

## When You Come Back, We Will Be Ready

As we prepare to come back to the courts, we must keep in mind that creating a healthy environment for our participants and spectators means more than just playing games.

There is a new normal and it changes every day. Communication, letting you know what changes we make, will be key to making sure we will be providing you with a safe environment. Since our industry is one where we come into contact with each other, in a closed space, we need to take all precautionary measures to adequately protect our participants and spectators.

Below are the new procedures that we are setting in place. As the new normal changes, we will change. When you come back, we will be ready.

### **Online Registration**

All registration information will be handled on-line

### **Registration Fee**

All fees will be collected on-line

### **Players Eligibility Documents**

All players documentation will be collected from Coach

### **Coaches Credentials**

Each Coach will have to show id to receive a wristband

### **Tickets**

Will be sold as normal unless there are limits to how many spectators will be allowed in the building

Please check with your coach/program director before the event to see what limitations we may have on the number of spectators allowed based on the given state recommendations at that time.

## **Team Bench**

Coaches will concentrate on maintaining Social Distancing on the bench. Coaches will need to have hand sanitizer for their players.

## **Team Equipment**

All participants must bring their own water, or other liquid, to the facility. You also have the option of purchasing liquids from the vending machine. The water fountain will not be used. Players will wear mask entering and exiting building. **Balls will be disinfected after every half-time and game by the Court Monitor.**

## **Game Time**

Floor monitors will escort each team from the team entrance to their court.

There will be no handshakes, no high fives, or elbow bumps before, during, or after the game

No pre-game talks with captains

Officials will get the teams on the court and toss the ball

No celebration after the game

Teams will stay in their bench area until the court monitor escorts them to the team exit door

If a player is on the floor, neither the opposing team or the Officials can assist in any form. The their Coaches or the Trainers will assist the player.

Physical Distancing will be in effect - Stay at least 6 feet (about 2 arms' length)

All score sheets must be filled out and brought to game

When team leaves bench please clean up before exiting facility

## **Floor Monitors / Escorts**

Coaches and players just finishing a game will be led by staff to the Team exit door. There will not be any traditional post game discussion amongst a team, it will need to occur outside. to NOT BE CONDUCTED INSIDE THE GYM or Hallway, it would need to occur outside in the parking lot.

## **Enter and Exit the Facility (SEE Entrance and Exit Diagram)**

**Parents will enter and exit the main doors once the previous game participants/fans vacate, to allow for the benches and chairs to be sanitized (approximately 15 minutes before game start time). Teams will enter and exit from the side door.** They will be held in a staging area there, until court monitors escort them to their court 15 mins prior to game start time, if there are no delays in previous game on that court. At no time is there a deviation from this procedure. **We appreciate in advance your cooperation.**

We will not be using bleachers the month of July. There will be chairs set up. If your team is arriving in a van park in the small parking lot which is closer to team entrance. Social Distancing will be in enforce.

### **Seating - Team Supporters and Spectators (See Seating Chart)**

Use only the designated Entrance and Exit.

ALL SEATS will be marked and measured 6 feet apart from one another (see attached drawing). Similarly, when entering the gym, there will be 6' markings to enter individually, not in a compacted line.

### **Game Timing**

Game starts have been delayed to 1 hour and 25 minutes between games instead of the traditional 65 minutes.

### **Staff**

All staff will wear the proper protective equipment as required by the CDC

### **Security**

All security will wear the proper protective equipment as required by the CDC

All of our venues will have SECURITY personnel present to not only enforce our guidelines but also be there to ensure spectators and athletes operate in a respectful manner.

### **Trainers**

All trainers will wear the proper protective equipment as required by the CDC

No more than three (3) participants will gather in the trainer's area

Physical Distancing will be in effect - Stay at least 6 feet (about 2 arms' length)

### **Restrooms (See Restroom Chart)**

Participants on courts 2, 4, 6, 8 will use the restrooms near the concession stand

Participants on courts 1, 3, 5, 7 will use the restrooms on hallway to court 7

### **Merchandise**

All staff will wear the proper protective equipment as required by the CDC

Physical Distancing will be in effect - Stay at least 6 feet (about 2 arms' length)

### **Food Concession**

All staff will wear the proper protective equipment as required by the CDC

There will be two (2) lines for customers

One line for ordering and one for pick-up

No outside food can be brought into facility

No coolers are allowed in facility

PHYSICAL DISTANCING IS IN EFFECT - maintain 6-foot physical distancing and no on-site seating.

## **Temperature Monitoring**

To ensure the safety of our staff, spectators, players and officials, anyone entering the facility will have their temperature taken to eliminate anyone who may be running a fever. Anyone having a fever above 100.4 will be denied entry. This will be conducted with a thermal scanner as each person enters a building. It is a non-invasive process, hence the reason all attendees will be required to enter individually. This would be conducted each time you enter the facility (including multiple times per day). **If you have multiple games per day your temperature will be checked each time you enter facility.**

All staff, volunteers, coaches, players, fans, vendors, independent contractors and officials will be screened by Temperature Takers. **Temporal thermometers can be used as an infrared scanner to measure the temperature of the temporal artery in the forehead.**

- **Fever:** Any temperature 100.4 F or greater is considered a fever. People with temperatures 100.4, and above, can't enter the facility.
- 
- **No fever:** People with temperatures at or below 100.3 F may continue into the facility using normal procedures.
- 
- People with temperatures above 100.3, can't enter the facility.
- 

**2. If you are feeling sick, please refrain from coming to facility**

## Social Distancing

Prior to entering the facility, and while you are in the facility, Social Distancing guidelines will be enforced.

What is social distancing?

Social distancing, also called “physical distancing,” means keeping space between yourself and other people outside of your home. To practice social or physical distancing:

- Stay at least 6 feet (about 2 arms’ length) from other people
- Do not gather in groups
- Stay out of crowded places and avoid mass gatherings

Players and fans are allowed to enter the building enabling social distancing requirements once the previous game participants/fans vacate and the benches and chairs that fans may sit in are sanitized. At no time is there a deviation from this schedule, there will be no need to arrive at a facility 30-45 minutes prior to your game time, you will not be allowed to enter. Generally speaking, you will not be allowed in until approximately 15 minutes prior to your game starting time, and that is assuming there are no delays in the game preceding yours.

## **Face Mask**

Everyone entering the facility and while in the facility must wear a face covering

Face coverings should—

- fit snugly but comfortably against the side of the face
- be secured with ties or ear loops
- include multiple layers of fabric
- allow for breathing without restriction

**\*\* All procedures subject to change based on state/local guidelines that are add or removed leading into an event \*\***
