Maintaining Healthy Environment Protocols

Sporting Fields + Athletics' number one priority remains the safety of its visitors. The facility continues to commit to taking the following steps to maintain a healthy environment.

1. **Cleaning.** Cleaning efforts continue to be focused on areas of high traffic (i.e. restrooms, entry/exit gates, etc.). We will continue to regularly clean the facility with disinfectant designed to combat COVID-19.
2. **Sanitizing.** Hand sanitizing pumps are installed at each entry/exit point to the facility. These remain stocked and we encourage use for all visitors when entering and exiting the facility.
3. **Signage.** Signage is installed at each entry/exit point to the facility. These signs are to reinforce the importance of face coverings, social distancing, proper hygiene & more.

WASH YOUR HANDS

REGULAR HAND WASHING IS ONE OF THE BEST WAYS TO REMOVE GERMS, AVOID GETTING SICK, AND PREVENT THE SPREAD OF GERMS TO OTHERS.

HOW DO I WASH MY HANDS PROPERLY?
WASHING YOUR HANDS PROPERLY TAKES ABOUT AS LONG AS SINGING THE "I BELIEVE THAT WE WILL WIN" CHANT TWICE. USE THE IMAGES ABOVE - MAKING SURE TO LATHER THE BACKS OF YOUR HANDS, BETWEEN YOUR FINGERS, AND UNDER YOUR NAILS.
