U15AA Draft

U18AA Draft

U15A Draft

Important Notes:

- Each club is responsible for providing a minimum of two workers at the scheduled session.
- Do not send any workers that wish to evaluate during the skate session.
- The following equipment is required for **BOTH** benches:

First Aid Kit

Pucks

NO WATER BOTTLES. Players must bring their own.

Please coordinate these items in advance with other scheduled clubs

- Draft Chair will take attendance, secure missing registration signatures, answer questions, find replacement jerseys, and resolve issues as they occur
- Please have workers report to the Draft Chair/Rink Supervisor 10 minutes prior to the first skate session.
- Two workers supervise the two benches during the skates.
- One worker is assigned to facilitate on-ice drills and monitor scrimmage. Skates, helmet, gloves, stick, & whistle are needed.
- One worker is responsible for patrolling the dressing rooms, clean-up, gopher, etc.
- Bench workers need to monitor each goalie's ice time. Each goalie is on at least twice per session, once at each end. Divide time equally among all goalies
- Start with warm-up & skating drills (to be provided). This should take ten minutes at most. Scrimmage to follow for the remainder of the session.
