Annex Guests,

As a reminder, each player is allowed **1 spectator**.

- Each spectator and player must wear a mask at all times. The only exception to this mandate is when a player has to adjust their mask on the ice.
- Each person must enter through the front door, get their temperature taken and answer the questions by an Annex employee.
- Coaches, scorekeepers, penalty box assistants do not count towards the 1 spectator per player. **They must be on the list sent over by the team manager.**
- Children under the age of 7 are allowed to come in with an adult. They must remain seated, not running around the building and be wearing a mask.

We want to be as accommodating to all spectators but at the same time keeping everyone safe and following Governor Cooper’s mandate of 25 people indoors for a game.

Thanks,
