NEWS LETTER

FC Europa
Director of Coaching,
Barry Davey

July 7th 2020

from
the **DESK**
of
the **D.O.C**

I hope all of you had a safe July 4th. It is great that we are back out on the field. While the sessions in this first stage of the green phase are a little strange with masks, distancing and small groups, it has been very pleasing to see players happy to get back on the field and improving techniques. The current style of sessions are scheduled to end on July 13th at which point we will set about the final stages of roster determination. As a reminder all returning players are guaranteed at least their same spot from a year ago, with the potential to tryout for a higher team where practical. Once this step is achieved we can genuinely begin to look forward to a safe, productive and fun fall season.

Exciting Turf Update!!

Our return to action on June 29th coincided with the completion of the DVFS re-turfing project. The new field will provide a high performance surface for the current generation of Europa players.

New Uniform

During July you will be able to order our exciting new 2020/21 uniforms.

Look out for the link which will be posted on our social media pages and on our websites over the next few days.

Home Field News

Tryouts: We are excited to announce a week of tryouts this month for all age groups to fill out all rosters. Girls tryouts will take place on 13th and 15th, boys tryouts will take place on 14th and 16th. Please see our website for full details.

Camps: Teysa Summer camps have been running since June 29th. FCE team camps are scheduled for August.

Intramural Program: For those interested, the TEYSA intramural program will be running as normal this Fall. See www.TEsoccer.org for details.
