NOR

The Team

North Orlando Rowing has a goal of being competitive in the Men and Women Youth 8+ at Southeast Youth Championship Regatta. Athletes will also have the opportunity to double up in another sweep or sculling events.

FSRA Championships will no longer be the focus of the team, only selected crews will be competing.

The goal is to have everyone racing at South East Youth Championship, qualifiers for USRowing Youth Nationals, stepping stones for U15 and U17 nationals.

NOR

The Schedule

Big Picture – We want to push your kid to set goals that scares them but allows them to break it down into manageable chunks those achieving them over time.

NOR will run as a 40 week training regimen which could potentially extend two extra weeks if a boat qualifies to USRowing Youth Nationals, usually second weekend of June.

All regattas will be upload to Sports Engine where we will request Parents to RSVP at least 4 weeks before the event. All fall regattas will be uploaded at the beginning of the Fall Season. All Spring regattas will be uploaded the last week of Fall Training.

Billing will be sent 3 weeks before the regatta, base on RSVPs. Only way to avoid being billed for the regatta is to RSVP "NO". Failure to respond or "Maybe" RSVPs will lead to a bill being issued. If backing out of the regatta after first bill is sent one will be responsible for 50% of billed amount. This percentage increases the later this noticed is received.
