1. **Finance** -

A. \$ 208,865.39 - G&A Account.

B. Reminder that invoicing should be done *prior* to seasons to prevent sports/teams accounts from going into the red.

C. We are currently working with each sport on any open invoices

D. Please remember that it is very much preferred, and more consistent with our financial policy, to pay for things up front as much as we can (Amazon account, sport credit cards, etc.), rather than have coaches pay out of their own pocket and then seek reimbursement. This also helps a lot when we do our audits.

2. **Report of Officers**

A. Safety Director - It is imperative that you get coaching lists to the safety director more than a few days before practices. Trying to turn these around in such short times is causing unnecessary stress on the operations of the office and the board. Feel free to send in batches as you have them. This process allows us to make sure that coaches meet the requirements, which protects our youth athletes. Failure to do so can put teams, seasons, etc. in jeopardy. Please refer to the Registration Setup and the Coach Certification Policies. Call us with any questions.

If you get an email from the safety director, it is imperative that you respond promptly.

3. **Old Business**

4. **New Business**
