The stadium must be cleared out and emptied within 15 minutes after the conclusion of the game.

***Coaches/Managers – you may need to help move goals into place though the custodians should be doing this. This field is often used by different sports between soccer games. Please call John Fischer at 608 535 0304 if you need assistance.**

***Corner Flags – The School District does not provide corner flags for Ashley Field. SPSC owns a set. At Sun Prairie West Field, there is a set of four corner flags under the south end of the bleachers that will need to be set up prior to games. If there is another SPSC game after yours, please leave the flags in place, otherwise, please return them to the south end of the bleachers.**

Please contact John Fischer at 608 535 0304 if you have any questions or problems.
