Elite Philosophy And Culture

WHAT DEFINES ELITE SOCCER IS THE ENVIRONMENT PLAYERS DEVELOP IN.

Academy soccer is looked upon as the best player development platform for athletes to learn, grow and advance with all the appropriate game fundamentals to succeed.

1. Technical proficiency
2. Discipline
3. Game awareness

It is through the three key fundamentals of player development, that Elite players will build a set of core values to prepare them for success at any level and adapt to multiple game styles.

“THE ELITE WINNING CULTURE BEGINS WITH YOU!”

To be Elite, is meeting high standard of quality to be the best. The Elite winning culture is implemented in stages from young ages, that enables athletes to develop motivated and goal oriented behaviors, while enjoying the great holistic benefits of football in life.

Ontario Academy Soccer League

Ontario Academy Soccer League (OASL)

The Ontario Academy Soccer League (OASL) is an Ontario Soccer board-approved strategic initiative providing a province wide league play to private Academies with ORA status. The OASL is operating as a part of a pilot project for 2019 wherein participating Academies have full entitlements under Ontario Soccer.

Play. Inspire. Unite.
