

2020-21 GOVERNING SEASON CLUB ADMIN CHECKLIST PHASE 3

The Quizzard – Start Here to Purchase Membership

Located on the front page of the North Country Region website (for now), the Quizzard will direct the member to the correct membership type that he/she needs to purchase either for him/herself or for someone else. The Quizzard assists to better ensure the correct membership type is purchased based on date of birth and role. By clicking on the image, you will be taken to the NCR home page where the Quizzard can be accessed. Note: Quizzard available on September 1

SEPTEMBER 1 - MEMBERSHIP SEASON OPENS

NOT AVAILABLE UNTIL SEPTEMBER 1

Fall Membership - [Click Here to view fall membership options](#)

To better ensure that our members have a full NCR - USA Volleyball experience without the financial commitment of a full membership, the Fall Membership will be the **ONLY MEMBERSHIP OFFERED** for the time being. It allows parents, club directors, players and officials the full support of the Region while we all assess if and how volleyball is impacted by Covid 19 during the winter and spring. The Fall Membership is a one-time USA Volleyball Board approved membership option that

- is available September 1
- can be upgraded to a full membership
- can be purchased by junior age players and adults
- will expire December 31, 2020
- allows access to IMPACT, SafeSport Training, and officiating

Sports Engine Directions

Members will purchase a membership through his/her own SportsEngine account or family account. If an adult has a SportsEngine account, his/her child can be added to the parents' account so that only one login and one password is needed to access USA Volleyball membership information. **This is different than USA Volleyball Webpoint.**

Club Invitations vs Club Selection

COACH AND NON-COACHING ROLES – available September 1

YOUTH, JUNIOR PLAYER, JUNIOR MANAGER – available November 1

When a membership is purchased, a coach or an adult affiliated with a club will not have the option of associating oneself with a club. The club must send an invitation, and the invitation must be accepted, before a person is associated with a club in the system. This process must happen before a player or coach can be placed on a roster. **This is different than past seasons.** Previously, a member could pick a club during an initial membership purchase.

The individual **must be listed within the club's member directory** in order for a club to send this association invitation and the club must follow all region policies and guidelines. [REFER TO PHASE 2](#)
