The Home team must provide the game balls.

Each team must present a copy of their Official Tournament Roster to the Field Referee (which he/she will keep during the game), and their stamped Game Roster or player passes. Note: U16 – U18 teams must check in at their field's designated Referee Tent Teams reporting to a game without required documentation will be forced to forfeit the game.
4. **Kick Off:** Kick Off will be at the time shown on the tournament schedule with a 5-minute grace period. If a team is not checked in and ready to play within this time the match may be shortened or considered a forfeit. Teams are not guaranteed on field warm up prior to the start of the game.

5. **Substitution Policy:** The tournament follows the UYSA Modified Substitution Policy, at the discretion of the Field Referee.
6. **Playing Conditions:** Games may be temporarily suspended, shortened, rescheduled or cancelled when fields are in unplayable condition due to inclement weather or other unforeseen events. The immediate responsibility of game stoppage will rest with the Field Referee. In the event that one Referee stops play at a venue for dangerous weather, the Field Marshal is to stop play on all fields at that venue.
 - **Suspended Games** – If a game is temporarily suspended due to weather conditions, play will restart per the Laws of the Game. If a referee has deemed it necessary to suspend a game for any reason, the game may be resumed but is subject to end no later than five minutes prior to the next scheduled game. So long as one full half is played, there is no recourse if the game is not played to the full allotted time.
 - **Cancelled Games** - Games will be considered complete if at least one full half has been completed, and the score at the time play is stopped will be the final score. The decision of game cancellation will be up to the Tournament Rules Committee and there will be no refunds for cancelled games. If game cancellation takes place in a playoff game, for any reason other than misconduct, and the score was tied at the time of stoppage, the two teams will proceed to the Taking of Kicks from the Penalty Mark to determine a winner at a time and place dictated by the Tournament Director or the Tournament Scheduler.
 - **Rescheduled Games** – Any and all game times and places are subject to change in the event of inclement weather. The Tournament Director and the Tournament Scheduler will make decisions on how to reschedule games and reserve the right to alter the tournament format to do so. The most up-to-date schedules will be posted on the Tournament Website and every effort will be made to contact coaches and managers by text. Teams should ensure that they have provided the tournament committee with current cell phone information capable of receiving texts.

VI. CONDUCT AND DISCIPLINE

1. **Concussion:** The UYSA Concussion Policy will be enforced; Certified Athletic Trainers on site at each venue and concussions will be tracked (VI.5). Players must receive physician's release to resume play.
2. **General Conduct:** Players, coaches and spectators are expected to conduct themselves within the spirit AND the Letter of the Law. Displays of temper and dissent are cause for ejection from the game and the surrounding field area or venue. Any appalling or abusive behavior from parents or coach can result in their team being disqualified. A coach is responsible for the actions of his team and supporters, both on and off the field.
 - Abuse and/or unacceptable behavior from players, coaches or spectators will not be tolerated. Violations (on or off the field) can result in forfeit of the game and/or expulsion from further tournament play.
 - Violations will be reported to UYSA and/or a team's State Association.
3. **7 Elite International Tournament Yellow and Red Card Policy**
 - We here at 7 Elite Academy truly believe in player development, tournaments like ours are all about that. As the game is about the players, and we want to keep them on the field as much as possible. We have a modified set of yellow and red card rules for this reason. Our referees have been briefed to allow the game to flow, and rather than punish players we want the referee to educate the player on any mistakes they have made. We have asked that cards to limited as much as possible and education to take its place. We do not want players receiving cards, especially red cards unless necessary.
 - If a player receives a red card, they will sit out the rest of that game. The player will be able to play in the next game, unless their red card was for violent conduct (i.e. throwing a punch) or verbal abuse (i.e. swearing at a referee). If a player is sent off for violent conduct

or verbal abuse, they will sit out the remainder of the game and the game after the one they have been sent off in.

- **Coach and Parent Rule**
 - We ask all participating coaches, admins and parents to help us be a step above. To assist in that please read and communicate to your teams the following:
 - At no point during the tournament will coaches, administration or parents be allowed to solicitate, yell for or ask for a card to be given to an opposing player. If a coach is found guilty of this, they will be warned by the referee. Failure to cease and continued infringements could result in the coach being sent from the field, in turn affecting their team and players.

4. **Yellow Cards:**

- Given at discretion of the referee. Excessive violation will be reviewed.

5. **Red Cards/Ejection:**

- Red Cards violations will be reviewed by the Tournament Rules Committee; any player or coach receiving more than two red cards during the tournament will be considered for further disciplinary action.
- Red cards resulting from intentionally harmful or violent conduct may result in expulsion from further tournament play. Violations will be reviewed by the Tournament Rules Committee.
- A player receiving a red card must leave the game immediately and is not eligible to return for that game.
- Any coach, manager, or team non-medical official, who has been ejected, must remove him/herself no less than 100 yards from the play field immediately upon notice of ejection. Play will be suspended until the ejected individual leaves the vicinity. If the ejected individual does not leave within 5 minutes, the match will be forfeited to the opposing team.
- In the instance where a coach has been ejected from a game, the match may continue only if there is another eligible, rostered coach present. In the absence of an eligible, rostered coach, play will end immediately, and the team will forfeit the match to the opposing team.
- A player receiving a violent conduct red card, or coach who is ejected, is ineligible for participation in the following tournament game.
- Players may sit on the bench during their suspended game, but may not be in uniform
- Suspended coaches may not be at the tournament venue during the game of their suspension and may not warm up or address the team on the field prior or during the game.
- Should the player and/or coach participate in a game without sitting out their suspended game, the team will forfeit the match to the opposing team. This includes the final matches.

6. **Discipline & Concussion Records:** A record of ejected players and/or coaches, as well as cautions, will be tracked. Players suspected of sustaining a concussion will also be tracked.

- Immediately following the conclusion of a game, the Referee must ensure all cautions, ejections, and suspected concussions are recorded.

7. **Abandonment:** Any coach that withdraws his team from competition, by failing to show up for the match, prior to a match at the field, or from the playing field during a match, will be ejected and his team will forfeit the match, including consolation games. Any team forfeit will be reviewed by the Tournament Rules

Committee and may prohibit that team from advancing out of pool play, without a refund of registration fee. The Tournament Rules Committee also has the right to refuse registration to future tournaments.
