

2021-22 High School Hockey Parent Info

Calendar

All JV and Varsity games are on the school calendar https://www.amerysd.k12.wi.us/departments/dist_athletics.cfm
For the most up to date schedule you should **you should subscribe to the school calendar**. I will send out a weekly email once games start but the school will alert us of any schedule changes.

Required Work Hours

All families are required to work 18 hours (40 family maximum) and 6 hours of open skate (15 family maximum). You can sign up for **Open Skate hours** on ameryhockey.com on our team page or here <https://signup.com/go/zYmiiMv>

Fundraising

Hopefully you have been able to be a part of some of the earlier AYHA fundraising opportunities. I think AYHA is planning on doing Kwik Trip and Heggies again in Jan/Feb. All AYHA families (that's you!) are required to participate in fundraising...either by earning fundraising credit or buying out your share.

Job Assignments for Home Games

Sign up Link is coming soon! Working home game jobs does not count towards your work hours (only concessions counts towards work hours) **BUT** If you work a game that your player is not playing in, it **WILL** count towards your hours. For example, a varsity player parent can do admissions for a JV game and their hours will count – or vice versa. It is your responsibility to record your work hours in the file box in the concessions area before the end of each month. Here are some helpful hints for all jobs assignments...

Penalty Box– you are responsible for opening and shutting the penalty box doors. You are also in charge of moving the nets before the game and in between the periods during resurfacing. The refs should never have to set up the nets. **JV games please arrive at 4:45 (15 minutes before game time). Varsity games nets should in place at 6:30 for warm-ups.**

Zamboni Gate – After the ice has been resurfaced, you will shovel and squeegee the snow and ice and shut the gate.

Admission – The school will supply a staff person to work admissions for Varsity games only and they arrive at 6:15pm. **Please arrive for the JV games at 4:45 and at 6:15 for Varsity games.** Individuals only pay admission once per day.

Concessions – JV concessions workers should arrive by **4:45pm**. If you are working the Varsity game please arrive by **6:15**. I've added a 3rd person for Varsity games since those tend to be busier. We can add a 4th if needed.

Team Meals

We will have team meals once a week that will be prepared/purchased and served by player families. We have 29 families so we will work in groups of 3 and each group will do one meal. The BLC will provide plates, cups, napkins and utensils so you just provide the food and the milk. In the past we have generally used 5 Gallons of Chocolate and 1 White. Please prepare food for 35-40 people.

Travel

This season the team will have 1-2 overnight hotel stays. Most of the player costs associated with travel are covered by the Blue Line Club. More details will be coming regarding travel for these games. I will also reserve a block of room for parents who want to travel too. The parent hotel rooms will be at a separate hotel and your expenses are covered by you.
