

Good morning SAHA 2020-2021 registered members,

## **WELCOME**

Welcome to all new and returning players and families. The 2020-2021 officially begins Thursday, October 1st. Visit our website often, as a lot of information is shared there! Please remember, no player will be allowed on the ice until their registration balance is paid in full.

## **SCHEDULE**

The schedule is completed through October 21st and can be found by clicking on the link posted under the schedules tab on the website. The schedule has also been added to all team calendars. We do not anticipate having to change anything on the schedule prior to the season start, but please always double check just in case.

## **1st YEAR PLAYERS/TERMITES**

1st year skaters are Termites and will practice whenever is says Termites on the schedule. Sticks will not be needed until later in the season. In the beginning of the season, parents can go on the ice with their kids (helmets mandatory) but to be honest, there may come a point where your child will do better without you. We have great coaches to teach you player how to skate 😊

SAHA is donating a free equipment package for new skaters (1st year players) ages 8 and under (over \$150.00 value!). The starter equipment package includes elbow pads, shin pads, gloves, breezers and a bag from Play-It-Again Sports in Superior (no substitutions available). Starter packages can be picked up at Play-It-Again in Superior. You will need a copy of your registration from SAHA (NOT YOUR USA HOCKEY REGISTRATION) in order to receive the equipment package.

## **FUNDRAISER**

Upper Lakes Foods is once again providing SAHA registered players with an optional fundraiser to participate in. All monies raised will go directly back to the player/family. Please see the fundraising tab on our website for more information on this.

## **COVID-19**

The guidelines for COVID-19 as of right now, are posted on the website. We are working with many people to ensure we are able to have a safe season, so please follow all guidelines. When/if things change, guidelines will be updated on the website.

## **HAVE A GREAT SEASON**

From all of us on the SAHA Board, we wish you a fantastic season watching your child grow, make lifelong friends, and learn life lessons all while playing the fastest game on ice.
