Scholarship and Discount Policy

Mehlville Junior Panthers (MJP) understands the necessity to assist with registration fees for members of the community who demonstrate financial need. Furthermore, the organization has identified an opportunity to offer discounts to members of the board, coaches, assistant coaches, and team moms in exchange for their service to the children of the community. This policy outlines the procedures and guidelines utilized to ensure MJP can offer fair and impartial assistance, as well as appropriately documenting the funding provided as required by its governing bodies.

Athletes

Families of athletes who wish to be considered for a scholarship are required to complete an application before any financial assistance may be granted, including income verification. All completed applications will be reviewed by the Mehlville Junior Panthers scholarship committee to determine tier placement when appropriate. Scholarship/discount requests will be considered on a case by case basis and funding each season is limited. Scholarships will be granted to qualifying applicants on a first come, first serve basis until all available funding for the season has been allocated. Scholarship applications are due no later than 2 weeks prior to the closure of registration for the individual sport the assistance is being requested for. Late and/or incomplete applications will not be considered. Families must reapply prior to every sport/season they wish to be considered for to receive assistance. Failure of the athlete/family to fulfill all requirements associated with receiving scholarship funds will exclude them from consideration for future financial assistance.
