

## Arapahoe High School Baseball 2020 Corporate Sponsorship Packages

Littleton Public School District provides limited funding to Arapahoe's Baseball program for spring seasons consisting of 4 teams playing 60-80 games. LPS funding only covers the following:

- Umpires
- Transportation to games
- Five coaches
- Watering/mowing the varsity baseball field

All other funding for Arapahoe Baseball comes from player fees, booster club, community sponsors, and fundraisers. These funds are needed for the following:

- Three additional coaches
- Field maintenance & improvements
- Jerseys, training shirts, hats, pants, socks
- Bases, balls, bats, helmets
- Equipment, cages, nets, batting machine
- Offseason training facility rental
- Varsity pre-season trip to Phoenix, AZ
- Varsity game at Coors Field

The Arapahoe Baseball Booster Club invites you to become part of the WARRIOR family of community partners by sponsoring our program. Your support provides direct funding to the players in our program.

Our varsity baseball field hosts approximately 125 games throughout the spring and summer seasons. All banners will be up within two weeks of receiving payment and final artwork. Banners will remain up through December 2020. The baseball field is adjacent to Arapahoe's new turf field and track so exposure extends well beyond baseball games.
