It gives me great pleasure to welcome you to tonight's hockey game. Please sit back and enjoy the experience. Let's release the kids to the game and enjoy watching the girls display their skills and talent.

The Blaine girl's hockey team is part of a Blaine High School Activities program that represents our school with class and dignity. The young women work very hard to provide exciting entertainment and to protect the great tradition established at Blaine. The coaching staff is full of dedicated coaches who care more about the players and their development than wins and losses. We are fortunate as a community to have these coaches working with our girls. If you know Coach Guider at all, you know that no one works harder or cares about their players more. He is truly a gift to our program.

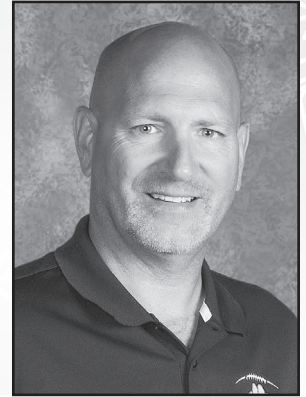

Thank you to all of our families for their sacrifices over the years. It is the true commitment and dedication from you that sets Blaine hockey apart from the rest. I would personally like to thank the parents for the sacrifices they have made over the years that allowed these young women to continue to play a sport they love. Your commitment to them will pay great dividends in the years to come.

So, as you enjoy this year's hockey season, feel the energy generated by our athletes and support them with great enthusiasm and sportsmanship! Join all the fans and enjoy the pageantry, excitement and intensity of Bengal Girl's Hockey.

Celebrate Greatness,

Favorite Movie: Deadpool

Plans After High School: Get a motorcycle

Advice for underclassmen: Don't be socially awkward and go to all the events

Pregame ritual: Before my best friend graduated we would go get Subway, Health Evo, watch Blue Mountain State in her garage, then head to the game

Favorite hockey memory: Freshman year when I walked out for a game in my practice jersey

Mom & Dad's Favorite Hockey Memories:

First Hockey Memory: When you tried shooting for the first time with skates on and your gloves and stick flew out of your hands but the gloves remained gripping the stick.

Favorite Youth Hockey Memories: Watching you get that "move up" sticker on your helmet to move up from D-Mites to U8.

- Watching the team beat Edina in the championship game to win a U10 tournament.

Favorite High School Hockey Memories:
Watching you score a hat trick your freshman year.
Watching the team beat Edina at Braemar.
First goal after the ACL comeback.

Favorite Off Ice Memories:
Maddie and Dani being interviewed on the Duluth evening news about girls hockey.
Meeting Mario Lemieux at the Super Rink.

Maddie –

We have had so much fun watching you grow as a hockey player and a person. You have always given it your all no matter what you are doing and we are so proud of the hard work you put into hockey and school.

The past 4 years have flown by with many highs and lows, but you have persevered through it all, which has made you the person you are today and will continue to make you a better person in the future.

Have a wonderful senior season and enjoy every shift, practice, bus ride, pregame, postgame and moment of this season.

Grace,

We could tell you were serious in this photo after your first day of hockey.

We have loved watching you play (with lots of awesome breakaway goals) over the years!

Your hard work and dedication to sports and academics has shaped you into a person ready to take on the world.

Good Luck your senior year and have fun.

Favorite Movie: The Lion King

Plans after highschool: Still deciding on a college, but plan on going to a 4 yr college :)

Advice for underclassmen: Don't talk to older boys, it's not worth the heartbreak!!

Also cherish the time you have with your teammates, it really does go by fast.

Pregame Ritual: I tape my stick, then when that's completed, I lay upside down to get the blood flowing and listen to Wiz Khalifa

Favorite Hockey Memory:

- No puck passing drill....
- 'll also never forget Ronn's first kiss freshman year at the team sleepover, if I could say more I would, but she'd kill me.

Tess,

From mites to high school, we have loved watching you play hockey! It's been so much fun to watch you play a game that you love while making wonderful memories and great friends along the way.

We are extremely proud of everything you have accomplished both on and off the ice, and look forward to watching all of the amazing things you are going to accomplish in the future. Work hard, have fun and enjoy every single minute of your senior year!

Brooke Nowicki

Senior Spotlight #22

Parents names: Mark and Joan Nowicki

Siblings names: Dalton (28), sister-in-law Kelly (26), and Paige (16)

Favorite movie: Legally Blonde or Hannah Montana

Plans after high school: I will be attending Clemson University in South Carolina to row D1. My goal is to become an orthodontist, but backup plan is a career in marketing or digital design.

Advice for Underclassmen: Have fun! Spend time with the people who make you happy and do what you love. Life goes by too fast to worry about something that won't matter in a week. Give 110% to everything you do and always have a positive attitude. Focus on what you can control and leave the rest to God.

Pregame ritual: I always get Starbucks and listen to the same playlist since freshman year during warm ups. Paige braids my hair when she's not mad at me. Then right before puck drop, me and Kaitlyn Ronn do our handshake.

Favorite hockey memory: Boston with my STE family. The Thanksgiving Grand Rapids tournament. The locker room after beating SLP/ Anoka our first section game sophomore year.

Brooke,

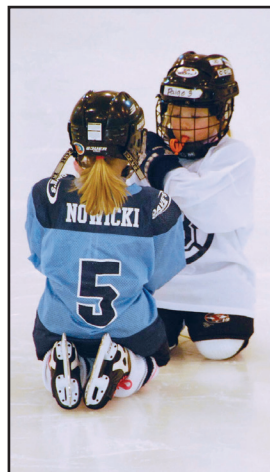

It is hard to believe this is your last year of hockey, but grateful for all the memories. We are so proud of you and all of your accomplishments in sports, school, and life. You are self-motivated and dare to pursue your dreams while staying true to your faith. We are so excited about your decision to attend Clemson University and start a new adventure in rowing. Have an amazing senior year!

Love,
Mom and Dad

Brooke -

Here you are helping me on my first day of hockey. I can't imagine hockey without you, but wish you the best senior year!

Pregame ritual: Getting Health Evo and talking to my biggest supporters on how I better myself in my games.

Favorite hockey memory: The Grand Rapids tournament the year it was way too dangerous to drive back but we did anyways and had a blast the whole time.

Trista,

We have loved watching you play hockey for the last 13 years and grow and develop into the young lady you are today.

We are so proud of you! Keep up the hard work and determination, it will take you anywhere you want to go in life!

We will always be your biggest fans!

Siblings Names: Hailey (15)

Favorite Movie: Avengers Infinity War

Plans after highschool: I plan to go to a four year college and pursue a degree in science

Advice for underclassmen: Enjoy every moment you get to spend out on the ice with your teammates because the time goes by way too fast.

Pregame Ritual: Before games I always get Health Evo with my teammates and listen to my warmup playlist to get pumped up.

Favorite Hockey Memory: Some of my favorite moments were the times I spent with my teammates in the locker room before practice, long bus rides, and going up to Grand Rapids. I've made some of my best friends through this sport and I couldn't be more grateful!

After watching the Mighty Ducks when you were 3 ½, you wanted to be a hockey player, period, so in the picture, that's you wearing whatever I could find around the house and holding your dad's stick from high school. You've loved the game ever since. We are so proud of you and everything you have accomplished! You are an amazing person in every way- independent, strong, confident, and determined while also being caring, responsible, modest, and giving. We cannot wait to see everything you choose to do and accomplish in the future!

Parents names: Jim Ronn and Danelle Ronn

Siblings names: Jordan(16) Dylan (23)

Favorite movie: Battle Ship

Plans after high school: To go to college and play hockey

Advice for underclassmen: Everyday when you wake up is a new day, a new start, so don't waste your time thinking about what happened yesterday. High school is a lot of fun if you make it a lot of fun! Go to football, volleyball, soccer, basketball, hockey games. Do it ALL. It's true high school does fly right by so make sure to make some memories and hopefully you will remember some of them forever!

Pregame ritual: Game day playlist I listen to with my headphones
Eat a sandwich, apple slices, granola bar before each game
Tape sticks

Favorite hockey memory: Beating Edina Freshman year @Edina. I will never forget the feeling in the locker room after the game, and the bus ride home was even better!

Kaitlyn Ronn

Kaitlyn,

We wish you the best in your senior year! We are proud of the sporty, kind, friendly, smart, hardworking, adventurous, and sometimes sassy daughter you are. We are very proud of you and your accomplishments on and off the ice and can't wait to see what's next. Farmer? You are about to close one chapter and open a new one. If your next chapter is anything like the last, it should be a "thriller". As you continue, realize that you have positively influenced so many people along the way – keep on being you. As we've talked many times, you were blessed with a big soul! You've been sharing it with others for as long as we can remember. It's been so cool to watch. It is supposed to be the parents that are doing the teaching and setting the tone for their kids, but we are humbled to say, you have mostly found your own way. Thank you "Master K" for kicking butt and taking names so far in this life of yours. But remember, life will throw you curve balls. It's how you deal with the curve balls that matters and we know you will be able to handle anything thrown your way. So, remember what we always say, "You Gotta Want It!"

Love You,

Mom, Dad, Dylan & Jordan

MAX PERFORMANCE

Your brain and body are in constant communication. The nervous system is responsible for every function and movement your body performs. Stress interferes with this system, causing dysfunction, leading to a variety of symptoms. We address the cause of the stress to allow your brain and body to communicate at an optimal level. Meaning your body can function at its best.

MAKE YOUR MOVE.
CALL US + MENTION THIS AD.
763.400.3872

Adjustments create a lot of positive changes in your body, but it doesn't stop there. How you train, how you sit, and how you move day to day determines how your body responds. Over time, your body creates compensation patterns. We provide individualized exercises and stretches to re-educate improper movement patterns, so you have the knowledge to move how you're made to.

MOVE WELL

PREVENT INJURY

Structural misalignments are one of the leading causes of injuries to the athlete. Our passion is to educate athletes on how to listen to their body and naturally treat and prevent injuries through chiropractic care. This includes runner's knee, shin splints, plantar fasciitis, ankle sprains, stingers, shoulder impingement, tennis elbow, neck pain, wrist pain, back pain, stress fractures, muscles cramps and repetitive muscle strains.

Minnesota Ms. Hockey Goalie Award

Let's Play Hockey annually presents the Ms. Hockey Award to the top senior high school girls hockey player in the state of Minnesota. The award started in 1996, while in 1999, an additional award was added, the Senior Goaltender Award. Academics, community service, citizenship, coachability and on-ice performance prove to be the criteria for these prestigious awards.
