Ties in the National Rolling Point Standings (NRPS) are seeding randomly.
- **Direct Elimination Seeding:** Fencers are seeded by their results in the pool round wherein the results of fencers in all the pools are ordered by best results to poorest results: highest ratio of victories vs. bouts fenced, touches scored vs. touches received.

**Veteran Seeding**

The final procedures for Veteran Seeding will be confirmed and posted prior to the first National Tournament involving Veteran categories.

**Seeding Conflict Resolutions:**

1. In the first round of pools, conflicts of fencers within a pool from the same division or club who are on the National Rolling Point Standings in their weapon and category (special rules apply for Div I NAC) will be resolved, if possible, by movement of lowest ranked fencer in the pool with a conflict or conflicts; priority of movement will be non-ranked fencers (those with lowest classification in that pool) before ranked fencers
   a. Foreign fencers can be intermingled with ranked fencers if the foreign fencer’s international result history justifies relative strength of the foreign fencer with the U.S. fencers.
2. In resolving conflicts within pools, priority is given to club conflict vs. division conflicts so that when resolving conflicts fencers may be in pool with fencers from the same division.
3. Lower ranked fencer is moved, when necessary, to resolve conflicts of club or division.

The National Rolling Point Standings (NRPS) and classifications as of ten days prior to the tournament will be used for seeding a domestic point tournament.

Details on each event’s format can be found in Table 2.16.1.1.
Within any random group, the seeding order is re-randomized whenever changes are made to an entry list, so the relative positions of fencers within such groups may change.

### 2.16 National Competition Formats -
#### 2.16.1 Table: National Competition Formats

**Reminder:**

**Maximum DE Field Size of 256**
A maximum of 256 fencers will be promoted out of pools for all events. With a promotion rate of 75% currently being utilized for Division I events, rarely do tables of 512 occur. This change would only affect Div I field sizes greater than 341 fencers. At events with an 80% promotion rate (junior, cadet, Div IA, Div II, III, Y12 and Y14), this change would only affect fields with more than 320 fencers.

2.17 Equipment Requirements for Domestic Tournaments

2.17.1 Requirements for Domestic Tournaments

For information regarding COVID 19 related tournament requirements, please go to [usafencing.org](http://usafencing.org) and click on the tournament event page.

Uniforms, Plastrons, Chest Protectors, Masks and Blades:

Uniforms (jackets and pants):
Standard fencing uniforms are acceptable (FIE label not required). Fencers must wear the required clothing – regulation fencing jacket and pants, underarm protector (plastron), knee socks, and a fencing glove that covers half the forearm. In epee and foil, a full jacket is required (i.e., a jacket with croissard/groin strap). In foil and sabre; the lame must have croissard/groin strap. In Sabre, 800NW gloves are required at all levels of competition (local, divisional, regional, and national). It is not permissible to fence in warm-up pants. Fencing uniforms must not have any rips, tears, holes, etc. USA Fencing allows uniforms of a single color other than black and designs on the rear (unarmed) arm. As the purpose of uniform color or design is for audience interest, such designs should be in good taste.

Names on uniforms:
Required only at national level tournaments: NACs, July Challenge, JOs, Division I Championships, USA Fencing National Championships and Parafencing National Championships [BOD, Sept. 2010]. In all three weapons, each fencer’s last name must be printed legibly, by hand or machine, in navy blue capital letters, between 8 and 10 cm high, such that the name is legible from a distance of 15 feet, either on the back of the uniform or lame between the shoulders; or on the front side of the thigh of the “rear” leg; or (3) on a piece of fabric attached to the uniform must be the same color as the part of the uniform to which it is attached. Conductive materials must be attached in such a way as to not alter the conductivity of the metallic vest or jacket. NAMES PRINTED ON TAPE ARE NOT ACCEPTABLE. (Rule Book: t.45.5 and m.25.3h).

Plastrons (underarm protectors):
Standard fencing plastron; required with every uniform (FIE label not required)

Chest Protectors:
Women must wear chest or breast protectors. Chest protection is allowed for men, but must be worn under the jacket (Rule Book: m.24.4.c). In foil, this breast/chest protector must be worn below the protective plastron and have the following characteristics: The entire outside of the chest protector (the side facing the opponent) must be covered with a soft material such as E.V.A. (Ethylene-vinyl acetate) of four mm thickness and density of 22kg/m3. (The material can be attached to the current plastic models or incorporated into the manufacture of new chest protectors). The material must have the SEMI technical mark at the center of the upper edge. We are aware that manufacturers may not offer older style "hubcap" protectors that conform to
the rules. Therefore, fencers who use this style of protector are allowed to retrofit their existing protectors to bring them into compliance with the rules—that is, by attaching the required soft material to the protector. These retrofitted protectors are NOT required to have the manufacturer/FIE mark, but retrofitted protectors must be inspected at equipment check to ensure that they comply with the rules. Once inspected, the technician will apply the competition’s inspection mark.

**Mask bibs** must be fixed to the exterior of the grille starting from the reinforcement band onwards and extending as protection for the neck. Must withstand 12K punch test; elastic strap at back of mask is required. Masks that do not pass the 12K punch test will be impounded and given a visible mark to signify that the mask is “not approved for use” at any level of competition (local, regional, divisional, or national) [per FIE rule m.257.d].

In foil competitions, the conductive bib is required at all levels (local, divisional, regional and national). Details can be found in the USA Fencing Rulebook: m.27.

Sabre and foil masks with electric bib are not allowed for use in epee an any level (local, divisional, regional, or national) ([Rule Book: m.30, USA Fencing clarification](#)). The metal on the bib/mask can ground out the opponent’s tip.

**Blades** See table below;

For Y10 competitions, maximum blade length of 32.5”, all other competitions, standard blade length of 70-90cm (~27.5” – 35.4”) for foil/epee and 70-88cm (~27.5” – 34.6”) for Sabre. (FIE Material Rules, Jan. 2011, M.8, M.16, M.23). For all weapons, any attachment to a weapon's handle (i.e., wrist strap, orthopedic grip) must fix the hand in one position such that the top of the thumb is no more than 2cm from the inner surface of the guard.

Note: At USA Fencing sanctioned tournaments, for safety and insurance purposes, fencers and coaches must wear mask and glove while participating in drills, lessons, warm-ups, camps or clinics. Failure to comply may results in removal from the venue ([Rule Book: t.15.2](#)).
Note: At USA Fencing local, divisional, and regional competitions, there are no restrictions on colors or decorations on uniforms, providing that the uniforms still comply with all other requirements.

USA Fencing Note: Masks may feature colored designs, on condition that they are approved by the Referees’ Commission at least 30 days before being used for the first time in an official USA Fencing competition OR at the discretion of the head referee at the event.

Fencers must submit pictures to masks@fencingofficials.org that clearly show the entirety of the design. Accepted designs will be posted on the Referees’ Commission (formerly Fencing Officials Commission) website.

In epee and foil, a full jacket is required (i.e., a jacket with croissard/groin strap). In foil and sabre; the lame must have croissard/groin strap. Any attachment to a weapon’s handler (i.e., wrist strap, orthopedic grip) must fix the hand in one position such that the top of the thumb is no more than 2 cm. from the inner surface of the guard. It is not permissible to fence in warm-up pants. Fencing uniforms must not have any rips, tears, holes, etc. USA Fencing allows uniforms of a single color other than black and designs on the rear (unarmed) arm. As the purpose of uniform color or design is for audience interest, such designs should be in good taste.

For information on the regulations for Sabre 800NW gloves, reference the Rule Book. Fencers must wear the required clothing – regulation fencing jacket and pants, underarm protector (plastron), knee socks, and a fencing glove that covers half the forearm. Women must wear breast protectors. Chest protection is allowed for men, but must be worn under the jacket (Rule Book: m.24.4.c). It is not permissible to fence in warm-up pants.

USA Fencing Note: Masks may feature colored designs, on condition that they are approved by the Referees’ Commission (formerly Fencing Officials Commission) at least 30 days before being used for the first time in an official USA Fencing competition OR at the discretion of the head referee at the event. Fencers must submit pictures to masks@fencingofficials.org that clearly show the entirety of the design. Accepted designs will be posted on the Referees’ Commission (formerly Fencing Officials Commission) website.

In all three weapons, each fencer’s last name must be printed legibly, by hand or machine, in navy blue capital letters between 8 and 10 cm high, such that the name is legible from a distance of 15 feet, either on the back of the uniform or lame between the shoulders; (2) on the front side of the thigh of the “rear” leg; or (3) on a piece of fabric of lame material that is firmly sewn to the uniform in such a way that it will detach during fencing or catch an opponent’s point. Fabric attached to the uniform must be the same color as the part of the uniform to which it is attached. Conductive materials must be attached in such a way as to not alter the conductivity of the metallic vest or jacket. NAMES PRINTED ON TAPE ARE NOT ACCEPTABLE. (Rule Book: t.45.5 and m.25.3h).
Other Tournament Information:

Bout in the pool round are 5-touch bouts with a 3-minute fencing time limit. A “pool round” is defined as that portion of a competition in which a group of fencers are divided into equal or near equal sub-groups of 5, 6, 7 or more fencers. The fencers in each sub-group or pool fence all the other fencers in their pool in 5-touch, 3-minute bouts. The results of all the fencers in the pool round are ordered from highest or best results to lowest to determine the group of fencers promoted to the next round and seeding of the fencers for the next round.

Direct Elimination (DE): Competitions are said to be by direct eliminations when a competitor is eliminated from the direct elimination tableau after his or her first loss.

Bout format: is as contained in the Rule Book. Veterans and Youth 10 DEs, are 10-touch bouts with two periods; the one-minute rest occurs when one fencer’s score reaches 5 touches or when three minutes have elapsed, whichever occurs first.

For information on competition, types, reference Table 2.15.1.
Chapter 3 - Awarding Points

3.1 Point Standings

USA Fencing maintains the following point standings:

1. Regional Point Standings (Youth, Cadet, Junior)
2. Regional Open Circuit Standings (Div IA, Div II, Veteran)
3. National Rolling Point Standings (NRPS) (Youth, Cadet, Junior, Senior, Veteran)
4. National Team Point Standings (Cadet, Junior, Senior, Veteran)
5. Parafencing National Point Standings

Point standings for all groups are posted on the USA Fencing website – Point Standings. Points are normally updated within five business days after each national point tournament and/or international competition.

The tables used to determine points per place for each category of regional, national and international point competitions can be found in Appendices.

3.1.1 “Age Out” Policy

For domestic events, Junior and Cadet fencers will “age out” at the end of the Junior Olympic Fencing Championships (see Table 2.5.1). For the April NAC and July Challenge, the Cadet and Junior National Rolling Point Standings (NRPS) contain those fencers who meet the age requirements for the next World Cadet and World Junior Championships, respectively. After the National Championships in July (on or before August 1), the Youth and Veteran 40-49 and 80+ point standings are updated to include only those who meet the age criteria for the new season. After the Veterans World Championships in the fall, the remaining Veteran Age Point Standings are updated to reflect those who are eligible in each age category for the next Veteran World Championships.

3.1.2 Replacement Schedule

Points on each of the above standings (except Regional Youth and Team Point Standings – for Team Point Standings, see Team Point Standings) remain until replaced by the equivalent event in the following season. If there is no equivalent event, points may remain for 12 months or less, or until a fencer ages out of a given category (Youth, Cadet, Junior). The replacement schedule for all events is below and will also be included in Chapters 5-10 for the designated calendar.

### 3.1.3 Regional Point Standings (Youth, Cadet, Junior)

Regional Point Standings for Youth, Cadet and Junior reflect an athlete’s results at RYC and/or RJCC tournaments within their home region (based on division affiliation). These point standings are posted online and are updated within five business days after the tournament organizer has properly submitted results, event officials form, membership forms and paid the program service fee. For more information on this point system, please visit – Regional Points List. These point standings are not used for seeding,
only National Point Standings are used for seeding at regional tournaments. Click here to see the Regional Recognition program information.

Regional tournament organizers will use the applicable national point standings for seeding as of 5:00 PM MT the Wednesday prior to the tournament.

3.1.4 Regional Open Circuit Point Standings (Div IA, Div II, Veteran)

ROC events award regional points maintained on one points list that combines all regional results. An athlete that meets the event criteria can fence at any ROC and may earn points at any ROC. These point standings are posted online and are updated within five business days after the tournament organizer has properly submitted results, event officials form, membership forms and paid the program service fee. For more information on this point system please click here. Click here to see the Regional Recognition program information.

Regional tournament organizers will use the applicable point standings as of 5:00 PM MT the Wednesday prior to the tournament.

3.1.5 National Rolling Point Standings (NRPS) (Youth, Cadet, Junior, Senior, Veteran)

National Rolling Points are earned at North American Cups, National Championships, July Challenge, SYCs (Youth only) and SJCCs (Junior and Cadet only), and designated international events as listed in the selection criteria for each weapon.

National Rolling Point Standings are used in the following situations:

- To seed USA Fencing national, regional and divisional competitions (see Table 2.15.1.1)
- As a qualifying path to the various National Championship tournaments
- As a measure of the progress of the fencer in their peer group
- To select athletes for international competition prior to the activation of the current season’s National Team Point Standings (Cadet, Junior, Senior, Veteran & Youth)

3.1.6 Youth Point Standings (SYC and National Tournaments)

For the Y10 and Y12 age categories, points may be earned by competing at North American Cup (NAC) events for one’s own age category and the next older category. Y14 athletes may earn points in Y14, Cadet, Junior, and Div I national events for which they are eligible to compete.

National points earned at SYC events are awarded at a 0.8 scale of the Youth NAC/Championship Points Table. The point table for SYC competitions can be found in Points Tables.

The point standings after the USA Fencing National Championships are the final standings for the three Youth age categories for that season. On August 1, only those fencers who meet the age criteria for the new season for each age category in each weapon will appear on the point lists.

For the Youth Point Standings, the point total is the sum of the best four results earned at the combination of eligible competitions at the National Tournaments and the one SYC per eligible category in which the fencer has earned the most points (see Formula for Youth Points below).

The Youth Point Standings will be computed on a rolling point basis. See Section 3.1.2 for replacement schedule.
Formula for Youth Point Standings BEST FOUR RESULTS = TOTAL POINTS:

Youth 10: Sum of the four highest results in SYC Y10, SYC Y12, NAC Y10, NAC Y12, National Championship Y10, National Championship Y12 (up to 2 national results may be used per age category, only one SYC result per age category).

Youth 12: Sum of the four highest results in SYC Y12, SYC Y14, NAC Y12, NAC Y14, National Championship Y12, National Championship Y14 (up to 2 national results may be used per age category, only one SYC result per age category).

Youth 14: Sum of the four highest results from SYC Y14, NAC Y14, National Championship Y14, any national Cadet, Junior, Div I events (only one SYC result)

3.1.7 Junior & Cadet Point Standings (SJCC and National Tournaments)

For the Cadet and Junior age categories, points may be earned by competing at North American Cup (NAC) and National Championship events. Cadet athletes may earn points in Cadet, Junior, and Div I national events for which they are eligible to compete. Junior athletes may earn points in Junior and Div 1 national events for which they are eligible to compete.

National points earned at SJCC events are awarded at a 0.2 scale of the Cadet/Junior NAC Points Table. The point table for Junior and Cadet competitions can be found in Points Tables.

The Junior and Cadet Point Standings will be computed on a rolling point basis. See Section 3.1.2 for replacement schedule.

For the Junior and Cadet Rolling Point Standings, the point total is the sum of the best four results earned at the combination of eligible competitions at the National Tournaments and the one SJCC per eligible category in which the fencer has earned the most points (see information on the formula for Junior and Cadet points by clicking the link below).

See Chapters 5 – 12 for specific weapon information.

3.1.8 National Team Point Standings (Cadet, Junior, Senior, Veteran)

National Team Points are earned at North American Cups, National Championships, July Challenge and international events as listed in the selection criteria for each weapon. These team points will be updated later in 2021.

National Team Point standings are used in the following situations:

- To select fencers for specific international teams (see Chapters 5-10 for weapon specific criteria and Chapter 11 for Veteran and Chapter 12 for Parafencing)
- To select athletes for designated international competitions according to the following schedule:
  - Cadet Team Points – usually generated after the second designated Cadet international event
  - Junior Team Points – usually generated after the second designated Junior World Cup
  - Senior Team Points – usually generated after the fourth designated Senior international competitions (World Cup or Grand Prix)
  - Veteran Team Points – generated after the second Veteran NAC
3.1.9 Veteran Point Standings

There are five groups of Veteran Rolling Point Standings based on results at National Veteran competitions and three groups of Veteran Team Point Standings. The Veteran NAC is open to any competitive fencer who will turn at least 40 years old during the year of the competition. There are five age categories: 40-49, 50-59, 60-69, 70 & older, and 80 & older – where age eligibility is determined by the fencer’s year of birth.

Veteran Rolling Point Standings are the best two of the three domestic Veteran competitions, plus points earned at the last Veterans World Championships. For veterans who have aged into the next age group, (e.g., 40-49 to 50-59, 50-59 to 60-69, etc.), they also will carry the best two results from the previous three domestic Veteran competitions, plus points earned at the last Veterans World Championships, regardless of in which age group those points were earned. These points are used for seeding only and not for Veteran Team Point Standings. In the event of a tie in points with an older veteran fencer in the same age group, the older fencer will be seeded higher. [BOD, July 1, 2013] Further, the original, i.e. older, fencer in the Top 8 in National Age Group standings as defined in Table 2.15.1.1 will have his/her position protected for the first NAC point event

Veteran Team Point Standings are calculated as the best two of the three domestic Veteran Age competitions in the current season. Team Point Standings are calculated for the selection of Veteran 50-59, Veteran 60-69 and Veteran 70+ World Teams. These are the categories established by the FIE for the Veterans World Championships. There is no Veteran 40-49 or 80+ events at the Veteran World Championships.

3.1.10 Parafencing National Point Standings

Parafencing National points are earned at the North American Cups, Parafencing National Championships and international events as listed in the selection criteria for each weapon. Refer to Chapter 12.

3.3 Earning Domestic Points – Regional

### 3.3.1 Regional Youth Circuit (RYC)

Fencers only earn points at RYCs within their home region (region is assigned based on division affiliation). The best 3 results count towards the point total. These points may qualify Y12 and Y14 fencers to the USA Fencing National Championships. RYC points are not used in any National Point Standings, for seeding or team selection purposes.

Using the formula below, RYC tournaments will award points to all participants: (# entries – place + 1) / # entries) x 100 points

When there is a mixed gender Youth competition, points are not separated out by gender.

The winner of each RYC, regardless of size of field, will earn 100 points. The size of the participant field is based on all athletes in the event, regardless of region. RYC Regional Points are only earned by fencers
competing in their own region. At least 2 fencers must compete in a given RYC event for Regional Points to be awarded.

### 3.3.2 Regional Junior/Cadet Circuit (RJCC)

Fencers only earn points at RJCCs within their home region (region is assigned based on division affiliation). The best 2 results count towards the point total. These points may qualify Cadet and Junior fencers to the USA Fencing Junior Olympics and July Challenge. Points earned at Regional Junior/Cadet tournaments are not considered in determination of National Point Standings, for seeding or team selection purposes; they are only reflected in Regional Point Standings.

Using the formula below, RJCC tournaments will award points to all participants:

\[ \frac{(#\text{entries} - \text{place} + 1)}{\# \text{ entries}} \times 100 \text{ points} \]

The winner of each RJCC, regardless of size of field, will earn 100 points. The size of the participant field is based on all athletes in the event, regardless of the region. Regional RJCC points are only earned in the fencers own region.

#### 3.3.3 RJCCs must have at least 2 competitors and cannot be fenced with mixed gender.

### 3.3.4 Regional Open Circuit (ROC)

In each ROC category (Division IA, Division II and Veterans), competitions will award points to the top 40 percent of the competitive field (rounded up to the next higher integer) to a maximum of 64th place, using the point tables for regional competitions found in the Appendix.

The best 3 results, in each respective category, count towards the point total. These points will qualify Div IA, Div II and Veteran ROC fencers to the USA Fencing National Championships in Div IA, Div II, Div III and Veteran. For qualification path details, refer to Chapter 2. ROCs must have at least 2 competitors and cannot be fenced as mixed gender.

### 3.4 Earning Domestic Points – National

#### Structure of Point Standings

Point standings for Cadet, Junior, and Senior fencers are based on a combination of two groups: Group I and Group II. In general, Group I reflects domestic point tournaments while, in most cases, Group II reflects international competitions. Please see Chapters 5 – 10 for selection criteria.

Point standings for Y10, Y12, and Y14 are based on one group reflecting results at domestic national point tournaments (NAC, Championship, SYC, and SJCC).

The point tables are found in the Appendices. In national point competitions, points are awarded to a maximum place of 64th.

For Youth, Cadet, Junior, and Senior National point competitions (NACs, JOs, July Challenge and National Championships), points will be awarded to the direct elimination table in which the top 32 (to a maximum of 40 percent) of the competitive field falls (rounded to the next lower integer) to a maximum of 64th place. If the top 32 cut-off falls within a pool round, the points will be awarded starting with the direct elimination round. See the chart below:

In case of a tie, the points are averaged for each place involved (e.g., 3 tied for 25th receive the average of points for 25th, 26th, and 27th place). If a fencer is excluded from a competition, that place is left vacant and no one receives the points for that place.

If a fencer who previously represented another nation in EFC and/or FIE international competition is approved, in accordance with the relevant statutes, to represent the United States, and at the time of approval has USA Fencing national points, his or her cadet, junior, senior and veteran national points standings will be adjusted based on the principles listed below.

The following principles apply to individuals who previously competed for another nation in EFC and FIE competitions, including all cadet, junior, senior and veteran events and currently have national points:

- Consistent with each weapon's selection criteria, points earned at a domestic event (while representing either another nation or the USA), will count in both national rolling and team point standings.
- Consistent with each weapon's selection criteria, points earned at international events (EFC cadet events, World Cup, Grand Prix, World Championships, etc.) while representing another nation will count only in the national rolling point standings; and points earned at international events (EFC cadet events, World Cup, Grand Prix, World Championships, etc.) while representing the United States will count in both the rolling and national team points standings.

3.4.1 Strength Factor for USA Fencing Division I North American Cup events

The strength factor (SF) is a multiplier used to gauge the strength of an event and to determine the number of USA Fencing points earned for placement in the competition. The strength factor takes into consideration the size (N) of the field and the number of ranked fencers in the competition. The strength factor is applied to the Point Table in Appendices.

The strength factor will be used for all Division I North American Cups and the July Challenge with a minimum strength factor of .8 and a maximum Strength Factor of 1.1.

The Division I National Championships will have a minimum Strength Factor of 1.0 and a maximum of 1.1. Should the dates of the Division I National Championships conflict with a designated Senior World Cup or Grand Prix tournament, the Division I National Championships will have a minimum strength factor of .8 and a maximum of 1.1. This will apply only to the weapon(s) with the conflict.

FORMULA FOR STRENGTH FACTOR (SF)

\[
SF = \left[ \frac{N/10 + 6(SrFIE32) + 5(Sr4) + 4(Sr8) + 3(Sr16) + 2(Sr32) + 1(SR64)}{100} \right]
\]
N=Number of competitors
SrFIE32=Number of athletes ranked in the top 32 of the FIE World Rankings
Sr4=Number of athletes ranked 1-4 in the National Rolling Point Standings
Sr8=Number of athletes ranked 5-8 in the National Rolling Point Standings
Sr16=Number of athletes ranked 9-16 in the National Rolling Point Standings
Sr32=Number of athletes ranked 17-32 in the National Rolling Point Standings
Sr64=Number of athletes ranked 33-64 in the National Rolling Point Standings.

The following principles will be used when calculating the strength factor:

- The size of the field (N) used will be those fencers who complete a pool round
- The FIE and USA Fencing standings are those at the start of the competition
- The strength factor is calculated to the thousandths digit (for example, .906)
- If there is a tie in the point standings, all tied fencers will be counted in the calculation of the strength factor. (For example, if two fencers are tied for 8th in the point standings, both fencers will count in the number of athletes ranked 5-8.)
- Foreign Fencers – Prior to seeding each event, foreign fencers will be added to the rolling point standings (if applicable.)
- Points earned at a NAC by a foreign fencer will roll off as the event is replaced. Once a foreign fencer has no domestic points, he or she will be removed from the rolling points list (as to not affect the strength factor).
- Fencers ranked in the FIE Top 32 and USA Fencing top 64 will be recognized in both calculations.

3.4.2 SYC Points

The Super Youth Circuit (SYC) competitions will award national points at .8 of the NAC/Championship points table to precisely the top 40 percent of the competitive field (rounded up to the next higher integer) to a maximum of 64th place.

For example:
- Field = 100 fencers therefore 40 fencers earn national points
- Field = 103 fencers therefore 42 fencers earn national points (40 percent = 4.2)
- Field = 200 fencers therefore 64 fencers earn national points (40 percent = 80 but awarding points is capped at 64th place)

In all SYC Youth events, 3 fencers must compete in order for points to be awarded. Refer to the Points Table for greater detail on youth points.

3.4.3 SJCC Points

The Super Junior and Cadet Circuit (SJCC) competitions will award national points at 0.2 of the NAC/Championship points table to the top 40 percent of the competitive field (rounded up to the next higher integer) to a maximum of 64th place.

For Example:
- Field = 100 fencers therefore 40 fencers earn national points
- Field = 103 fencers therefore 42 fencers earn national points (40 percent = 41.2)
Field = 200 fencers therefore 64 fencers earn national points (40 percent = 80 but awarding of points is capped at 64th place)

In all SJCC events, 3 fencers must compete in order for points to be awarded. Refer to the Points Table for greater detail on Junior and Cadet points.

3.5 Earning Points – International

The point tables for international points can be found in the Appendices.

Specific FIE Junior World Cup (JWC) individual competitions and European Fencing Confederation (EFC) Cadet competitions are selected by the Sports Performance Department and the National Coaches and specified as designated international competitions. The designated international competitions are normally considered in Group II calculations. See the weapon-specific selection criteria for further details.

Points will be awarded for results at events described in Chapters 5 – 10.

- Points will be awarded to the direct elimination table in which the top 40 percent of the competitive field falls (rounded down to the next lower integer). If 40 percent cut-off falls within a pool round, the points will be awarded starting with the direct elimination round.
- If the strength factor of the Senior World Cup competition equals 2.0 or greater and the starting competitive field is 82 or greater, points will be awarded for placements between 33 and 64 (see the Appendix for point table).

3.5.1 Strength Factor for USA Fencing International Points

The Strength Factor (SF) is a multiplier used to gauge the strength of a designated Senior or Junior international event and to determine the number of USA Fencing points earned for placement in the competition. The Junior and Senior Strength Factor (SF) takes into consideration the size (N) of the field and the number of FIE ranked fencers in the competition. If a competitor is on both the Junior and Senior FIE ranking list, the better of the two values is used in the calculation of the Junior (JSF) or Senior (SSF) Strength Factor. The SSF is applied to the Point Table in the Appendices. The JSF is applied to the Point Table in the Appendices. The FIE standings used are those at the start of the competition. The maximum value allowed for the JSF and SSF is 2.0 even if the formula generates a higher value. If the weapon’s team selection criteria assign a weight value, that value will override the value generated by the SF formula.

FORMULA FOR SENIOR STRENGTH FACTOR (SSF)

$$SSF = \frac{[N/10 + 7 (Sr8) + 6 (Sr16) + 5 (Sr32) + 4 (Sr64) + 3 (Jr16) + 2 (Sr100)]}{100}$$

Where SSF = Senior Strength Factor

N = Number of Competitors excluding DNF

Sr8 = No. of fencers 1-8 in the FIE Senior World Cup standings
Sr16 = No. of fencers 9-16 in the FIE Senior World Cup standings
Sr32 = No. of fencers 17-32 in the FIE Senior World Cup standings
Sr64 = No. of fencers 33-64 in the FIE Senior World Cup standings
Sr100 = No. of fencers 65-100 in the FIE Senior World Cup standings
Jr16 = No. of fencers 1-16 in the FIE Junior World Cup standings
FORMULA FOR JUNIORS STRENGTH FACTOR (JSF)

$$ \text{JSF} = \left[ \frac{N/3 + 10(Jr8) + 8(Jr16) + 6(Jr32) + 12(Sr16)}{100} \right] $$

Where

- JSF = Junior Strength Factor
- N = Number of Competitors excluding DNF
- Jr8 = No. of fencers 1-8 in the FIE Junior World Cup standings
- Jr16 = No. of fencers 9-16 in the FIE Junior World Cup standings
- Jr32 = No. of fencers 17-32 in the FIE Junior World Cup standings
- Sr16 = No. of fencers 1-16 in the FIE Senior World Cup standings

There is no Strength Factor for designated Cadet international competitions. A Weight Value may be assigned based on the assessment of its expected competitive strength.

For further details regarding the point values of events for team selection, please visit [http://www.usafencing.org/selection-criteria](http://www.usafencing.org/selection-criteria) to view the 2021-22 selection criteria.

** FIE Team points (by country) for FIE World Team Standings

### 4.1.1 International Competitions

Fencers can only be entered in FIE, EFC and IWAS competitions and tournaments by their national fencing federation. USA Fencing is responsible for entering US fencers in all FIE, EFC and IWAS international competitions.

For competitions other than those under the auspices of the FIE, EFC or IWAS, fencers are responsible for their own entry in accordance with the information provided by the organizer of the competition.

Information regarding the international calendar, eligibility, and deadlines is posted on the USA Fencing website, under the Athlete tab. A list of the fencers who have requested entry in each international competition and those who have been accepted is posted on member.usafencing.org.

### 4.1.2 Age Criteria

**FIE Rules about the age of participants at official FIE events:**
- No fencer may obtain an FIE License, enabling him or her to enter an official FIE competition, until they have reached their 13th birthday.
• Fencers taking part in all of the official FIE Cadet competitions, must be under 17 years old at midnight on the 31st December of the year preceding the year in which the competition takes place.
• Fencers taking part in all of the official FIE Junior competitions, individual or team, must be under 20 years old at midnight on 31st December of the year preceding the year in which the competition takes place.
• Apart from the stipulations above, there is no maximum age limit for those taking part in any other official events of the FIE, except in regard to the different Veteran categories.
• All participants in an official competition of the FIE who are under the age of majority in the country in which such competition is being held must either:
  o Be accompanied by a person who is a parent or guardian of the participant or who has been delegated in a form valid in the country of the competition from a parent or guardian of such participant to act on behalf of the participant regarding health related issues:
  o Or have such power of attorney issued to a person who has achieved his/her majority and who will be at the competition site during the competition.

EFC Rules about the age of participants at EFC Cadets Circuit and Championships:
• The participants in Cadet competitions are principally those who can participate at World Cadets Championships in the same fencing season, thus reaching 17 years on or after 1st January of the year when the World Championships are held.
• The lowest age fencers should be those who under same conditions will be 12 years old.
• However, it is possible that in case of some extraordinary advanced young fencer, upon written agreement of his/her parents, coach and doctor recommendation even younger fencer can participate in given Cadet competition.

4.1.3 Citizen Requirement

To compete in Junior World Cup, Senior World Cup, Grand Prix individual and team competitions, or to be selected for World Championships, World University Games, Pan American Zonal Championships, Pan American Games, Youth Olympic Games and the Olympic or Paralympic Games, fencers must be United States citizens, in possession of a US passport and eligible to represent the United States by applicable selection deadlines.

Permanent residents in the process of obtaining U.S. citizenship may request entry only to Cadet international events. Approved permanent residents will be selected, in rank order, after eligible U.S. citizens.

For rules regarding change of country affiliation, see the FIE statutes. Fencers wishing to change nationality must contact the USA Fencing Director of Sports Performance in writing indicating the desire to change representation to or from United States with a brief explanation of reasons and support for such request.

Please reference 3.4 above for information concerning the transfer of points when a fencer changes his or her fencing nationality.

4.1.4 International Competitions at which Points Are Earned

The list of Cadet, Junior and Senior designated international competitions is posted on the USA Fencing's website - http://www.usafencing.org/international-calendar.

USA Fencing athletes can only earn points towards the National Point Standings from results achieved at competitions specified in the weapon selection criteria.
4.1.5 FIE Satellite Competitions & Non-designated Junior & Cadet Competitions

FIE points are awarded at FIE Satellite competitions. USA Fencing points are NOT awarded for results obtained at Satellite competitions, or non-designated Junior and Cadet competitions.

Athletes wishing to enter FIE Satellite and non-designated junior and cadet competitions must register online. A maximum of four athletes will be selected for FIE Satellite and non-designated junior and cadet international competitions based on 4.2.1 below.

4.1.6 Junior and Senior World Cup Team Competitions

For each World Cup team competition, each country can enter one team of three fencers plus a substitute.

The National Weapon Coach, in consultation with the Director of Sports Performance, will determine selection of the fencers for each World Cup Team competition, considering, but not limited to, the following criteria:

- National Point Standings
- Performance in prior domestic and international competitions
- Development opportunities

4.1.7 Coaching at Designated Competitions

No coach of a USA fencer may coach against another USA fencer at any international competition. 4.2 Entry Procedures and Eligibility Requirements

4.2.1 Registration and Eligibility

By registering for an international competition, the athlete is confirming his/her intent to attend the competition if selected. The athlete’s registration does not guarantee the fencer will be selected for the competition.

**Petition Process**

An athlete who has represented the United States at a Senior World Championships or Olympic Games within the previous four years may petition entry into a Senior World Cup or Grand Prix competition if he or she is not eligible for selection via the traditional method (national point standings). A petition will only be considered if the athlete was required to take time off from all qualifying competitions due to a medical condition, illness, pregnancy or military service for the six-month period preceding the petition.

At least ten days prior to the regular entry deadline of the Senior World Cup or Grand Prix in which the athlete would like to compete; the athlete must file a petition containing the following information:

• Senior World Championship or Olympic Games competitive history
• Reason for time off (with medical documentation)

A panel made up of the following individuals will have the authority to approve or deny a petition:

• USA Fencing Director of Sports Performance
• A National Weapon Coach (if the National Weapon Coach is the personal coach of the athlete involved, he or she will be required to recuse him or herself)
• Two athletes appointed by the USA Fencing Athletes Advisory Council (from a different weapon than the athlete submitting petition)
• A member of the USA Fencing Sports Performance Resource Team
• Considerations:
  • Petitioning athlete must have made every reasonable effort to attend qualifying North American Cup, July Challenge or National Championship events prior to submitting a petition.
  • An athlete may petition for selection to a maximum of three events in a twelve-month period.
  • Petitions need not be requested consecutively (athlete can choose a maximum of three competitions within the twelve-month period).
• The panel will consider the athlete’s competitive history and will have discretion on how many petitions to grant (to a maximum of three in a twelve-month period).
• An athlete granted a petition may apply for additional petitions if there is a subsequent medical condition, illness, pregnancy or military service that results in the athlete being out of qualifying competitions for a new six-month period.

4.2.2 Finalizing the Entries

The point standings as of the day after the regular entry deadline will determine the priority order of fencers and alternates. Results that change the point standings between the regular entry deadline and the competition will not affect selection. Notification of selection will be sent by email to all fencers who have entered.

If there are ties on the point standings, it will be resolved by the following criteria:

• Total number of points accumulated in Group II of the selection criteria. See Chapter 3 for specific details
• Highest points earned at a single designated World Cup or Grand Prix used in calculating the sum of points in Group II
• Next highest points earned at a single designated World Cup or Grand Prix until there is no tie

• Next highest place at a single designated World Cup or Grand Prix until there is no tie
• Highest place in any U.S. national point competition
• Next highest place in any U.S. national point competition until there is no tie
• If there is still a tie, then the Director of Sports Performance, National Weapon Coach and a representative from the AAC will resolve the tie

4.2.3 Withdrawal Procedures

Withdrawals must be received no later than the regular entry deadline for that competition. Failure to withdraw by the posted deadline may result in a fine of $250.

Penalty for Late Withdrawal
USA Fencing will fine athletes who do not arrive in time for an event with no notice to the Sports Performance Department, $1000 dollars plus fines levied by the FIE or EFC.

Medical Waivers for Illness or Injury
Athletes seeking relief from penalties due to an injury or illness must provide documentation from a qualified independent physician stating the nature of injury or illness. This documentation must be sent to the US Fencing Sports Performance Department (international@usafencing.org).

Other Force Majeure
Athletes with other issues that prevent them from attending an international event, (i.e., cancelled flights, family crisis, etc.) can report their justification and supporting documentation directly to the USA Fencing Sports Performance Department (international@usafencing.org), which may authorize the withdrawal without penalty.

Chapter 11 – Veteran World Championships

11.1 Tournament Description

Individual competitions are held for six weapons. For World Championships, each country can enter four fencers in each of the six gender weapon combinations in each of the three age categories (50-59 years, 60-69 years and 70+ years).

An FIE license for the season in which a fencer qualifies for Veteran World Championships is required to compete. (i.e., for the 2022 Veteran World Championships, a 2022-2023 FIE License is required). At this time, individual athletes participating in the Veterans World Championships are responsible for funding their trip and expenses.

11.2 Eligibility

Must be a U.S. citizen at the time of selection, which is immediately following the conclusion of the athlete’s respective qualification event at USA Fencing National Championship. Age eligibility for the separate age categories is governed by the FIE rules for the Veteran World Championships. Veteran Age group fencers must meet the birth years below.

Birth Year Eligibility dates for FIE Veterans World Championships:

<table>
<thead>
<tr>
<th>Age Group</th>
<th>Eligibility Dates</th>
</tr>
</thead>
<tbody>
<tr>
<td>50+</td>
<td>1963-1972</td>
</tr>
<tr>
<td>60+</td>
<td>1953-1962</td>
</tr>
<tr>
<td>70+</td>
<td>1952 and before</td>
</tr>
</tbody>
</table>

11.3 Selection Criteria

The top four fencers in each weapon in each of the three age categories will be selected according to the Veteran Age Team Point Standings after the USA Fencing National Championships. The next four, in order of their standings, will be named alternates to the team to replace any in the top four unable to accept appointment to the team. Any foreign fencers on the point standings will be removed when determining team standings.

11.4 Ties for Selection

If there is a tie in points such that not all four persons can be clearly selected as the team members or as the four alternates, then the tie(s) must be resolved using the following procedure. This tie breaking procedure is to be conducted in the sequence set forth below. (Ex: If a tie is resolved with the first step, then no further action is to be taken).

1. Among those tied, the person who has the highest result in any one of the two competitions counting towards Veteran Team selection will be selected.

2. If the persons are still tied, then the fencers will fence off in a 10 touch bout with two, three minute periods. The fence off will be held no sooner than ten minutes after the last competition in the event and no later than the end of the same day's competitions. Should there be more than two fencers who need to fence off, this will be held as a round robin in 10 touch bouts.
Should the results of the round robin produce a tie between two fencers, an additional 10 touch bout with two, three minute periods will be held to resolve the tie. If the round robin produces a tie between more than two fencers, an additional round robin will be held to break the tie. The 10 touch bout (for ties between two fencers) and round robin (ties between multiple fencers) format will continue until the tie is fully resolved.

3. If one or more persons is not present for the fence off, the tie will be resolved in favor of the fencer who is present.

4. If none of the persons tied for a position are present at the final competition at which selection will be accomplished, the position will be determined by a priority electronically generated by the scoring machines on the final strip, conducted by the chair of the bout committee immediately after the final competition in the event and under the supervision of the chair of the Veterans Committee or his/her designee.

11.5 Team Event Selection

The athlete with the best result in the individual event for each of the Categories A, B and C at that Veteran World Championship will be selected as the first member in their Category for the Team event in that weapon at that Veteran World Championship. The athletes with the second best result in each of the three Categories will be selected to be the substitutes for each Category in the Team event. Should either of the top two fencers be tied, e.g. both were third places, a coin flip will be conducted by the Team captain to determine the priority for the position. Should either of the athletes with the best results not be available to compete in the team competition, the position will go the athlete with the third best result, and so on.
Chapter 12 - Parafencing

12.1 Parafencing Competitions

USA Fencing organizes two NAC para tournaments each season, held in conjunction with the October and January NACs; the National Parafencing Championships are held annually in April. World Championships are held in alternating odd years.

12.2 Athlete Eligibility and Classification

Men and women with permanent disabilities that include, but are not limited to, amputation, spinal cord injury, traumatic brain injury, stroke and cerebral palsy are eligible to compete within the United States. There are three categories of competition, based upon disability classification. The three categories are: A, B and C with each category indicating the degree of disability from least “A” to most severe “C”. An official classifier for IWAS (International Wheelchair & Amputee Sports Federation) determines the specific category for each parafencer who attempts to compete internationally. The fencer must have one of the following eligible impairments: impaired muscle power, athetosis, impaired passive range of movement, hypertonia, limb deficiency, ataxia or leg length difference.

Participation in USA Fencing and IWAS Wheelchair Fencing tournaments are open to any fencer who is eligible to be classified by IWAS and is at least 13 years old on January 1 in the year of the competition (see Table 2.5.1). There is no maximum age limit.

12.3 Rules

USA Parafencing operates under IWAS Rules: USA Fencing Rule Book

When competing in IWAS tournaments (ex: World Cup, Grand Prix, and World Championships) and the Paralympic Games, athletes will compete in categories according to their gender and classification. Events offered at IWAS tournaments are listed in the tables above. Note that not all events will be offered at all IWAS tournaments and that even if offered, some may not be considered official events if the athlete pool (number of entrants or number of countries represented) does not meet IWAS requirements.
In domestic competitions, athletes will compete in categories according to their gender, but classifications will be combined.

12.5 Seeding and Formats

Please refer to Table 2.15 for seeding and 2.16 for format information.

12.6 Parafencing Point Standings

Parafencing National points are earned at the North American Cups, Wheelchair National Championships, World Cups, World Championships and Zonal Championships. U.S. athletes will receive points using the following formulas:

**Domestic Points** - \((\text{#entries} - \text{place} + 1) / \text{# entries}) \times 100\) points
The winner of each NAC, regardless of size of field, will earn 100 points.

**International Points** – For International events with >10 athletes, the following formula will be used:
\((\text{#entries} - \text{place} + 1) / \text{# entries}) \times 200\) points
The winner of an event with >10 athletes will earn 200 points

For International events with 11-20 athletes, the following formula will be used:
\((\text{#entries} - \text{place} + 1) / \text{# entries}) \times 250\) points
The winner of an event with 11-20 athletes will earn 250 points

For International events with <20 athletes, the following formula will be used:
\((\text{#entries} - \text{place} + 1) / \text{# entries}) \times 300\) points
The winner of an event with <20 athletes will earn 300 points

The resulting standings of the wheelchair fencers in each category (A, B, C) are used for selecting athletes for international competitions, when entries are limited.

12.7 2021-2022 Parafencing Selection Criteria

IWAS World Cup entries are not limited in number and any interested, classification-eligible athlete in good standing with USA Fencing may attend. Registrations must be processed by the USA Fencing National Office.

The IWAS competition calendar and updates are available on the following website: [iwasf.com/iwas/index.cfm/sports/iwas-wheelchair-fencing/competitions/]

If IWAS hosts an entry-limited event, the following criteria will be used:

**Selection Date:** TBD after the calendar is approved by IWAS. A date will be set for selection approximately 30-90 days before the event.

**Selection:** Selections will be based on the Para National Points only within the athlete’s parafencing category (A, B, or C).

IWAS and LOC will determine the number of fencers per weapon, gender and category for international events.

For additional information, contact the USA Fencing National office at [international@usafencing.org].
Chapter 13 - Disciplinary Procedures and Dispute Resolution

13.1 General Disciplinary Procedures

13.1.1 Scope of General Disciplinary Procedures

Chapter 13 concerns procedures for the resolution of grievances and the discipline of USA Fencing members, and National Team Disciplinary Procedures. The procedure in this Chapter will be used to file the following types of grievances:

a. Administrative Grievance. USA Fencing or any member of USA Fencing may file a complaint pertaining to any matter within the jurisdiction of USA Fencing, including but not limited to any alleged violation of or grievance concerning: (i) any USA Fencing rule or regulation, (ii) any USA Fencing program or service, (iii) any provision of USA Fencing’s Bylaws, or (iv) any provision of the Ted Stevens Olympic and Amateur Sports Act.

b. Disciplinary Proceeding. USA Fencing or any member of USA Fencing may file a complaint or report against any member of USA Fencing, or former member of USA Fencing if the action occurred while the person or club was a member, regarding any alleged violation of USA Fencing’s Codes of Conduct, USA Fencing’s Minor Athlete Abuse Prevention Policy (MAAPP), USA Fencing’s SafeSport Policy, or any other rule or regulation relating to conduct.

c. Right to Participate. Any athlete, coach, trainer, manager, administrator or official may file a complaint pertaining to any alleged denial, or alleged threat to deny, of that individual’s opportunity to participate in a USA Fencing competition or protected competition. Any such athlete, official or coach may file a protest or complaint pertaining to any such denial of that individual’s opportunity to participate in a USA Fencing National Team program.

Provided, however:

• If the proposed discipline involves, or may involve the USA Fencing member being removed from a USA Fencing or USOPC team, or being precluded from an opportunity to compete at any event, then, except as otherwise provided herein the National Team Disciplinary Procedures (13.3.3) adopted by USA Fencing shall be utilized;

• Any protest or complaint by an independent contractor who has a separate contract with USA Fencing shall be governed by and handled as provided in that contract;

- Any protest or complaint involving misconduct or error on the part of the U.S. Center for SafeSport ("Center") personnel or discipline (or failure to impose discipline) for any actual or alleged violations under the jurisdiction of the Center.

USA Fencing will honor the suspension(s) or other disciplinary action(s) imposed upon USA Fencing member(s) or other individuals by the FIE, IOC, IPC, USOPC, USADA, IWAS, the Center, and/or WADA. USA Fencing may, where appropriate, delay holding a disciplinary matter proceeding pending a proceeding before the FIE, IOC, IPC, USOPC, USADA, IWAS, the Center and/or WADA. USA Fencing will comply with the jurisdictional requirements contained in the Center’s SafeSport Code.

USA Fencing may proceed with disciplinary procedures on those matters referred back by an agency considered to be in USA Fencing’s jurisdiction, and address issues that are violations of USA Fencing’s rules.

13.2 Manner of Filing

 SafeSport Reports
When filing a report for a SafeSport violation(s), individuals should use the “USA FENCING SAFESPORT ABUSE/MISCONDUCT REPORTING FORM” located here.

SafeSport reports can be made anonymously and are not subject to the signature requirement. However, anonymous reporting may make it difficult for USA Fencing to investigate or properly address potential allegations.

 Code of Conduct Reports
When filing a report for a Code of Conduct violation(s), individuals should use the “USA Fencing Code of Conduct Reporting Form” located here.

All other Complaints
The complainant shall file the written complaint with the USA Fencing Ethics Committee or the USA Fencing National Office.
The complaint, shall set forth in clear and concise language:

a. The name and addresses of the parties;
b. Alleged violations, grievance, denial or threat to deny,
c. The facts which support the allegations,
d. The legal basis which supports the relief requested

e. The relief requested,
f. And, the competition that is subject of the complaint, if applicable.
g. Except in the case of SafeSport complaints, the complainant will sign the complaint, attesting to its good faith and validity.
A complaint that is filed that is not in accordance with 13.2, will render the filing ineffective and the complaint will be considered not to have been filed.

**All filings**

**Confidentiality**
To the extent permitted by law, and as otherwise appropriate, USA Fencing will keep confidential the Reporting Party's identifying information on his or her request. USA Fencing will not make public the names of alleged victim, claimant, the Respondent, or any person who made a report of abuse or misconduct. However, USA Fencing will, following a finding of misconduct that results in a temporary or permanent suspension of membership of the Respondent, notify the Center, USOPC, and USA Fencing clubs and divisions, of such suspension, and publicize the suspension on USA Fencing’s website.

**Retaliation**
Any allegations of retaliation should be reported using the same process as for reporting an initial concern. USA Fencing has a Code of Conduct for parties involved in disciplinary proceedings that describes standards of conduct for all parties (here).

**Bad-Faith Allegations**
A report of abuse, misconduct or policy violations that is malicious, frivolous or made in bad faith is prohibited. Such reports will be considered a violation of this policy and grounds for disciplinary action. Depending on the nature of the allegation, a person making a malicious, frivolous or bad-faith report may also be subject to civil or criminal proceedings.

**13.2.1 Responding to reports of SafeSport allegations**
Reports that allege sexual misconduct will be immediately turned over to the Center. On receipt of an allegation of misconduct, as defined in the Code that does not involve child physical or sexual abuse, USA Fencing shall determine the appropriate steps to address the conduct based on several factors, including (i) the age of the claimant or victim, (ii) the age of the accused and (iii) the nature, scope and extent of the allegations. Such steps may include, without limitation:

- The collection of additional information from the individual in question, other individuals with potential knowledge or evidence of the incident or the accused individual
- Retention of legal counsel or investigation services to investigate
- Determine if interim measures are necessary

**Interim Measures**
If the SafeSport report indicates that an individual's continued membership or participation poses a risk of ongoing physical or emotional harm, USA Fencing may determine to implement interim measures which could include suspending the accused individual pending final resolution of the report to eliminate any danger to an athlete, sport participant or other individual. In such instances, USA Fencing will provide the individual with notice and offer her/him an opportunity to contest the suspension.

USA Fencing may suspend the accused individual where there is a reasonable belief that the individual has committed emotional, physical or sexual misconduct or has been subject to a criminal disposition. Evidence which may be found sufficient to support a reasonable belief includes, at a minimum:
• the suspension or termination of employment or membership by a national governing body or other sport organization
• a SafeSport Report Form with specific and credible information
• other legal documentation or report supporting a reasonable belief that the individual has committed emotional, physical or sexual misconduct, including but not limited to abuse of a child, or has been subject to a criminal disposition (e.g., a criminal charge, conviction or plea bargain).

Any suspension before final resolution may be appealed to the American Arbitration Association (AAA) as outlined below in 13.2.2.

**Actions**

Based on information obtained by the steps outlined above, USA Fencing will take one of the following actions:

- Facilitate mediation between the parties to work towards a resolution amendable to all parties; or
- Administratively close the report due to a lack of specific and/or credible information or jurisdiction; or
- Determine a disciplinary panel should shall be appointed under the procedures outlined in 13.2.2 to resolve the SafeSport report; or
- Determine a violation of the relevant policy has occurred and/or implement an appropriate sanction; however, if the sanction to be imposed involves suspension from USA Fencing, termination of membership in USA Fencing, or any period of ineligibility, then the matter shall follow the procedures as outlined in 13.2.2.

D. If any party shall object to any member of the Panel on cognizable grounds such as lack of disinterest, bias or incapacity, then that party shall inform the person that named the Panel, who shall have the discretion to replace the Panel member, subject to further objection to the named replacement on cognizable grounds.

E. The Panel shall conduct a Hearing at a time and place determined by the Chair of the Panel. The Chair of the Panel shall inform the parties of the date, time and place of the Hearing, and the manner in which the Hearing shall take place. The Hearing may be held in person, by teleconference, or as may otherwise be directed by the Chair of the Panel.

F. The Hearing may be adjourned from time to time as deemed necessary by the Chair of the Panel in order to obtain additional information, obtain testimony from witnesses or receive written submissions from any party.    - The legitimate interest of USA Fencing in providing a safe environment for its participants
   - The seriousness of the offense or act
   - The age of the accused individual and alleged victim when the offense or act occurred
   - Any information produced by the accused individual, or produced on behalf of the individual, in regard to the individual’s rehabilitation and good conduct

   - Any other information, which in the determination of the Panel, bears on the appropriate sanction

Sanctions may range from a warning and a reprimand to suspension from sport involvement with USA Fencing for a period of time. Suspensions from sport involvement with USA Fencing may be temporary or permanent. The most severe sanction possible to impose will be permanent suspension from sport involvement and expulsion from USOPC activities and facilities.

For the purposes of this Policy, an interim, temporary or permanent suspension from sport involvement shall mean that, for the duration of the period of the suspension, the accused individual may not participate in any capacity or in any role in any business, events, or activities conducted or sanctioned by USA Fencing or by any Member Club or Affiliate Club. No Member Club or Affiliate Club shall affiliate itself with any individual suspended from sport involvement or allow such individual to participate in any capacity in any of its business, events, or activities. The Executive Director shall send a copy of the Panel Report to all parties and each member of the Board of Directors or its designee within one week of receiving it.

K. APPROVAL BY THE BOARD OF DIRECTORS. Any sanction recommended by the Panel
shall be final and effective unless appealed from as provided herein, except that any proposed sanction that provides in whole or part for a full or partial suspension of membership, denial of renewal of membership, or permanent expulsion of the member, shall not be effective unless such sanction, or a modified sanction that would restrict membership, is approved by a 2/3 vote of the Board as provided in the Bylaws. A modified sanction that does not restrict membership shall require only a majority vote. In considering whether to approve, disapprove or modify any recommended sanction, the Board may hear argument from the accused party, and may also hear from the Panel Chair, but will not hear evidence that was not presented to and considered by the Panel. The Board of Directors may stay the imposition of any sanction until the Board can vote to approve, disapprove, or modify it. The Board’s decision to approve, disapprove or modify a recommended sanction shall become final and effective when transmitted via email to the sanctioned party. [modified eff. ___________2020].

L. Absent extraordinary circumstances, the failure to comply with any time limitations set forth herein shall not be grounds to overturn or prohibit the imposition of sanctions.

M. OTHER RIGHTS OF THE ACCUSED – Persons potentially subjected to discipline shall have the rights set forth herein and set forth in the Bylaws of USA Fencing, the Bylaws of the United States Olympic and Paralympic Committee, and the Ted Stevens Olympic and Amateur Sports Act.

N. The hearing shall be transcribed at the request of either party and then at his or her expense. Audio or video recordings of the hearing shall not be permitted. Except in connection with any appeal or except as required by any legal process or court order, the record of the hearing shall be kept confidential by the parties and the Panel.

O. APPEALS TO THE BOARD OF DIRECTORS – In cases where the Board of Directors has not previously voted to approve or modify a sanction recommended by a disciplinary panel, the accused may appeal any such sanction to the Board. Any such appeal must be commenced by notice emailed to the CEO and General Counsel of USA Fencing no later than 10 business days after receipt of the Panel’s report and recommendations, and such notice shall prevent the sanction from taking effect until the Board shall rule on it. Any such appeal shall be conducted on the record of the Panel hearing as set forth in the Panel’s report, and not by a hearing de novo. The accused party shall have the right to present argument to the Board, but not new evidence, in connection with the appeal. The Board may also, in its discretion, elect to hear from the Panel Chair. The Board may affirm, reject or modify the sanction recommended by the Panel, by a majority or 2/3 vote, depending on the nature of the sanction. Unless it elects to impose a more stringent sanction than that recommended by the Panel, the Board shall not be required to provide a written opinion or otherwise explain its decision. The Board’s decision to approve, disapprove or modify a recommended sanction shall become final and effective when transmitted via email to the appellant. [modified eff. ___________2020].

P. APPEALS TO ARBITRATION – Any party to a disciplinary proceeding may appeal to the American Arbitration Association (AAA) from a sanction that has become final and effective as provided herein, except that a sanctioned party shall have no right of appeal to arbitration from a disciplinary sanction that was not approved by USA Fencing’s Board of Directors as provided herein. To initiate such an appeal, the appealing party shall, before the expiration of 10 business days from its receipt of notice from USA Fencing that the sanction has become final, file a claim with the AAA and provide notice thereof via email to the CEO and General Counsel of USA FENCING. The arbitrator(s) appointed by the AAA shall have the
authority to decide the matter in accordance with the Commercial Rules of the AAA, as provided for by the Ted Stevens Olympic and Amateur Sports Act, as amended from time to time (36 U.S.C. §§ 220501 et seq.). The arbitration shall be governed by the laws of the State of Colorado and the United States, conducted in Colorado Springs, Colorado. Any such appeal shall be conducted on the record of the Panel hearing as set forth in the Panel's report, and not by a hearing de novo. The arbitrator(s) will have no authority or jurisdiction to award consequential, punitive or exemplary damages, and any demand for such damages shall be a nullity. The person commencing the arbitration shall be responsible for any filing fees of the American Arbitration Association, but the fees may be apportioned by the arbitrator(s) pursuant to the Commercial Rules of the AAA. To the extent arbitration hearings or proceedings are conducted, all such arbitration hearings or proceedings shall be conducted in Colorado Springs, Colorado. However, for good cause shown by clear and convincing evidence, a party may petition the arbitrator(s) to conduct the hearing or proceedings in a different location. [modified eff. 2020]

Q. MEDIATION – Any party may request to mediate the dispute. If a request is made and agreed to by all parties, a disinterested and unaffiliated mediator can work towards a resolution amenable to all parties.

13.3 Removal from Team, Loss of Points and/or Funding

13.3.1 General Principles

A fencer may be passed over in selection, removed from a team after selection, denied funds, have points removed that are improperly earned or lose eligibility for international selection for cause. Such cause shall be limited to:

- Doping based on a confirmed positive of a “B” sample in accordance with U.S. Anti-Doping Agency protocol; OR
- Disciplinary reason, for serious misconduct detrimental to fencing; OR
- Inability or unwillingness to participate fully in all significant team activities; OR
- Injury or other incapacity which will significantly detract from the fencer’s performance; OR
- Failure to maintain a reasonable program of training, conditioning and/or competition; OR
- Ineligibility by reason of U.S. citizenship status at the start of the Olympic/Paralympic team selection cycle, (i.e., points will not be awarded to non-citizens at competitions which count for selection of the Olympic/Paralympic Team until fencer is a U.S. citizen.). The USOPC will consider a waiver to those fencers who can demonstrate that they could become citizens before the final selection competition of USA Fencing.

13.3.2 Expedited Grievance Steps

Scope

These procedures are intended to be used once a team has staged (e.g., gathered at any point in outside the U.S. for purposes of traveling or participating at a competition), when a fencer or cadre member including coaches, administrators or other staff:

- contests being removed from a team;
• contests an improper denial of a place on a team selected using criteria specified by USA Fencing;

• contests an improper preclusion by USA Fencing of his/her opportunity to compete at any competition;

• is or may be subjected to discipline by USA Fencing, whether the action on which any proposed discipline is based occurred before or after the team has staged.

To the extent any such measure is taken against a fencer or cadre member by USOPC, then the procedures of USOPC and not these Expedited Grievance Steps, shall apply.

Reimbursement of Fencer’s Expenses

All expenses, including counsel, shall be the responsibility of the fencer or cadre member.

Appeals

A fencer or cadre member may request that the USA Fencing committee responsible for team selections overrule any decision made by the Team Panel. A fencer or cadre member may request that the Board of Directors of USA Fencing, or its designee, overrule any decision made by the Team Panel or by the USA Fencing committee responsible for team selections. Such rights to appeal are subject to there being time available for the body to accept or act on any request. In the absence of any action by such an appellate body, the decision of the Team Panel or the lower body that has acted shall be the decision of USA Fencing.

Procedures

• The Team Leader shall inform the fencer and any Other Affected Athletes of:
  o The issues or allegations which have been referred to the Team Panel.
  o The date, time and place of Hearing, and the manner in which the Hearing shall take place. The Hearing may be held in person, by teleconference, or as may otherwise be directed by the Team Leader.

• The Panel shall conduct a Hearing at a time and place determined by the Team Leader. The Hearing may be adjourned from time to time as deemed necessary by the Team Leader in order to obtain additional information, obtain testimony from witnesses or receive written submissions from any party. At or prior to the Hearing, if available, the fencer or any Other Affected Athlete shall have the right to receive copies of any written information provided to the Panel members concerning the Hearing or any charges or allegations.

• The Panel is not bound by the rules of evidence. Witnesses may testify in person, by telephonic instrument, or if there is no objection, by written declarations or affidavits.

• The fencer and any Other Affected Athlete shall have the rights:
  o To appear personally and be represented by counsel at the Hearing.
  o To cross-examine all witnesses and present any additional relevant evidence.
  o To testify on his/her own behalf, or remain silent.
  o To address the Panel or otherwise make a statement of position personally or through his/her counsel or representative.

• As soon as practicable after the close of the Hearing, the Team Panel shall prepare the Team Panel Report and submit it to the Executive Director. The Executive Director shall send a copy of the Team Panel Report to the fencer, any Other Affected Athlete, and each member of the USA Fencing committee responsible for team selections within one week after receiving it.

• The recommendation(s) of the Panel shall be effective and implemented unless stayed by the USA Fencing committee responsible for team selections or the Board of Directors or its
designee.

- Absent extraordinary circumstances, the failure to comply with any of the time limitations set forth herein shall not be grounds to overturn the decision in question, or, to prohibit the imposition of sanctions.
- Nothing herein shall preclude any fencer or Other Affected Athlete, during the procedures set forth above or at its conclusion, from seeking to enforce or protect his/her rights under any provision of the Bylaws of USA Fencing, or the Bylaws of the USOPC, including the right to seek the intervention of the USOPC CEO or to submit any dispute to arbitration.

13.3.3 National Team Disciplinary Procedures

- Chief of Mission
- Team Captain
- Team Leader/Manager
- A team coach whose fencer(s) are not involved

The hearing to investigate charges, recommend discipline if appropriate, and where necessary to impose disciplinary measures shall be conducted at a time and place and in a manner determined by the highest-ranking member of cadre present (ranked highest to lowest from the preceding list top-down). The hearing shall provide the accused due process rights as follows: The right to be present; the right to be represented; the right to confront and question witnesses; the right to call witnesses and the right to address the panel. Promptly following the conclusion of any such hearing, the Disciplinary Panel shall report to the Director of Sports Performance, National Weapon Head Coach, and representative from the AAC the nature of the charges, the conclusion of the investigation and any discipline imposed or recommended.

- Involuntary withdrawal or bar from the entire competition
- Offending individual sent home
- Other sanctions as deemed appropriate, including assessment of any damages caused by the misconduct
- Recommendation of post-competition sanctions as deemed appropriate

If discipline cannot be adjudicated at the competition, the Director of Sports Performance, National Weapon Head Coach, and representative from the AAC may require a report from the Disciplinary Panel and is empowered to mete out sanctions or refer the matter to the Board of Directors of USA Fencing, or its designee, for further investigation and potential discipline. The consequential costs of any disciplinary action imposed by the Panel or by the Director of Sports Performance, National Weapon Head Coach, and representative from the AAC and any reasonable expenses incurred by USA Fencing or its members in connection with the disciplinary proceeding shall be the responsibility of the party being disciplined.

Appeal from the decision of a Disciplinary Panel may be made by the individual or individuals involved to the Director of Sports Performance, National Weapon Head Coach, and representative from the AAC within 15 days of receipt of notice of the panel decision. The decision may be delivered orally at the time of the Hearing. The decision of the Disciplinary Panel may be appealed to the Director of Sports Performance, National Weapon Head Coach, and representative from the AAC, the Board of Directors
of USA Fencing, or its designee, at the election of the appealing party. The body to which the appeal is addressed shall appoint a panel to hear the appeal and render a final decision as expeditiously as reasonably possible. These rules and regulations have been promulgated for the protection of all fencers, coaches, officials and others under the authority of USA Fencing.

13.3.3 (a) National Team Dispute Resolution
This dispute resolution procedure is intended to manage conflicts and to foster strong relationships between international fencers, coaches and USA Fencing staff.

13.3.3 (b) Scope of National Team Dispute Resolution
This dispute resolution procedure applies to a complaint by an Aggrieved Party against a National Coach, as those terms are defined below.
To be eligible to use this procedure, a complaint must pertain to a National Coach’s role as an international coach on behalf of USA Fencing, in contrast to a dispute about the National Coach’s role as a private fencing coach, fencing club administrator, or USA Fencing member.

Examples of matters that might come within the scope of the dispute resolution procedure, include, but are not limited to, actual, apparent, or potential conflicts of interest by the National Coach, allocation of coaching resources during international competitions, selection for international tournaments, selection of dates and locations of training camps, other requirements imposed by a National Coach, allocation of USA Fencing funds by a National Coach, delegation of responsibilities by the National Coach to a third party, and the National Coach’s conduct.

This dispute resolution procedure is not intended to displace informal conversations and other informal resolutions.

Definitions
The following terms shall have the following meanings:

- “Aggrieved Party” shall mean a fencer who is a current representative of USA Fencing in international fencing competition or has a material chance of representing USA Fencing in international fencing competition in the near future, when pursuing his or her own interests; the parent or guardian of a minor fencer, acting as the minor fencer’s representative, where the minor fencer is a current representative of USA Fencing in international fencing competition or has as material chance of representing USA Fencing in international fencing competition in the near future, when pursuing the minor fencer’s interests; or the personal coach, if such coach is a USA Fencing member, of a fencer who is a current representative of USA Fencing in international fencing competition, or has a material chance of representing USA Fencing in international fencing competition in the near future, when pursuing the fencer’s interests or the coach’s own interest.
- “Athlete Council” shall mean, the USA Fencing Athlete Council.
- “Executive Director” shall mean the Executive Director of USA Fencing.
- “Director of Sports Performance” shall mean the Director of Sports Performance of USA Fencing.
- “National Coach” shall mean, a coach employed or contracted by USA Fencing to represent USA Fencing in international fencing competition or such a coach’s designee, including, but not limited to, a Team Manager, when such designee is officially recognized by USA Fencing in the designee’s role and has maintained, or is expected to maintain, that role for more than two (2) months.

Procedures
A. The Aggrieved Party is encouraged to discuss the matter directly with the National Coach.
B. The Aggrieved Party may discuss the matter informally with the Director of Sports Performance before or after discussing the matter with the National Coach.

C. At any time during the dispute resolution process, the Aggrieved Party may invite an Athlete Council member to facilitate the Aggrieved Party’s interactions under the dispute resolution process. The Athlete Council member may decline the Aggrieved Party’s request for any or no reason or may refer the invitation to another Athlete Council member. The Aggrieved Party shall have the right to have any Athlete Council member so invited: Be present at any telephonic or in-person meetings under the dispute resolution process between the Aggrieved Party and the National Coach or the Director of Sports Performance and be heard by the National Coach or Director of Sports Performance in a reasonable manner.

D. The Aggrieved Party has the right to submit a written complaint concerning the matter to the Director of Sports Performance. The submission of a written complaint concerning the matter to the Director of Sports Performance by an Aggrieved Party concerning a National Coach’s role as an international coach on behalf of USA Fencing initiates this dispute resolution procedure.

E. The Director of Sports Performance shall make a determination whether the complaint has sufficient merit to proceed and is otherwise not deficient. To this end, the Director of Sports Performance may conduct reasonable inquiries.

F. If the Director of Sports Performance determines the complaint lacks sufficient merit to proceed or is otherwise deficient, he or she shall inform the Aggrieved Party of such determination in writing within two (2) weeks of the receipt of the complaint.

If the Director of Sports Performance determines that the complaint has sufficient merit to proceed and is otherwise not deficient, he or she shall investigate the matter as appropriate and give a written opinion (in addition to any other communications that the Director of Sports Performance may have with the Aggrieved Party) on the matter to the Aggrieved party within two (2) weeks of the receipt of the complaint, unless the matter has been stayed consistent with Chapter 13.2.3 (G). The Director of Sports Performance’s goals in issuing the written opinion shall include, but not be limited to, advancing a fair resolution of the conflict and keeping the aggrieved party appropriately informed.

Even though the complaint has sufficient merit to proceed and is otherwise not deficient, the Director of Sports Performance nonetheless may, at any time during the dispute resolution process, conclude in matters of sufficient seriousness that the matter should be considered, and perhaps exclusively, under other disciplinary procedures, such as Chapter 13.2.3 (A). If so, the Director of Sports Performance may request that those disciplinary procedures be initiated consistent with those procedures.

G. During the investigation, the Director of Sports Performance may (and generally will) discuss the matter with the National Coach and may share the complaint with the National Coach. The National Coach shall respond to any Director of Sports Performance’s inquiries within five (5) days of such inquiries and otherwise discuss the matter with the Director of Sports Performance. If the Director of Sports Performance requests that the National Coach’s response be in writing, the National Coach shall do so within five (5) days of such request. The Director of Sports Performance may share the National Coach’s response(s), written or otherwise, with the Aggrieved Party. The National Coach’s obligations shall not supersede, or otherwise be implemented in a manner inconsistent with the National Coach’s due process rights.

H. The Director of Sports Performance may request that the Aggrieved Party and the National Coach enter into mediation or arbitration. This may include mediation and arbitration provided by USA Fencing or by an individual or individuals designated by the Director of Sports Performance. In the event that the Aggrieved Party and the National Coach agree to mediation
or arbitration, the dispute resolution procedure shall be stayed until the mediator(s) or arbitrator(s) concludes such mediation or arbitration or until the Director of Sports Performance terminates such mediation or arbitration.

I. If the Director of Sports Performance’s position is unfilled or if the Director of Sports Performance does not respond within the two (2) week limit, the Aggrieved Party may contact in writing the Executive Director about the unfilled position or the failure of the Director of Sports Performance to act and submit the written complaint to the Executive Director for his or her action. In such an event, the dispute resolution process shall be followed, with the Executive Director fulfilling those obligations of the Director of Sports Performance and within the two (2) week limit beginning the date the Executive Director receives such written complaint.

J. The initiation or resolution of this dispute resolution process shall not prejudice the Aggrieved Party from the ability to seek appropriate relief or other appropriate procedures.
Chapter 14 - Codes of Conduct & USA Fencing Policies

14.1 Fencer Code of Conduct Agreement

Introduction: Membership on an USA Fencing National Team, competing around the world in international and at national events, is an honor. It is a distinction few achieve and an accomplishment universally recognized as a distinctive achievement in the sport. It is in that context that we ask you to make the pledge set forth below to USA Fencing and to the United States Olympic and Paralympic Committee in promoting sustained competitive excellence in the sport.

Athlete Pledge: I pledge to uphold the spirit of the Athlete Code of Conduct (ACC), which offers a general guide to my conduct as a member of the National Team, or as a member of any named team to any USA Fencing designated event, training camp or competition. By signing the ACC, I (1) accept nomination and, if accepted, selection to the National Team and/or to any named team to any USA Fencing designated event, training camp or competition, (2) agree to abide by this ACC and the Grievance Procedures noted above, which will be used by USA Fencing to resolve any alleged violations of the ACC, (3) agree to submit to any dispute that arises in relation to my nomination or selection to the National Team, or to any named team, to any USA Fencing designated event, training camp or competition, to USA Fencing pursuant to the Grievance Procedures apply as soon as I sign the USA Fencing Athlete Agreement.

I have familiarized myself with the ACC and understand that acceptance of its provisions as written is a condition of my selection to the National Team, or to any named team, to any USA Fencing designated event, training camp or competition. This ACC must be signed in an unaltered form in all applicable places in order for an individual to become a member of the National Team or the team to any designated event, training camp or competition. The duration of any activity (event, training camp or competition) is defined as the period beginning when a participant comes under the supervision of a Team Leader, Team Captain, National Coach or other person vested with the authority of USA Fencing until the participant is no longer under such immediate supervision.

AS A MEMBER OF THE NATIONAL TEAM OR A MEMBER OF A USA FENCING TEAM TO A DESIGNATED TEAM EVENT, TRAINING CAMP OR COMPETITION, I HEREBY PROMISE AND AGREE THAT I:

- Will maintain a level of fitness and competitive readiness that will permit my performances to be at the maximum of my abilities;
- Will submit to a physical examination by USA Fencing medical personnel if my ability to compete is compromised due to physical injury and I understand that such injury may be cause for my not being selected to the National Team, or the Team designated event, being removed from the National Team, or the Team to any designated event, or not being allowed to participate if I remain on the Team;
- Will not commit a doping violation as defined by, as applicable, the International Olympic Committee (IOC), International Paralympic Committee (IPC), World Anti-Doping Agency (WADA), United States Anti-Doping Agency (USADA), the Federation International d’Escrime (FIE), International Wheelchair & Amputee Sports Federation (IWAS) or the
United States Olympic and Paralympic Committee (USOPC);

- Will refrain from conduct detracting from my ability or that of my teammates to attain peak performance;

- Will engage in no form of discriminatory behavior or verbal, physical or sexual harassment or abuse (see USA Fencing policy on sexual misconduct and harassment). I understand that it is a USA Fencing rule that any sexual conduct or advance or any other inappropriate sexually oriented behavior directed toward an athlete by another athlete or person in a position of authority is prohibited;
- Will follow USA Fencing rules established by the Team Leader, Team Captain, or any other person vested with the authority of USA Fencing, including by way of example, rules regarding required attendance at camps and events and curfew at events while a member of a USA Fencing team;
- Will abide by the FIE rules regarding eligibility for World Cup and World Championship competition, with USOPC rules regarding eligibility for Olympic competition, and rules concerning allowable trademark identification on clothing and equipment worn or used at all of these events;
- Am aware that USA Fencing sponsors, suppliers, and licensees provide critical support for the Team and that, when requested, I will wear USA Fencing sponsored apparel and use USA Fencing sponsored equipment at official USA Fencing and FIE events;
- Will not use or authorize the use of my name, person, picture, voice, or any of my sports performances for the purpose of trade during designated events without the prior written consent of USA Fencing;
- Will attempt to participate in media and sponsor-related activities if compatible with my training and competitive schedule at designated events when requested by the National Coach or the Team Leader, or his or her designee;

14.3.3 USA Fencing Spectator Code of Conduct

As a spectator and supporter of the sport of fencing, I understand that it is my role to help create a positive and supportive environment for everyone involved in a tournament – both on and off the strip. I will:

• Be a role model by positively supporting athletes and not shouting instructions or criticism to the athletes, coaches or officials.

• Help provide a safe and fun environment for all participants.

• Encourage all competitors in a positive manner, remembering that the use of profanity and objectionable gestures are offensive and are prohibited.

• Be supportive after the competition – win or lose. I will recognize good efforts and sportsmanship.

14.3.4 USA Fencing Code of Conduct for Parties in Disciplinary Proceedings

USA Fencing has been made aware that you are involved in an Ethics, SafeSport or other disciplinary complaint that has been submitted either to the US Center for Safe Sport ("Center") or to a USA Fencing Disciplinary Panel ("Panel") and that is currently under investigation. While the case is pending, and after it is resolved, the complaining and defending parties named in the complaint should adhere to the following standards of conduct. These do not assume the truth or falsity, validity or invalidity, of any fact, claim or defense alleged or asserted by any party. They are minimum standards for preventing disruption in our sport.

1. All parties shall at all times behave in a civil and respectful manner toward each other and toward all others involved in the proceeding.

2. Except as permitted by the relevant disciplinary authority (e.g., to prepare for or conduct the hearing of a claim or defense), no party shall communicate directly with an adverse party by any means concerning the subject matter of the proceeding. Nor shall any party cause another person to do so.

3. No party shall retaliate against or harass or intimidate another party, or cause another person to do so, for making or raising any allegation, claim or defense in the proceeding.

4. No party shall retaliate against or harass or intimidate any witness, or otherwise attempt to improperly influence another person’s testimony or cooperation in the proceeding.

5. During the pendency of the proceeding and any appeal therefrom, each party shall minimize communications and physical interactions with each adverse party, and limit them as much as reasonably possible to those necessary and appropriate to the parties’ respective activities involving or relating to the sport of fencing.

6. Adversity in a disciplinary proceeding creates a conflict of interest between opposing parties, pursuant to which, absent a mutual waiver by all parties or a contrary ruling from the Panel, a party must be
disqualified from any position or activity in which he or she would have oversight or authority over his or
her adversary. Such a conflict does not extend to students, teammates or club-mates of the adversary,
absent sufficient evidence to the contrary.

7. The parties, may, in a writing signed by all of them, (i) waive such a conflict, in which event there shall
be no disqualifications, or (ii) agree to the nature, scope and duration of disqualification.

8. Any of the parties to such a waiver or agreement may revoke it in writing, in which event it shall be of
no further force or effect.

9. If there is no such waiver or agreement, or if it is revoked, then the Panel shall hear and determine any
disputes concerning the nature, scope and duration of disqualification arising from a conflict described
in this Paragraph 6, both as a preliminary matter and as part of its final report and recommendations. If
the proceeding is before the Center, then a hearing officer appointed by the Executive Director shall
hear and determine any such dispute as a preliminary matter, pending the Center’s final determination
and any appeal therefrom.

10. If any of these standards of conduct are violated, then the violating party may be sanctioned by USA
Fencing. If a party believes, based upon good cause, that the standards are insufficient to protect
against harassment, abuse, intimidation, retaliation or emotional or physical distress, then the party
may request other appropriate restrictions from the relevant Panel, from the Center if the proceeding is
before it.

14.4 IOC Stockholm Consensus

Statement of the Stockholm Consensus on Sex Reassignment in Sports
On 28 October 2003, an ad-hoc committee convened by the IOC Medical Commission met in Stockholm to
discuss and issue recommendations on the participation of individuals who have undergone sex
reassignment (male to female and converse) in sport.

This group was composed of:
Prof. Arne Ljungqvist (SWE)
Prof. Odile Cohen-Haguenauer (FRA)
Prof. Myron Genel (USA)
Prof. Joe Leigh Simpson (USA)
Prof. Martin Ritzen (SWE)
Prof. Marc Fellous (FRA)
Dr. Patrick Schamasch (FRA)

The group confirms the previous recommendation that any “individuals undergoing sex reassignment of
male to female before puberty should be regarded as girls and women (female).” This applies as well for
female to male reassignment, who should be regarded as boys and men (male).

The group recommended that individuals undergoing sex reassignment from male to female after puberty
(and the converse) be eligible for participation in female or male competitions, respectively, under the
following conditions:
• Surgical anatomical changes have been completed, including external genitalia changes and
gonadectomy
• Legal recognition of their assigned sex has been conferred by the appropriate official authorities
• Hormonal therapy appropriate for the assigned sex has been administered in a verifiable manner
and for a sufficient length of time to minimize gender-related advantages in sport competitions.

In the opinion of the group, eligibility should begin no sooner than two years after gonadectomy.

It is understood that a confidential case-by-case evaluation will occur.
In the event that the gender of a competing athlete is questioned, the medical delegate (or equivalent) of the relevant sporting body shall have the authority to take all appropriate measures for the determination of the gender of a competitor.

Sch 12.11.03

Updated information from the IOC as of November 2015:

1. Transgender guidelines
   A. Since the 2003 Stockholm Consensus on Sex Reassignment in Sports, there has been a growing recognition of the importance of autonomy of gender identity in society, as reflected in the laws of many jurisdictions worldwide.
   B. There are also, however, jurisdictions where autonomy of gender identity is not recognised in law at all.
   C. It is necessary to ensure insofar as possible that trans athletes are not excluded from the opportunity to participate in sporting competition.
   D. The overriding sporting objective is and remains the guarantee of fair competition. Restrictions on participation are appropriate to the extent that they are necessary and proportionate to the achievement of that objective.
   E. To require surgical anatomical changes as a pre-condition to participation is not necessary to preserve fair competition and may be inconsistent with developing legislation and notions of human rights.
   F. Nothing in these guidelines is intended to undermine in any way the requirement to comply with the World Anti-Doping Code and the WADA International Standards.
   G. These guidelines are a living document and will be subject to review in light of any scientific or medical developments.

In this spirit, the IOC Consensus Meeting agreed the following guidelines to be taken into account by sports organisations when determining eligibility to compete in male and female competition:

1. Those who transition from female to male are eligible to compete in the male category without restriction.
2. Those who transition from male to female are eligible to compete in the female category under the following conditions:
   2.1. The athlete has declared that her gender identity is female. The declaration cannot be changed, for sporting purposes, for a minimum of four years.
   2.2. The athlete must demonstrate that her total testosterone level in serum has been below 10 nmol/L for at least 12 months prior to her first competition (with the requirement for any longer period to be based on a confidential case-by-case evaluation, considering whether or not 12 months is a sufficient length of time to minimize any advantage in women’s competition).
   2.3. The athlete’s total testosterone level in serum must remain below 10 nmol/L throughout the period of desired eligibility to compete in the female category.
   2.4. Compliance with these conditions may be monitored by testing. In the event of non-compliance, the athlete’s eligibility for female competition will be suspended for 12 months.

2. Hyperandrogenism in female athletes
   In response to the interim award dated 24 July 2015 in Chand v AFI and IAAF CAS 2014/A/3759, the IOC Consensus Meeting recommended:
   • Rules should be in place for the protection of women in sport and the promotion of the principles of fair competition.
• The IAAF, with support from other International Federations, National Olympic Committees and other
sports organisations, is encouraged to revert to CAS with arguments and evidence to support the
reinstatement of its hyperandrogenism rules.
  To avoid discrimination, if not eligible for female competition the
athlete should be eligible to compete in male competition.

USA Fencing Background Check Appeal Procedures

All appeals of "red light" or "adverse action letter" background checks shall be referred to the SafeSport Coordinator (SSC) for initial evaluation, and when appropriate, for further action in accordance with USA Fencing policies and procedures. In the discharge of these duties, the SSC shall consult with the Chief Executive Officer and USAF legal
counsel as he or she deems appropriate. If the SSC is the subject of the complaint, the President shall serve the functions assigned by this policy to the SSC.

Any member of the USAF or applicant for USAF membership who is denied admission or appointment to any position on the basis of a "red light" background check or an "adverse action letter" predicated on the results of a background check shall have a right to seek review of that decision in accordance with the procedures here specified.

Should any individual receive a "red light" finding or an "adverse action letter" based on a USAF required background check and wish to contest any resulting USAF decision to deny his or her application for membership or to deny him or her any USAF position or appointment, that individual has a right to a review of the denial. The person who seeks review is referred to herein as "the appellant." The appellant may act on his or her own behalf during the appeal or may be assisted by a representative.

Unless otherwise notified by the USAF that a shorter period is required because of nomination deadlines dictated by the USAF, the USOPC, the FIE or by prevailing circumstances, the appellant shall have 10 business days from the date that he or she is informed of the decision from which the appeal is being taken to notify the Safe Sport Coordinator of the appeal.

The SSC shall review any evidence and arguments submitted by the appellant or on his or her behalf and shall undertake such additional investigation as the SSC believes necessary to make an initial determination of the merits of the appeal. Upon reaching that determination, the SSC may inform the appellant thereof and shall ascertain from the appellant whether he or she wishes to proceed to a hearing by the Board of Directors.

If the appellant wishes to proceed, and the Board has previously provided for the hearing of background check appeals by a committee of the Board, and has constituted and populated such a committee, the SSC shall refer the matter to that committee and shall forward to them, his/her field in the matter, including (a) all statements, documents and other evidence obtained by him, including the background check findings; (b) the arguments and evidence submitted by the appellant or on his behalf, and (c) the SSC’s recommendation whether the decision being appealed should be upheld or overruled and the reasons underlying that recommendation. If the committee is not in place, the matter will be referred directly to the Board of Directors at the next scheduled meeting.

The designated committee shall review the file. The decision shall be reversed if a majority of the members of the Board (or of the designated committee) present and voting concludes either (a) by a preponderance of the evidence that the background check results were based on erroneous information; or (b) that to a reasonable degree of certainty the applicant does not pose a danger to the individuals with whom he or she is expected to come into contact by virtue of the class of membership, the position or the appointment that was denied on the basis of the "red light" or "adverse action letter." If the designated committee is not unanimous in their ruling, the review will be done by the USA Fencing Board of Directors.

The SSC shall communicate the results of the appeal to the appellant with copies to the CEO, legal counsel and any other person or organization necessary to effect any change in the appellant’s status resulting from the decision on appeal.

If the appellant disagrees with the outcome of the appeal, he or she may file a demand for arbitration with the American Arbitration Association as provided in the Bylaws. The award obtained in the arbitration shall be final and binding on all parties.

The intentional submission of false information or evidence in connection with any proceeding provided herein shall be grounds for disciplinary action in accordance with USAF disciplinary procedures.
USA Fencing and U.S. Center for SafeSport Minor Athlete Abuse Prevention Policy
The U.S. Center for SafeSport (the Center) and USA Fencing are committed to building a sport community where participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct.

INTRODUCTION

The U.S. Center for SafeSport (the Center) is committed to building a sport community where Participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct. Throughout this document the most commonly used terms are defined in the Terminology section in the back of this document.

Authority

The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 authorizes the Center to develop training and policies to prevent abuse—including physical, emotional, and sexual abuse—within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(1). Federal law requires that, at a minimum, national governing bodies and paralympic sports organizations must offer and give consistent training related to the prevention of child abuse: (1) to all adult members who are in regular contact with amateur athletes who are minors and (2) subject to parental consent, to members who are minors. 36 U.S.C. § 220542(a)(2)(E). Federal law requires that these policies contain reasonable procedures to limit unobservable and uninterruptible one-on-one interactions between an amateur athlete, who is a minor, and an adult, who is not the minor’s legal guardian, at facilities under the jurisdiction of organizations within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(2)(C).

What is the MAAPP?

To that end, the Center has developed the Minor Athlete Abuse Prevention Policies (MAAPP). The MAAPP is a collection of proactive prevention and training policies for the U.S. Olympic & Paralympic Movement. It has three primary components:

1. An Education & Training Policy that requires training for certain Adult Participants within the Olympic & Paralympic Movement;
2. Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes, that Organizations within the Olympic & Paralympic Movement must implement to prevent abuse;

The Center developed the MAAPP to assist National Governing Bodies (NGBs), Paralympic Sport Organizations (PSOs), Local Affiliated Organizations (LAOs), the U.S. Olympic & Paralympic Committee (USOPC), and other individuals to whom these policies apply in meeting their obligations under federal law (note: implementing these policies does not guarantee that an organization or individual fully complies with federal law or all applicable legal obligations). These Organizations should share these policies with all Participants and with parents/guardians of minor athletes. Those implementing these policies should consider the physical and cognitive needs of all athletes.

The MAAPP focuses on just two important aspects of a much larger comprehensive abuse prevention strategy. These policies address training requirements and limiting one-on-one interactions between adults and minor athletes. These policies are intended to be enforceable and reasonable, acknowledging, for example, that when a 17-year-old athlete turns 18, they become an adult athlete, and a complete prohibition of one-on-one interactions may not be necessary or practical. Additionally, there may be other instances when one-on-one interactions could occur, and in those cases, these policies provide strategies so parents/guardians can provide informed consent if they choose to allow a permitted interaction. The Center recommends that parents first complete training on abuse prevention to be informed about potential boundary violations and concerns before consenting to the interaction.
While the MAAPP will help organizations implement these policies to greatly improve minor athlete safety, in no way can they guarantee athlete safety in all circumstances, especially when the policies are not fully implemented, followed, or monitored. These policies are not comprehensive of all prevention strategies, nor are they intended to be. These policies should be implemented alongside the SafeSport Code. Additionally, other resources are available that may assist organizations in improving athlete safety.\(^1\)

**How Does the Center Ensure Compliance with the MAAPP?**

Federal law requires the Center to conduct regular and random audits of the NGBs to ensure compliance with these policies. 36 U.S.C. § 220542(a)(2)(E). More specific organizational compliance requirements can be found in the Appendix. Additionally, it is the responsibility of the USOPC and each NGB, LAO, and Adult Participant to comply with the MAAPP. The aforementioned Organizations can act in their respective programs for violations of the MAAPP by Adult Participants. Adult Participants also have an independent responsibility to comply with these MAAPP provisions. Violations of these provisions can result in sanctions under the SafeSport Code.

**Is the MAAPP Different from the SafeSport Code?**

Yes. The SafeSport Code works alongside the MAAPP to prevent abuse. The MAAPP includes proactive prevention policies for organizations and individuals, while the SafeSport Code contains misconduct policies for individuals. However, violations of the MAAPP can violate the SafeSport Code, and violators can be sanctioned.

**SCOPE**

The MAAPP Applies to “In-Program Contact” Within the Olympic & Paralympic Movement

The MAAPP is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), Local Affiliated Organizations (LAO), and Paralympic Sport Organizations (PSO) within the Olympic & Paralympic Movement (each an “Organization”).

Some policies impose requirements on USA Fencing and/or its divisions or member clubs at sanctioned events and facilities partially or fully under USA Fencing’s jurisdiction. For example, USA Fencing and/or its divisions or member clubs, as the case may be, must monitor locker rooms at their respective facilities and sanctioned events. Other policies impose certain requirements on Adult Participants under USA Fencing’s jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants cannot have one-on-one electronic communications with Minor Athletes that they coach.

**Who is a Minor Athlete?**

A **Minor Athlete** is an amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of, USA Fencing and/or its divisions or member clubs

---

**Partial or Full Jurisdiction:** Includes any sanctioned event or activity (including all travel and lodging in connection therewith) conducted by the USA Fencing or any of its divisions or member clubs, and any facility that USA Fencing or any of its divisions or member clubs owns, leases, or rents for practice, training, or competition.

**Who is an Adult Participant?**

An **Adult Participant** is any adult (18 years of age or older) who is:
1. A member or license holder of USA Fencing
2. An employee or board member of USA Fencing and/or its divisions or member clubs
3. Within the governance or disciplinary jurisdiction of USA Fencing
4. Authorized, approved, or appointed by an USA Fencing and/or its divisions or member clubs to have regular contact with or authority over Minor Athletes.²

**What is In-Program Contact?**

In-Program Contact includes sanctioned events and facilities, but it also applies more broadly to sport-related interactions. The MAAPP defines "In-Program Contact" as:

*Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.*

Examples of in-program contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

**Does the MAAPP Have Any Exceptions?**

Yes. The MAAPP was written with certain appropriate exceptions in mind. Exceptions are addressed in each policy and include:

1. **A Close-in-Age Exception**
   This exception applies to certain policies and allows for In-Program Contact between an Adult Participant and a Minor Athlete if:
   a. The Adult Participant has no authority over the Minor Athlete; and
   b. The Adult Participant is not more than four years older than the Minor Athlete.
   *Note: This exception is different than the close-in-age exception in the SafeSport Code pertaining to misconduct.*

2. **Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete**

3. **Exceptions for Dual Relationships**
   This exception applies to certain policies when the Adult Participant has a dual role or relationship with a Minor Athlete. The exception requires written consent of the Minor Athlete’s parent/guardian at least annually.

² This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.
Many of the exceptions require parent/guardian consent. The Center recommends parents take training on child abuse prevention before providing consent under these policies. The Center offers a free Parent Course at www.athletesafety.org.

Am I required to take SafeSport Training?

Certain Adult Participants within the Olympic & Paralympic Movement who have (i) regular contact with Minor Athletes, (ii) authority over Minor Athletes, or (iii) are employees or board members of the USOPC, NGBs, PSOs, or LAOs, are required to take training. The specific training requirements can be found in Part I.

PART I
EDUCATION & TRAINING POLICY

A. Mandatory Child Abuse Prevention Training for Adult Participants

1. Adult Participants Required to Complete Training
   a. The following Adult Participants must complete the SafeSport Trained Core either through the Center’s online training or the Center’s approved, in-person training:
      i. Adult Participants who have regular contact with any amateur athlete(s) who is a minor;
      ii. Adult Participants who have authority over any amateur athlete(s) who is a minor;
      iii. Adult Participants who are an employee or board member of USA Fencing and/or its divisions or member clubs
   b. Adult Participants who are medical providers required to take training under Section (a) can take the Health Professionals Course in lieu of the SafeSport Trained Core. This includes designated medical providers at USA Fencing National Events and designate providers for USA Fencing National Team travel.

2. Timing of Training
   Adult Participants must complete this training:
   a. Before regular contact with an amateur athlete who is a minor begins; and
   b. Within the first 45 days of either initial membership or upon beginning a new role subjecting the adult to this policy.

3. Refresher Training
   The above listed Adult Participants must complete a refresher course on an annual basis, beginning the calendar year after completing the SafeSport Trained Core. Every four years, Adult Participants will complete the SafeSport Trained Core training. Medical providers can take the Health Professionals Course in lieu of the SafeSport Trained Core and are required to take the refresher courses on an annual basis if they meet the criteria for A(1).

B. Minor Athlete Training Must Be Offered

1. USA Fencing and/or its divisions or member clubs, must on an annual basis offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse.

2. The Center offers youth courses, located at www.athletesafety.org, that meet this requirement.

C. Parent Training Must Be Offered

1. USA Fencing and/or its divisions or member clubs must on an annual basis offer training to parents on the prevention and reporting of child abuse.

2. The Center offers a parent course, located at www.athletesafety.org, that meets this requirement.
D. Optional Training

1. Adult Participants serving in a volunteer capacity, who will not have regular contact with or authority over Minor Athletes, should take the Center’s brief Volunteer Course (or SafeSport Trained Core) before engaging or interacting with any Minor Athlete(s).

2. USA Fencing and/or its divisions or member clubs may provide training in addition to the SafeSport Trained Core, although they cannot refer to this training as “SafeSport” training. Training other than the SafeSport Trained Core or Refresher does not satisfy this policy.

3. Parents of Minor Athletes are provided free online access to the Center’s parent course and are encouraged to take the training.

E. Exemptions and Accommodations

1. Exemptions from this Education & Training Policy may be made on a case-by-case basis for victims/survivors. Requests may be made directly to the U.S. Center for SafeSport at exemptions@safesport.org.

2. The Center will work with USA Fencing and/or its divisions or member clubs on appropriate accommodations for persons with disabilities and individuals with limited English proficiency to satisfy these training requirements. Each NGB, PSO, LAO and the USOPC must provide reasonable accommodations and track any exemptions for individuals with disabilities and individuals with limited English proficiency.

PART II
REQUIRED POLICIES FOR ONE-ON-ONE INTERACTIONS

The U.S. Center for SafeSport recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

MODEL POLICY: ONE-ON-ONE INTERACTIONS

A. Mandatory Components

1. Observable and Interruptible
   a. All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be observable and interruptible, except in emergency circumstances.

143
(3) the Adult Participant Personal Care Assistant has complied with USA Fencing’s Background check policy; or

3. USA Fencing must, on an annual basis, offer training to parents on the prevention and reporting of child abuse.

B. Required Prevention Policies and Implementation

1. USA Fencing must develop minor athlete abuse prevention policies that contain the mandatory components of the Center’s model policies in Part II. These model policies cover:
   a. One-on-one interactions
   b. Meetings and training sessions
   c. Athletic training modalities, massages, and rubdowns
   d. Locker rooms and changing areas
   e. Electronic communications
   f. Transportation
   g. Lodging

2. The policies must be approved by the Center as described in subsection (C) below. The policies may include the recommended components in Part II and the recommended policies in Part IV. Given the uniqueness of each sport, however, some recommended components or policies may not be feasible or appropriate. An Organization may choose to implement stricter standards than the model policies.

3. USA Fencing must also require that its member clubs implement these policies within their club.

4. USA Fencing must implement these policies for all In-Program Contact.
   a. At sanctioned events and facilities partially or fully under its jurisdiction, the organization must take steps to ensure the policies are implemented and followed.
   b. For In-Program Contact that occurs outside USA Fencing’s and/or the relevant division’s or member club’s sanctioned event or facilities, implementing these policies means:
      i. Communicating the policies to individuals under its jurisdiction;
      ii. Establishing a reporting mechanism for violations of the policies;
      iii. Investigating and enforcing violations of the policies.

5. USA Fencing must have a reporting mechanism to accept reports that an Adult Participant is violating USA Fencing’s minor athlete abuse prevention policies. USA Fencing must appropriately investigate and resolve any reports received, unless the violation is reported to the Center and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.
C. Policy Approval and Submission Process

1. USA Fencing may adopt the MAAPP as-is or adapt it to fit their needs. Regardless, each Organization must submit their policies to the Center at compliance@safesport.org for review and approval by January 31, 2021. The Center will approve, approve with modifications, or deny the policies. If the Center denies the proposed policy, the mandatory components of Part II become the default policy until the Center approves the policy.

2. USA Fencing must require their LAOs to incorporate the mandatory components of Part III. NGBs may require that their LAOs implement the NGB’s policies, which may be more stringent than the policies in Part II.

3. An USA Fencing may, in its discretion, require its National Member Organizations (NMO) to implement these policies.
   - An NGB that chooses to require its NMOs to implement the Education & Training Policy must obtain advanced, written approval from the Center to expand the training access to additional persons. Requests must be submitted to ngservices@safesport.org.

4. The mandatory components of Part II will serve as the default policy for any organization that fails to develop its own policy as required by this section.

Per USA Fencing, SYC National Points needs to be calculated at a 0.8 scale of the Youth NAC/Championship Table. Per USA Fencing, SJCC National Points needs to be calculated at a 0.2 scale of the Cadet and Junior NAC Table.
Regional boundaries will be reassessed each quadrennial in order to respond to the growth and shifts of the fencing membership throughout the country.
Local tournaments must use at least one rated referee in order to issue classifications. Division I NAC and National Championships are always Group A4 events. Division IA NAC & National Championships are always at least Group A3 events.

Black Card, Medical Withdrawal, or No-Show (updated black card information on page 149)

Black Card

If fencer receives a black card at any point during a tournament, the fencer appears in results as “Place fencer excluded” or “EXC-fencer name”; black carded fencer(s) classifications should be used for competitive field total to determine classification, but the blacked carded fencer(s) cannot earn classification or qualification based on their excluded place.

Medical Withdrawal

If the fencer needs to medically withdraw due to injury or illness it must be certified by a certified medical professional or athletic trainer, if available, otherwise by the Bout Committee.

If medical withdrawal occurs during pool round (fencer does not complete pool), then fencer has no results to report and cannot be used towards competitive field total to determine classification or qualification to championships.

If medical withdrawal occurs after completion of the pool or during DE period – fencer keeps place in table to determine results AND may be used towards competitive field total to determine classification AND/OR qualification to championships. Medical withdrawal should be indicated in results submitted to National Office.

No-Show

If the fencer fails to appear on the strip, it is treated as an elimination.

USA Fencing Rule t.105

1. A competitor who, while fencing, commits certain violent or vindictive actions against his opponent, or who does not fence to his utmost ability, or who profits from a fraudulent agreement with his opponent, may be excluded from the competition.

2. A competitor who is excluded from a competition may not continue to take part in that competition, even if he is already qualified for promotion to the next round. He loses the right to his individual classification and the place that he occupied remains unfilled; but the points obtained by the fencer up to the moment of his expulsion remain valid for the classification of the team in the team event, providing that he actually takes part in that team event.

Scoresheet Protests

In the event a scoresheet is protested to the bout committee during the course of a pool, or during the regular review period prior to the direct elimination round, the following policy will be followed:
• If both fencers agree, the scoresheet will be changed
• If both fencers do not agree:
  o The referee of the bout will be paged. If both fencers of the bout are not present, the absent fencer will be paged up to two times.
  o The bout by bout listing at the bottom of the scoresheet, if filled out, will be consulted. If the score recorded in the bout by bout listing confirms the score change requested, it will be changed.
  o If the bout by bout listing is not complete, the referee and bout committee representative will confer with the fencers.

If agreement cannot be reached, the recorded score stands. Referees may not change a scoresheet without both fencers present during a pool or any time prior to turning in the scoresheet to the bout committee. Fencer or spectator submitted video or photos are not valid score documents and will not be used by the bout committee. The standard review period will not be extended during the deliberation of the scoresheet correction. If consensus cannot be achieved prior to the end of the standard review period, the score recorded stands and no further protests will be considered.

Approved Local Tournament Formats
As recommended by the tournament task force and approved by the BOD (June 12, 2013):

Tournament formats approved for awarding classifications:
1. Pool(s) to Pool(s) to Pool(s)
2. Pool(s) to standard DE
3. Pool(s) to DE with Repêchage
4. Pool(s) to DE with all places fenced

6. NCAA Championship Format – Round Robin with super DE (top 4/8)
7. “Sharks and Minnows”
8. Super Pools/Canadian Elite (Pools to DE to Pool(s) to DE)

Tournament formats with provisional approval: 1. Pool(s) to DE with loser’s bracket to earn third (Wrestle backs).

Note: This format was approved in a Board of Directors meeting with rationale that would have put it in the provisional category if it existed at the time. We recommend it be listed as Provisional and go through further evaluation before being listed as a standard format.

Tournament formats specifically excluded from awarding classifications:
1. One touch tournaments
2. Tournaments that go straight to DE
3. Local and Regional tournaments that exempt a given number of fencers at the start.

Rules for all US Fencing tournaments that award classifications:
1. All pool bouts must be 5 touches and 3 minutes (Rule o.17).
2. All direct elimination bouts must be 15 touches and three-3 minute periods, or 10 touches and two 3-minute periods for Veterans and Youth 10, with one-minute rests between periods. In sabre direct elimination bouts, except Veterans and Youth 10, the one-minute rest occurs when one fencer’s score reaches 8 or 3 minutes have expired in the first period, whichever occurs first. For Veteran and Youth 10 events, the one-minute rest occurs when one fencer’s score reaches 5 touches (Rule o.23-24).
3. There must be at least 50 percent promotion of fencers between rounds, except when using NCAA Championship format.

**Tournament formats for all US Fencing National Qualifiers:**
Division qualifiers, Regional Youth Circuit (RYC), Regional Open Circuit (ROC) and Super Youth Circuit (SYC) are included in this category.
1. One round of pool(s) to Straight DE.
2. Two rounds of pools to Straight DE.

**Rules for all US Fencing tournaments that are National Qualifiers:**
1. All pool bouts must be to a maximum of 5 touches and 3 minutes.
2. All direct elimination bouts must be 15 touches and three 3-minute periods, or 10 touches and two 3-minute periods for Veterans and Youth 10, with one-minute rests between periods. In sabre direct elimination bouts, except Veterans and Youth 10, the one-minute rest occurs when one fencer’s score reaches 8 or 3 minutes have expired in the first period, whichever occurs first. For Veteran and Youth 10 events, the one-minute rest occurs when one fencer’s score reaches 5 touches (Rule 023-24).
3. There must be at least 50 percent promotion of fencers between rounds.
4. DEs with repêchage and DEs fenced to all places are not allowed for National Qualifiers.
5. If there is an absolute tie for the final qualifying slot, there must be a fence-off (15-touch bout, or DE format mandated by age-level of event(s) to determine the final qualifying slot.

**Notification:**
1. Local sanctioned tournaments must be advertised for a minimum of fourteen days in order to have classification changes processed by the National Office. Club or division websites, social media, and public online tournament registration platforms are all valid methods of advertising. If the tournament is size restricted, as defined in the Competition Types below, it must be published 30 days in advance for classification changes to be processed by the National Office.
2. Format must be announced when published.
3. Format must be announced at the start of the tournament.

**Consequences for failure to follow the above rules:**
1. Division can remove sanction and void any classifications potentially earned.
2. ROC and SYC organizers who fail to follow the rules should be reviewed by the National Office and possibly be eliminated from consideration for holding an event the following year.
3. Divisions who chronically fail to follow the rules for qualifiers should be reviewed by the Tournament Committee and the National Office, who may require an observer be assigned for future such events, all expenses to be covered by the division.

**Approval of tournament formats not listed above:**
Tournament Committee subcommittee may be empaneled to hear proposed new tournament formats in two steps:
1. Provisional approval to judge effectiveness.
2. As appropriate, addition to above approved tournament list.

**Sharks and Minnows Tournament Format**
This tournament format is two rounds of pools, followed by a direct elimination tableau. The first round of pools is seeded per normal USA Fencing tournament standards.
Example (Fencers A-Q, seeded in order)
Pool 1: A, F, G, L, M, R
Pool 2: B, E, H, K, N, Q
Pool 3: C, D, I, J, O, P

The second round of pools contains two types, the "shark" and "minnow" pools. The shark pool is the top-seeded fencers to come out of the first round.

Example (Fencers A-Q, seeded in order)

"Sharks"
Pool 1: A, B, C, D, E, F

"Minnows"
Pool 2: G, J, K, N, O, R
Pool 3: H, I, L, M, P, Q

The DE tableau may or may not have a cut. The participants of the "shark" pool are guaranteed the top seeds, which will be based on their second round pool performance. The remaining spots are based on the results of the minnow pools. The resulting DE tableau is fenced as normal until a single winner remains. Example (Top 16 promoted):

A (1) v. P (16)
B (2) v. N (15)
C (3) v. M (14)
G (7) v. J (10)
H (8) v. I (9) Q, R not promoted

**Competition Types**

**Closed:** A Closed competition is a regional, interdivisional, or divisional competition in which eligibility is limited on the basis of regional or divisional membership.

**Age-Restricted:** Any USA Fencing age-restricted competition can be rated for classification change consideration except those competitions that are restricted to Cadet or Youth age categories, which must additionally meet the criteria for a Group C1 or higher for the competition to be ranked for classification changes. [BOD, July 2003]

**Restricted:** Competitions may be restricted to fencers under or over a certain age; to unclassified fencers or novice; or to other categories of fencers provided that an appropriate description of the basis of eligibility of contestants is announced in the schedule.

A local sanctioned tournament may cap their competitive field size at no less than 64 people. Should a local tournament institute a field size cap, it must be published at least 30 days in advance and any procedure used to let fencers in once the cap has been reach, such as a waitlist, must be documented and published at least 30 days in advance. Division qualifiers, RYCs, RJCCs, ROCs, SJCCs and SYCs may not cap entries.

Restricted competitions may not be rated unless the restriction is based solely upon fencers' classifications, USA Fencing age categories or division/region membership, or meet the size restrictions defined in the information above.

**Mixed (Co-ed):** A mixed (or co-ed/mixed gender) competition is a competition in which members of both sexes may compete. Mixed competitions are not permitted in competitions used to determine qualifiers to the National Championship competitions. Regional Youth Circuit (RYC) competitions may be mixed if there are 5 or fewer competitors of one gender in a specific Youth category (Youth 14, Youth 12, or Youth 10). Classifications can be earned at mixed competitions, disregarding the gender of the athlete and simply comparing the classifications of all fencers relative to the rules for earning a new classification. If the competition is a Youth or Cadet competition, classifications can only be earned if the competition meets the criteria for C1 or better.
**High School Fencing:** High School fencing tournaments are held throughout the season for athletes in 9th–12th grade. The goal of this program is to continue to motivate developing High School athletes to participate in High School tournaments/leagues throughout the competitive season.

There are no national or regional points awarded at *Recognized* High School competitions. However, those athletes with a current USA Fencing High School or Competitive membership may earn classifications based on the total number that fence in the High School *individual* event. The athlete would have to be a current member as of and during the particular tournament to receive a classification change. Those that don’t have a current USA Fencing High School or Competitive membership will not receive classification changes. High School Recognized tournaments are not required to meet the C1 tournament requirement to award classifications. These competitions are not a qualification path for the USA Fencing National Championships.

**Pool sizes for smaller competitive fields**

The following pool sizes should be used for regional and national competitions. When more than one option is listed below, it is at the discretion of the bout committee. The size of fields is followed by the pool sizes to be used.

- 9: one pool double stripped
- 10: two fives; or tripled strip one pool of 10
- 11: six and five
- 12: six and six
- 15: seven and eight; or three fives
- 16: two eights on at least three total strips; or five, five and six
- 17: two sixes and five
- 22: two sixes and two fives
- 29: four sixes and a five; or 3 sevens, and 1 eight double stripped

**Pan American Youth & Veteran Championship Selection Criteria**

If the Pan American Youth & Veteran Championship is held during the 2021-22 season, the following selection criteria will apply:

**POSTED:** TBD

**SELECTION DATE:** TBD – Should the selection date be later than the USA Fencing National Championships, points earned at National Championships for the National Rolling Points Standings will count toward team selection.

**SELECTION:** Should the Organizing Committee restrict the number of fencers able to compete in the event, the team members of the Pan American Youth & Veteran Championships will be selected based on the criteria below. The number of fencers selected to compete will, at maximum, match the Organizing Committee’s limit, or exhaust the number of fencers registered, whichever number is the lowest. Athletes will be selected in the following order and will be eligible to compete in the individual competition.

1. All athletes on the National Rolling Point Standings (using the NRPS for which the athlete is age eligible)
2. All other athletes (using order to finalize entries as indicated in Athlete Handbook)

Note: This tournament does not always conform to the same age categories as USA Fencing. When the tournament information is announced, USA Fencing will indicate which age categories are eligible to compete and which NRPS will be used to select team members for each event. If an age category at the Pan American Youth &
Veteran Championships spans two of the age categories used by USA Fencing, those ranked on the NRPS of the older age category will be selected before those in the younger age category(ies).

In order to provide a safe environment for all USA Fencing members, including athletes, coaches, parents, referees and spectators, the USA Fencing Board of Directors approved updated black card policies to take effect on Oct. 18, 2019.

**Updated Black Card Policy:**
Per the Black Card Retention and Review Policy, black cards issued at tournaments at all levels will be tracked and monitored by the National Office and Ethics Committee. This includes local, regional and national tournaments.

All tournament organizers are to send any black card reports at the conclusion of the tournament to the USA Fencing National Office. This may be done either during the results upload through the USA Fencing database or via email at blackcard@usafencing.org.

All black cards must be reported and will be tracked, including black cards that were issued at the strip and later rescinded. Black cards given and rescinded will be recorded and must: 1) include the reason for the initial black card, 2) include rationale for the removal for the card clearly provided and 3) be stored in the black card database to be reviewed by the National Office and Ethics Committee.

All black cards will be categorized and tracked as Level 0 (Administrative and P Black Cards), Level 1 (Standard Black Card) or Level 2 (Severe Offenses).

In certain situations, as detailed below, a Black Card Review Group may be convened. The Black Card Review Group is comprised of two members each from the Tournament Committee, Athlete Council, Referee Commission and Ethics Committee to review both given and rescinded Black Cards annually and convene as needed in the cases of Level 2 and multiple Level 1 black cards received inside of the probation period.

The complete policy is as follows:

All black cards issued by tournament officials shall be tracked and draw additional action as follows, effective October 18, 2019:

**Level 0, Administrative Black Cards**
Administrative Black Cards are those given for failure to appear on the strip, for mid bout withdrawal, and when no disrespect, unsportsmanlike conduct or other aggravating elements are involved. Administrative black cards, while recorded, do not result in a follow-up email from the USA Fencing National Office or Ethics Committee and do not put the individual in a probationary period.

**Level 1, Standard Black Card**
Standard Black Cards are those issued given for disrespect of referees, staff or other official personnel, unsportsmanlike conduct, throwing of equipment, disruptive behavior, issues of safety and other incidents that are neither administrative nor so extreme or severe as to warrant a Level 2 Black Card. Standard black cards shall be recorded and stored in the USA Fencing National Office database and result in a follow-up email from the USA Fencing National Office (with copies to the Ethics Committee and Black Card Review Group), advising the individual that: 1) the black card has been recorded, 2) the individual has been placed on probation for the
remainder of the current season plus 12 months, 3) the black card will be reviewed by National Office Staff and Ethics Committee, and 4) an additional Level 1 Black Card received during the probationary period will trigger a review by the Black Card Review Group, which can determine that the repeated violation warrants a Level 2 Black Card sanction of the individual.

**Level 2, Severe Offenses**

Level 2 Black Cards are those issued for extreme or severe offenses including but not limited to repeated Level 1 offenses, deliberate physical violence, verbal and verifiable threats, and verifiable cheating.

Level 2 Black Cards may trigger sanctions that could include, but not be limited to, temporary suspension of competition or full membership privileges for a period of up to two months. Such sanctions will be determined in the first instance by the Black Card Review Group. The Black Card Review Group shall make its initial determination upon written submissions required from the issuing referee and Head Referee, and from any written response thereto that the carded individual may timely submit. Following the initial determination, the individual, parent or guardian shall have the right to request a hearing, as set forth below. In the event a hearing is requested, any suspension of membership or competition privileges initially imposed shall be stayed pending the outcome of the hearing. As used herein, "individual" shall include his or her parent or guardian of record, in cases where the individual is a minor.

Promptly following a determination of the Black Card Review Group that upholds a Level 2 Black Card, the USA Fencing National Office shall transmit a follow-up email to the carded individual (with copies to the Ethics Committee and Black Card Review Group), advising the individual as follows:

1) The black card has been recorded.

2) If applicable, a sanction has been issued and recorded. The sanction(s) shall be described in detail.

3) The offending individual has been placed on probation for the rest of the current season plus an additional 12 months.

4) Any additional black cards received during the probationary period will trigger (i) the offending individual’s removal from the entirety of the tournament in which the subsequent black card was received and (ii) review by the Black Card Review Group for possible additional sanctions.

5) The individual may, within 5 business days of receiving the follow-up email, demand, via email to the National Office, Ethics Committee and Black Card Review Group, a hearing before the Black Card Review Group, or before members thereof who meet the requirements for a disciplinary panel as set forth in the Athlete Handbook, to challenge the Group’s initial determination. If the individual does not demand a hearing, then he or she shall be deemed to have accepted the initial determination. Any hearing demanded by the individual shall be conducted as provided in the Athlete Handbook. Following such hearing, the Black Card Review Group, or its selected members, whoever conducted the hearing, shall issue a final determination, which may adhere to its initial determination or impose measures either more or less stringent. Any suspension of membership or competition privileges shall be subject to Board review as set forth in the Bylaws. The individual shall have rights of appeal according to the procedures set forth in the Athlete Handbook.

**Additional Tracking of Rescinded Black Cards**
Black cards given and rescinded will be recorded. The referee issuing the rescinded black card, and the Head Referee for the relevant event must each, separately, submit a written report that sets forth in detail: 1) the reason for the initial Black Card, 2) the rationale for rescission of the black card and 3) any disagreement with such rescission. All such reports shall be stored in the Black Card database and available to be reviewed by the Referees’ Commission, National Office and Ethics Committee.

Black Card Review Group
The Black Card Review Group shall be comprised of two members each from the Tournament Committee, Athlete Council, Referees’ Commission and Ethics Committee. It shall review both given and rescinded Black Cards annually, and it shall convene promptly to review and conduct required proceedings with respect to all Level 2 black cards. The Black Card Review Group shall create, update, and maintain internal guidelines for how various black cards should be handled for how hearings will be conducted. The Black Card Review Group shall react timely when reviewing cases.
