

## WEST VALLEY SOCCER CLUB

### Parent Responsibilities & Guidelines

The following is a series of responsibilities that we require all Parents adhere to. Please take the time to read through and understand that this is a condition of your participation in WVSC.

We want all Parents/Guardians involved to be proper role models and a good reflection of our program. We have a zero-tolerance policy where bad and/or violent behavior is concerned, and a thorough investigation will be conducted if said behavior is reported.

*I agree to present myself as a positive role model while representing WVSC at any soccer match, tournament or training session.*

*I understand that my actions, both positive and negative, reflect directly not only on myself but also on the team, and WVSC. A team and club's reputation are built on positive behavior, courtesy, sportsmanship and playing ability.*

*I will refrain from coaching my own or any child during a game or at training. This can become distracting and counterproductive to the desired goals of the coach. We want our players to be independent thinkers.*

*I will refrain from having direct communication with referees before, during or after the game. As a Parent, I will not question calls of the referee under any circumstances & show unsportsmanlike behavior.*

*I will use the 24-Hour Rule when I am concerned about soccer related issues that require me to talk with the coach. No parent should approach, talk or communicate with a coach within 24 hours of the concern. (For a more detailed protocol on this, please refer to our **Communications Policy** when dealing with soccer-related issues).*

*I will abide by the WVSC League Policies, Rules and Guidelines set forth to uphold the integrity and reputation of the league.*
