

DAPHNE & GULF COAST RANGERS SPONSORSHIP GUIDE

DRA AND GCRFC CONSISTENTLY MAINTAIN OVER 500 PLAYERS FROM AGES U4-U19.

DAPHNE RANGERS ACADEMY OVERVIEW

Daphne Rangers Academy (DRA) is one of the fastest growing soccer clubs in the Gulf South. Started in 2010, as a not for profit (501c3) run by volunteers, we strive to create an environment that provides each player with a valuable learning experience, an opportunity to improve their skills, and a chance to enhance player character, integrity and love for the game. The club participates in the Alabama Soccer Association (ASA).

We host programs for all levels and all ages in our community. Our academy and developmental program include players from ages u4-u15. DRA also manages the Daphne city recreational soccer program. In an effort to take soccer to more kids, we have developed a homeschool soccer program as well as a TOPSoccer program, for children with learning and physical disabilities, that has a fluid number of 50 participants. DRA host a regional tournament-style event every spring, and will be adding an additional event this fall, that draws in families from Louisiana to Florida. And our newest endeavor is building a world class soccer facility, next to Trione Park, named Village Park. In order to fund our amazing growth, we rely on community fundraisers and the financial assistance of local sponsors.

GULF COAST RANGERS OVERVIEW

Gulf Coast Rangers (GCR) is a not for profit (501c3) created in 2015 to provide our community a safe and healthy soccer environment for our players to learn and develop skills for reaching their full potential as players and young adults. Through the joint efforts of supportive families and licensed professional coaches we hope to instill core values and learn life lessons during the players' time with our club.

We offer programs, of all levels, from youth to adult players representing communities throughout Baldwin and Mobile counties. Our teams compete in hundreds of matches locally and regionally as well as hosts dozens of soccer events each year on the Eastern Shore.

As a non-profit community soccer club we rely on memberships and partnerships to continue providing a safe and healthy environment for our players and families.

ONCE A RANGER, ALWAYS A RANGER.

DRA and GCR have been the starting point for many young men and women that have continued to play soccer at another level.

WE INVITE YOU TO BE PART OF OUR GROWTH BY BECOMING A SPONSOR FOR OUR CLUB.

Every year our club players are given a training jersey. This shirt is required attire for all training sessions and during game warm-ups. These shirts are also worn by our coaches and sold in concessions to the general public. Thousands of eyes see this shirt. We adorn this shirt with the names and logos of our season sponsors. Your assistance will help us to grow our soccer programs and facilities in the community by helping to offset costs involved with family scholarships, training fees to coaches, equipment and supplies. Your support will garner you name recognition locally and in our travels via our training jerseys.

Your sponsorship also includes your logo on field banners for all home matches throughout the season, logo placement on the daphnerangers.com and gulfcoastrangersfc.com websites, as well as a post on our social media channels, Facebook and Instagram, featuring your logo and recognition for your support of our club.

The investment for sponsorship is \$1500 for Fall 2021 and Spring 2022 seasons.

Please help us to make this season a success and a place for all kids to enjoy the game of soccer!
