1. Each new hockey season, SMHA may offer payment plans for the registration fee of its players.
2. Parent/Guardian responsible for payments will pay them monthly on the due date until they are paid off.
3. Parent/Guardian also have the option to pay the outstanding balance in full at any time.
4. If unable to make a payment on the due date, Parent/Guardian will contact the Treasurer to make arrangements for when they will be able to pay that month's payment.
5. The payment plan **must be paid in full** by December 31 (or last day of payment plan for 2024-2025 season) before the player will be able to play in Districts and/or State playoffs.
