

SISCRA 2022 recap

June 17-19, 2022 Scheduled early this year due to Baker's schedule conflicts

Cost was \$55 per person early signups, \$60 late. There was no push back for this higher cost this year

30 campers signed up, 29 participated. There may have been some fall off in attendance because of early date but overall attendance was good.

Weather cooperated and several said it was actually warmer sleeping then last August dates.

Due to late signups, to conserve costs, we previously decided to use leftover BBQ and items from the Annual meeting along with additional Pork BBQ prepared with GoodWood BBQ sauce. Previous years that the Balkers coordinated featured two dinners significant dinners vs one this year.

Because of early date and threatening weather(that didn't occur), activities were limited to mainly hiking and biking. Although there were some that went bird watching and one horseback rider.

BUDGET

Costco

- \$42.36
- \$31.88
- \$72.61
