NAGAAA Meeting Recap

- NAGAAA board are attempting getting the new ratings right. There were issues with the thresholds on giving points. The only rule change is that B division can send an unlimited # of teams to go to World Series. 2 teams in the E division teams are permitted to be submitted if there are more than 25 teams in the league.
- Dallas won the world series bid for 2021. -Palm Springs won the bid for the NAGAAA Cup.
- World Series Recap: LVGSL D division teams were underrated. Lecik and Hill will discuss the rating system with Pat. Bryan L believes that we are rating correctly because when he protested the teams in World Series, he won and feels that we shouldn't adjust because it may reflect us in a bad light.
- The average player in NAGAAA is 33 years old. They want to focus on getting younger people to join the league. Ideas like to attract could be using social media filters and doing Free games after we do clinic.
- Start of the Fall season starts this week.
- Field Grooming went up \$20 weekly. We would now pay \$40 per field. Kevin Hill motioned to continue the service. Matt Moss 2nd. Motioned passed.
