

KATIE KENDALL

BOARD OF DIRECTORS APPLICATION

BOARD POSITION OF INTEREST:

ICE SCHEDULER

LENGTH OF INVOLVEMENT WITH FYHA

2020 - PRESENT

Since joining in 2020 we've been fully involved in the organization and are now in our fifth season! I regularly volunteer for everything, from penalty box to concession. Our family prioritizes showing up to support events, camps, and tournaments offered through FYHA. Giving back has been a meaningful part of our experience.

RELEVANT BACKGROUND AND EXPERIENCE

With 15+ years as a personal trainer and strength & conditioning coach, I bring experience in athletic development, safety, and building strong team environments. Combined with real estate skills of regularly managing timelines, problem-solving and having clear communication.

VISION FOR THE ROLE

To support sustainable program growth, increase access and participation, and help create clear pathways for player development at every level.

VALUE TO ORGANIZATION

I bring a strong mix of hands-on youth sports experience and a service-first, action-oriented mindset. I offer perspective on athlete development, clear communication with families, and the willingness to step in and support wherever needed to help the program grow in a positive, sustainable way.
