LONG TERM PLAYER DEVELOPMENT

The Ontario Soccer Associations Long Term Player Development model will continue to run thru to our U12 age groups.

This program is designed to focus on fundamentals and to emphasize skill development and movement through games and activities. These activities will promote a 'feel for the ball' while teaching basic principles of play within a fun but structured setting.

Players involved in the **U5, U6, U7, U8, U9 & U10** divisions will see a combination of practicing, scrimmaging and skill development tailored to their age group each week. And of course, lots of fun!
