**Call Meeting to order** 6:30pm Zoom Meeting

**Review Agenda-** tonight's agenda reviewed

**Previous Months Minutes-** Motion to approve by chase, second by joe

**Treasures Report-** Caleb had a family emergency will not be joining the meeting. Follow-up next month with two months' worth of numbers.

**YHC-**Tryouts went well, only a couple families were in grievance afterwards. Nothing majors all items resolved calmly.

-First official hockey game was Friday and went well, families observed social distancing, entrance and exit accordingly. No real issues observed. A little bit of confusion on exit strategy for some teams and spectators, but nothing breaking.

-Scorers box will be an issue. Need to either put up a plexi glass window between the two people. The upper bird's nest can be used for score keeping. Also looking to ask both parents to work in the box together. Tom will get the plexiglass installed between the two people to get the games rolling this weekend. We can see how this option works and if any problems arise. Need to have a sign posted of the expectations on the door entrance to score box, also sanitize the box between games. Cari will communicate this to all teams moving forward as to how we will operate the scorers' box. Motion to approve by chase, second by Cari

-WIAA has pushed back the start of the season and shortened the season, no games till the beginning of January. No contact, 10 man pods only on the ice. Individual skating drills. Still a bit undecided moving forward. WAHA or WIAA? No coaches can be used for WIAA can coach WAHA program. Looks like a three-week WAHA season, then the WIAA season. The option is available to do both. Motion to approve a full WAHA season by Joe Reinhart, second by Cari. We do not need to hop back and forth between WAHA and WIAA. Let the kids have a full season of WAHA for this year. We will roster a varsity WAHA team and a JV 18U team. Normal season WIAA would pay the ref fees. If we go full WAHA season, SBLA or booster club would need to pay the ref fees. The booster club has limited funds this year, SBLA is down this year as well. Might need to be shared costs between us both to take this cost of refs this year. SBLA will be paying the bill upfront, but we will submit the payback or bill to the red raiders booster club for reimbursement. SBLA we will need to support with any help to support the High school program, all approved

-We still have some concern of parents allowed during games moving forward. We will need to stick to the two per family/skater. Two adults and immediate siblings for this weekend and see what happens and we can change if needed. Temps will taken of the athletes but adults will be responsible for their own temps before they come. Motion to approve by chase second by Jeremiah to get the Elmbrook language sent out to the association.

-We will not be having the January tournament. We do not have a pee wee c team. We will not be having a tournament with one team. Squirt B/Pee Wee C tournament in January will not happen.  
Motion to cancel the January tournament by Chase, second by Cari
