

Honk parking for guests.

There are two ways under the new parking system to issue guest parking. One is through Honk, which is discussed here and is the best method available for you, our user groups, to purchase parking at the discounted rate. An initial profile set-up is required for first time users. Just simply sign up and enter all necessary information to set up a profile. A maximum of 4 license plates may be entered under one profile.

Step 1: Your guest arrives, parks, and then uses either

- honk mobile (www.honkmobile.com) on their cellphone
- Honk Tap (if they don't want to use the app)
- Zone ID - **3800** or Search address - SENECA COLLEGE OF APPLIED ARTS
- or a Honk kiosk (just inside the main entrances at Newnham) if they don't want to use a cell phone. Similar to the image below.

Step 2: Your guest enters their plate number and chooses the \$4.75 parking option.
