## RAIN SITUATION/ REFUND POLICIES

- Rain can play a role in any tournament. If rain comes into play, we will try to play every game. If that is impossible, we will play as many games as possible and play the most important games first.
- If a game cannot start within one (1) hour of starting time, that game will be canceled and each team will be awarded a win
- Field crews will do everything, within reason, to complete each game and tournament to the best of their ability without risking the safety of anyone involved (players, coaches, fans, crews). Should weather play a part in the cancellation of any event, below are FCBCA's rain out policy
  1. Should the weather cause an event to be completely canceled having played no games all teams will receive a full refund minus 100 dollars
  2. Should a tournament be canceled for any other reason other than weather, teams will receive a full refund
  3. Should just one (1) game be played a 50% refund will be issued to each team
  4. There will be no refunds issued after the start of each teams' second game
  5. Should games be canceled during Playoffs/Bracket Play, awards will be given to the 2 highest remaining seeds.
  6. Teams that have completed registration and payments are expected to attend that tournament. Teams withdrawing 3+ months in advance will receive 50% refund
  7. Teams that withdraw within 3 months of the tournament will forfeit all registration fees
